[From the Evening Telegraph of Thursday, April 14th.]

"It is full, concise and reliable. The publishers deserve the thanks of the public for their great energy and enterprise in thus presenting the lives of our distinguished men in such rapid succession, and at such critical times when we should know all about our great leaders. Every one should have this book."

[From Forney's Daily Press, of Thursday, April 14th.]

"It is a neat volume, with portrait, containing the Life and Public Services of Abraham Lincoln, published by Peterson & Brothers. It relates numerous incidents of his private and public life, and gives his various Proclamations in full, down to the present time. It is a readable compilation, neatly printed and bound."

[From Daily Evening Bulletin, April 12th.]

"It is brought down to the latest dates. It gives a sketch of his early career, with a full account ot his speeches, proclamations and services as President. It has been prepared with great care and may be relied on as accurate and impartial. It cannot fail to have an immense sale."

[From Journal, Canden, N. J., April 12th, 1864.]

The work is full and well prepared, just such as will give the reader an insight into the most proment traits which characterize the life of this distinguished man. The history of Abraham Lincoln is in the heart and affections of the loyal people of this country, and every one, therefore, will be anxious to obtain a copy of this work.

STRANGURY. For these diseases it is truly a sovereign remedy and too much cannot be said in its praise. A single dose has been known to remove the most ur gent symptoms.

Are you troubled with that distressing pain in he small of the back and through the hips? A easpoonful aday of the Constitution Water will relieve you like magic.

PHYSICIANS Have long since given up the use of buchu, cubebs and juniper in the treatment of the diseases, and only use them for the want of a better remedy CONSTITUTION WATER

has proved itself equal to the task that has e-volved upon it.

DIUERTICS irritate and drench the kidneys, and by constant use soon lead to chronic degeneration and confirmed disease.

We present the Constitution Water to the public

with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful for curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the require-ments of patient and physician. ments of patient and physician. The disense known as FALLING OF THE WOMB, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp, lancinating or shooting pains through the parts, will, in all cases, be cured by this medicine.

There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call nervousness, which word covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease or the disease the symptoms. We can only enumerate them here. I speak more particularly of Cold Feet, Palpitation of the Heart, Impaired Memory, Wakefulness, Flashes of Heat, Languor, Lassitude and Diriness of Vision.

DANVILLE, Pa., June 2, 1862.

Dr. Wm. H. Gregg—Dear Su: In February, 1861, I was afflicted with sugar diabetes, and for five months I passed more than two gallons or water in twenty-four hours. I was obliged to get up as often as ten or twelve times during the night, and in five months I lost about fifty pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured; soon after regaining my usual good health.

Yours truly, J. V. L. DEWITT.

Yours truly, J. V. L. DEWITT.

Boston Corners, N. Y., Dec. 27, 1861.

Wm. H. Gregg & Co. —Gents—I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner:

My wife was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart and Irritation of the Bladder. I called a physician, who attended her three months, when he left her worse than he had found her. I then employed one of the best physicians I could find, who attended her to about nine months, and while she was under nis care she did not suffer quite as much pain. He finally gave her up and said, her case was incurable. "For," said he, "isk has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time she commenced the was of the Constitution Water, and, to our utter astonishment, almost the first doss seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent cure.

WETHERSPIELD, Conn., March 2, 1863.

WETHERSPIELD, Conn., March 2, 1863.

Dr. W. H. Gregg—Dear Sir—Having seen your advertisement of "Constitution Water," recommended for inflammation of the Kidneys and Irritation of the Bladder, having suffered for the past three years, and tried the skill of a number of physicians with only temporary relief, I was induced to try your medicine. I procured one bottle from your agents at Hartford, Messrs. Lee, Sisson & Co., and when I had used half of it, to my surpise I found a great change in my health. I have used two bottles of it, and am where I never expected to be in my life, well, and in good spirits. I cannot express my gratitude for it; I feel that it is all and more than you recommend it to be. May the blessing of God ever attend you in your labors of love. Yours, truly,

LEONARD S. BIGELOW.

THESE ARE FAUTS ENOUGH.

We present the Constitution Water to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful in curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patients and physicians.
