of our Sick and Wounded Soldiers. The broad and comprehensive benevolence of the SANITARY COMMISSION is so well known as to need no commendation from us, but we would simply state that the great work is attended with a corresponding expense, and we therefore confi-dently ask the residents of PENNSYLVANIA, NEW JEBSEY, AND DELAWARE, and other friends of the side and

PENNSYLVANIA, NEW JERSEY, AND DELAWARE, and other friends of the sick and wounded soldiers everywhere, to aid the Commission in its labor of patriotism and Christian charity. The special duty of this Committee is to invest its collections in goods in Europe, to be imported and sold at the GREAT CENTRAL FAIR. Importations for this object are to be admitted free of duty, and the proprietors of the Cunard Line of Steamships nave kindly consented to make a greatreduction in their price for freight. It will thus, be seen that money invested in merchandise, imported free of duty, at a nominal expense for freight, without the usual profits to Importers, Jobbers, and Retailers, must necessarily double itself.
