

SEWING MACHINES.

THE AMERICAN BUTTON-HOLE, CO. INCORPORATED AND EMBROIDERING SEWING MACHINES.

The greatest novelty of the nineteenth century, is capable of making 2 button holes in a minute, 100 in an hour, and 1000 in a day's work of ten hours.

Substantially an strongly built, and less liable to get out of order than any other Sewing Machine.

Army and Navy Contractors, Manufacturers of Clothing, Merchant Tailors and others, who can keep this valuable machine at work steadily, will, in ten days, save the entire cost of the same, including the cost of each button hole at only one cent.

The Button Holes made by this entirely new and improved Machine, which can be worked with ease by any female operator, are not only equal to the best hand made in the world, but are also made in the most perfect manner.

White others only saw on the same when the Brad and Cord is used, and the most complicated work can be done with ease and rapidity.

It is to Ladies' Shoemakers it is invaluable, as it binds and embroiders gaiter and other boots, and shoes, and makes the most perfect work.

Every Machine sold in the country is warranted for 12 months.

Persons desiring to become Agents for the sale of THE AMERICAN BUTTON-HOLE CO. MACHINES, should apply to the President, No. 408 CHESTNUT STREET, PHILADELPHIA.
