GEN. SIGEL'S DEPARTMENT.

[Correspondence of the N. Y. Herald.]

HARPER'S FERRY, VA., April 25, 1861.—A very spirited engagement took place between a cetuchment of the 1st New York cavalry and a body of rebels at Newtown, near Strasburg. We lost one officer and quite a number of men. The rebel force is reported to have been between three hundred and four hundred strong; the strength of our party about one hundred men. The coatest, although a decidedly unequal one, was kept up with much spirit for some time. Superiority of numbers alone gave the rebels the advantages they gained.

Dear Sie.—I have been afflicted many years with severe prostrating cranaps in my l.mbs, cold feet and hands, and a general disordered system. Physicians and medicines fulled to relieve me. While visiting some friends in New York who were using Plantation Bitters they prevailed upon me to try them. I commenced with a small wine glassful a ter dinner. Feeing better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleap the night through, which I have not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Both diseases arising from a faulty secretion of the menstrual fluid—in case of being too little, and accompanied by seyere pain, and the other a too profuse secretion, which will be speedily cared by the Constitution Water.

The disease known as FALLING OF THE WOMB, which is the result of a relaxation of the figaments of that organ, and is known by a sense of healthese and dragging pains in the back and sides, and at times accompanied by sharp, lanctinating or shooting pains through the parts, will in all cases, be cured by this medicine.

There is snother class of symptoms arising from IRRITATION OF THE WOMB, which physicians call nervousness, which word covers up much ignorance, and in nine cases out of ten the doctor does 101 really know whether the symptoms are the disease or the disease the symptoms. Dr. Wm. H. Gregg—Dear Sir: In February, 1861, I was afflicted with sugar, diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often asten or twelve times during the night, and in five months I lost about fifty pounds in weight. During the menth of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced rehef, and after taking two bottles I was entirely cured; soom after regaining my usual good health.

Wm. H. Gregg & Co. —Gents—I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner:

My wife was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palputation of the heart and Irritation of the Bladder. I called a physician, who attended her three months, when he left her worse than he had found her. I then employed pine of the best physicians I could find, who attended her three months, and while she was under nis care she did not suffer quite as "much pain. He finally gave her up and said, her cast was incurable. "For," said he, "she has such a combination of complaints, that medicine given for one operates against some oher of her difficulties." About this time she commenced the use of the Constitution Water, and, to our utter astonishment, almost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent cure. WM.M. VAN BENSCHOTEN.

WETHERSFIELD, Conn., March 2, 1863.

Dr. W. H. Gregg—Dear Sir—Having seen you advertisement of "Constitution Water," recommended for inflammation of the Kidneys and Irritation of the Bladder, having suffered for the past three years, and tried the skill of a number of physicians with only temporary relief. I was induced to try your medicine. I procured one bottle from your agents at Hartford, Mesars. Lee, Sisson & Oo., and when I had used half of it, to my surprise I found a great change in my health. I have used two bottles of it, and am whete I never expected to be in my life, well, and it good spirits. I cannot express my gratitude for it. I feel that it is all and more than you recommend it to be. May the blessing of God ever attend you in your labors of love. Yours, truly,

THESE ARE FAUTS ENOUGH.

We present the Constitution Water to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful in curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patients and physicians.
