## CITY COUNCILS.

The regular stated meeting of Ulty Councils was held yesterday afternoen. SELEOT BRANCH. Mr. Nicholson presented a petition from Cols. Thomas and Small, asking that their regiments may receive the same municipal encouragement as the Gray and Blue Reserves. Referred to the Com-mittee on Defence and Protection. The Committee on Girard Estate reported an ordinance authorizing the Agent of the estate u-creante a five year lease to the trustee of ta Eord of Brokers of a lot of groand in the rear o the Girard Bank. It is stipulated that the Bourd of Brakers shall erect a building on the lot, the cost of which shall not be less than \$20 000. The biil Was postported.

Also: at ordinance making an appropriation of \$100 for repairs and care. Postponed. The ordinance appropriating \$14, 495 for the ex tension of the firealarm telegraph to certain engine and hose houses, was reported back from the com-mittee on Law

tension of the firealarm telegraph to bertait engine and hose houses. was reported back from the com mittee on Law. Mr. Wetherjil thought there was an extraordi hary pressure to carry this bill through both Chambers. At first it was attempted to carry i. through contrary to the act of Assembly prohibit-me city officials from taking contracts, and when this was pointed out, an application was mide to the Legislature, and a bill was passed in hastere-moving the disability attached to the Superintend-ent of the Telegraph. Mr. Miller explained the action of the Commit-tee on Law. It was understood that the Mayor would veto the ordinance on the ground that there is no necessity for extending the telegraph to the houses of any but steam engines. After further debate, the bill passed. The Committee on Printing and Supplies report-ed an ordinance appropriating \$1,228 65, to 'pay bills, including carriage hier. There is an item of \$177 50 for furniture for the Select Chamber. Mr. Bilghtly inquired what had become of the item of \$1,200 for 'incidentals,'' in the annual appropriation. He was told that, two or, three days age a carriage was hired and used for an hour and a half, and yet a bill of \$5 was randered. If everything is paid for at the same rate, the items of this ordinance should be examined. The bill was postponed. The following letter from the Chief Engineer w is

everything is plat in which the train the information of this ordinance should be examined. The bill was postponed. The following letter from the Chief Engineer was received and read: Gontlemen The large patron-age of this Department is found: very difficult to manage, and making satisfactory appointments almost impossible. I would therefore, most re-spectfully suggest that the ordinances regulating the Department may be so changed as to place the appointing power of the subordinate officers in the appointing power of the subordinate officers in the the approval of Select Council Referred to Com-mittee on Water Works. Mr. Miller officred a resolution of instruction in reference to repairs to the app okches to Market street bridge. Referred to the Committee on High-Ways.

ways. MIT. Brightly submitted an ordinance that it shall be the duty of the Police officers to report to the Mayor all violations by Passenger Rai r.ad Com-panies of the ordinance regulating speed. Mr. Davis offered a resolution instructing the Committee on Finance to report an ordinance for a loan of one million' dollars for the extension of the Water Works- Adopted. The ordinance loca'ing the Wm. Penn Hose as a Steam Eugine vas adopted. The ordinance from Common Council increasing the pay of Policemen detailed fer Telegraph Sta-tions was concurred in. The ordinance authorizing the purchase of the ground between Fairmount and the Park, which had been vetoed by the Mayor, was called up, and gave rise to considerable debate in reference to the value of the p. operly. The bill passed by the ne-cessary two-thirds. Mr. Davis submitted a resolution' requesting the Chief Engineer and Suveyor to report his opinion in regard to the value of coal ashes as compared with gravel in paving streets. Mr. Davis stated that a gredt many intelligent men affirm that coal ashes are to be preferred to gravel. He also uni-derstood that aches were being used in making derstood that ashes were being used in making

Mortar. Mr. Armstrong said that the pure particles of coal ashes when united with lime make the best mortar, except for fronts, that can be made. He Mrs. glad public attention was called to the fact. Mr. Miller suggested that the resolution be amended to ascertain to what purposes ashes can be put

 EXFORT OF MUNITIONS OF WAR FROM GREAT BRITAIN [From the Liverpool Post, April 12.] On the 6th instant Lord Robert Cecil moved in the House of Commons for an '' Account of guns and other munitions of war shipped from the port of Liverpool for America durit g the years 1861 and 1862, showing the quantity, description, value, and port of destination." The return was presented on Monday, and it tends to show that the North and South in 1864 were more int non diplomacy than fighting, for in that year there were imported from Evgland only 16, 90° rifles and muskets, valued at 221, 791, and of this quantity not a single rifle or musket was sent to Charleston. only 48 were sent to Mo- bile, trady and of this quantity not a solitary gun or munition of war went into Charleston, Mobile or muniting and musk ts. but, after all, not to an

 The United States Christian Commission has seized the present golden opportunity of rest for the Army to extend its work for the good of the Soldiers

the Army to extend 18 work for the good of the Soldiers. StarTIONS have been multiplied, each with its chapel and store tents, free writing tables, and clothing, comforts and reading matter for gra-thitons distribution. VOLUNTARY DELEGATES, in numbers greater than ever before, have been sent to preach the Gospel at the stations and in regiments, bat-teries and camps without Chaplains, distribute reading matter and stores, and labor for the good of the Soldiers. of the Soldiers. A PERMANENT FIELD AGENOY has been

sufficiently extended to establish stations and superintend the work. THE BLESSING OF GOD rests signally on all The barssing of the work. Many thousands have been cheered, benefited and saved. Still a large part of the Army remains unreached, and double the number, both of stations and delegates, are needed to meet the urgent demand for them. The Christian Commission offers to the people a

to meet the urgent demand for them. The Christian Commission offers to the people a perfectly reliable and wonderfully economical channel to reach the entire army in all its various. fields. The money given goes in full measure, in benefits for body and scal, directly to the Soldiers; and stores also, immediately from the hands of delegates from home, who add words and deeds of the desist of the fifts when bestowed. Let the peorle give the Money and Stores, and the work will be don. The large corps of Delegates now in the field will serve as a grand corps of relief when the armices shall move and battles be fought, and the greater their number the more prompt and effec-tive will be the relief they shall render. Let not the present work languish. Whit not for the cry of the wounded and dying before pro-viding relief. Send now and send abundantly both money and stores, and the soldiers' blessing shall be upon yon.
