The disease known as FALLING OF THE WOMB, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp, lanctanting or shooting pains through the parts, will in all cases, be cured by this medicine.

There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call nervousness, which word covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease or the disease the symptoms. We can only enumerate them here. I speak more particularly of Cold Feet, Palpitation of the Heart, Impured Memory, Wakefulness, Flashed of Heat, Languor, Lassitude and Digness of Vision.

Danville, Pa., June 2, 1862.

Dr. Wm. H. Gregg—Bear Sir: In February, 1861, I was afflicted with sngar diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve times during the night, and in five months I lost about fifty pounds in weight. During the menth of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured; soon after regaining my usual good health.

Yours truly, J. V. L. DEWITT.

Nours truly, J. V. L. DEWITT.

Boston Corners, N. Y., Dec. 27, 1861.

Wm. H. Gregg & Co.—Gents—I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner:

My wife was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the back, and in her limbs, with Palpitation of the heart and Irritation of the Bladder. I called a physician, who attended her three months, when he left her worse than he had found her. I then employed one of the best physicians I could find, who attended her for about hine months, and while she was under his care she did not suffer quite as much pain. He finally gave her up and said, her case was incurable. "For," said he, "she has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time she commenced the use of the Constitution Water, and, to our utter astonishment, almost the first doss seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent cure. WM. M. VAN BENSCHOTEN.

WETHERSPIELD, Conn., March 2, 1863.

Dr. W. H. Gregg—Dear Sir—Having seen your advertisement of "Constitution Water," recommended for inflammation of the Kidneys and Irritation of the Bladder, having suffered for the past three years, and tried the skill of a number of physicians with only temporary relief, I was induced to try your medicine. I procured one bottle from your agents at Hartford, Messrs. Lee, Sisson & Co., and when I had used half of it, to my surprise I found a great change in my health. I have used two bottles of it, and am where I never expected to be in my life, well, and in good spirits. I cannot express my gratitude for it; I feel that it is all and more than you recommend it to be. May the blessing of God ever attend you in your labors of love. Yours, truly.

LEONARD S. BIGELOW.

THESE ARE FAUTS ENOUGH.

We present the Constitution Water to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful in curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patients and physicians.

'New Bedford, Mass., Nov. 24, 1853.

Dean Sire. I have been afflicted many years with severe prostrating cramps in my limbs, cold feel and hands, and a general disordered system. Physicians and medicines failed to relieve life. While visiting some friends in New York who were using Plantation Bitters they prevailed upon me to try them. I commenced with a small whipe glassful after dinner. Fee ing better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I have not done for years I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Dr. Drake: Your wonderful Plantation Bitters have been given to some of our little children suffering from weakness and weak lungs with most happy effect. One little girl, in particular, with pains in her head, loss of appetite, and daily with many consumption, on whom all medical skill had been exhausted, has been entirely restored. We commenced with but a teaspoonful of Bitters a day. Her appetite and strength rapidly increased, and she is now well.
