

CHRISTMAS EVE.

Those Christmas Eve's we regret. Our childish days are past. When scarcely we had sought bed...

PERBY & CO'S CHRISTMAS ADDRESS TO THE PATRONAGE OF FRIENDS OF THE STAR CLOTHING EMPORIUM.

Again comes the season of bright festive joy. And this time arrives with less saddest alloy. For the warlike past, Peace again rules supreme...

On all we would wish to impress our desire. To give satisfaction to those we desire. And remember, the Gifts that are given...

THE STAR CLOTHING EMPORIUM. Although the largest in the city covering more space than any other, it is not the size of the building...

PERBY & CO. 609 CHESTNUT STREET, ABOVE SIXTH.

"EXTRA BILLY" SMITH'S GOLD.

Adoption of a New Stay Law.

Demand for the Restoration of the Habeas Corpus, &c.

(Correspondence of the New York Times.) RICHMOND, Va., Tuesday, Dec. 19, 1865. In the Senate to-day the usual business hours were consumed by debate on the proposition to repeal the statutes enacted...

The House of Delegates had under consideration the Stay Law. The bill originally presented is sweeping in its provisions, and will attract considerable attention...

A proposition for a State Convention to amend the present Constitution of this State is being agitated here, and seems to be in favor with quite a number of the members of the Legislature.

I find that a growing sentiment exists here in favor of new franchise laws, from which the State convention probably originated. It is the theory of many Virginia statesmen that the war has demonstrated the fact that we have had too many voters, and it is therefore proposed to restrict the privilege of voting...

The question of negro testimony is being pressed on the public here by the newspapers of this city, and is attracting great attention. The fact that other Southern States have already acted on this subject, and thus placed themselves ahead of the Old Dominion...

The joint committee to whom was referred the resolution in reference to the pardon of Jefferson Davis and all other rebels, has reported to the Senate...

By the resolution of the General Assembly of Virginia, that as a means of restoring confidence and amity between the people and the people thereof, we most respectfully recommend to His Excellency Andrew Johnson, President of the United States...
