## Suffocation by Gas.

CHICAGO, Dec. 25 .- A terrible case of suffocation from gas occurred at the Bremen Hotel, No. 137 Lake street, Saturday night, resulting in the death of five men, and perhaps six. The victims all slept in the same room, and it is supposed that after retiring. the cap of the gas-pipe, which was merely stuck on with wax, fell off, allowing the gas, under full pressure, to enter the room. Five of the men were found dead, yesterday morning. Another was still alive, last night, but insensible.
