## Annual Meeting of the Merchants' Fund Association.

Yesterday afternoon, at the Board of Trade Rooms, the annual meeting of the Merchants' Fund Association was held. Merchants' Fund Association was held. Mr. Caleb Cope was appointed chairman, and Mr. Edw. Snowden, secretary. After the reading of the minutes of the previous meeting, the report of the Board of Man-agers was read by Mr. John M. Atwood, stating that at no previous time in the thir-teen years of the organization had the beneficiaries been more deserving. Dona-'tions had been made to twenty-one persons, 'emonyting to \$3,530. Seventeen are reamounting to \$3,530. Seventeen are re-ceiving assistance now, fifteen of whom are between sixty and eighty-four years of age. The assistance was all tendered and received in a spirit of fraternity that left no feelings of dependence on charity. All that was given was contributed by merchants who know not the persons benefitted by their gifts. The institution deserved to be upheld by the strong hands and brave hearts of the by the strong names and brave nears of the business community, and they have re-sponded nobly to the application made to them. During the past year §39,880 27 have been thus added to the permanent fund, making it now \$55,000, of which \$48,000 were invested, and \$7,000 held in cash. Three beneficiaries died during the year.

The Treasurer's (Mr. James B. McFar-land's) report stated that \$7,352 11 remained on hand unexpended, of which it was re-commended to invest \$7,000 in approved securities.

Mr. John Welsh referred to the intention of the Association to raise \$200,000, and to the event which had prevented the accom-plishment of that object. To prosecute these efforts he moved that the Board of Directors be requested to continue their efforts for subscriptions until the amount received reach \$200,000. Mr. Caleb Cope stated the beneficial effects

resulting from the operations of the Associa-tion, referring to a prominent highly edu-cated, wealthy merchant, with a large family, in this city, who had, after failing, received until the day of his death, the aid of this Society. He was an honest man, and the meaker Was glad to believe that in the the speaker was glad to believe that in all the reliefs afforded a proper discrimination was made between the honest and the diswas made between are nonest and the uns-honest applicants. He would make the line of demarcation so broad, so deep and so wide that the young of the community might have no mistake in judging between good and evil.
