bank be estabished at the South by
the bondholders, to be subsidized by the State governments. Each State will
have one of these banks, which is
receive ten per cent.ou itseapital as sub sidy from the State, and to earn twelve
per cent profts. Out of this handsome
income the bank is to pay eight per
cent. to its stocthors an interest on the boonds represented by the
bank three per centinto a sinking fund
