OUTRAGES ON NEGROES IN KENTUCKY.

—More than half a dozen letters were yesterday received by Representative McKee, of Kentucky, detailing outrages against the freedmen of that State in various parts of his district. One was the case of the shooting of ireedmen of that State in various parts of his district. One was the case of the shooting of two negroes and robbing them of all their families had, and upon the arrest of the perpetrators of the act by the agents of the Bureau, they were discharged on a writ of habeas corpus, sued out and tried before a Circuit Judge of the State Court. Another case was where a party of white man want Circuit Judge of the State Court. Another case was where a party of white men went to the house of an old negro, nearly eighty years of age, and a free man all his life, robbed him of his money; kicked him to death, raked the coals from the fire and put him on them and roasted one side, and then turned him and roasted the other. They burned two other nearly to death, putting an eyeout of one, and boasted that they not intended to drive out the negro, bu intended also to drive out certain whites.

MARINE MISCELLANY.

The steamer Baltlmore, formerly owned by Mr W P Clyde, of Philadelphia, arrived at Fort Monroe on Friday night, bound to Jersey City, having been sold to parties in New York.

Ship Columbia, at Liverpool 6th inst. from New Or leans, had a very narrow escape from destruction. On Sunday afternoon (4th) while beating up the channel the sky became suddenly overcast, and heavy rain and hristenes came down in showers. A few minutes had scarcely elapsed when the horizon was limminated by a fearful dash of sheet lightning, which was immediately followed be a tremendous peal of hunder. The wind at the time blew a hurridane from all quarters. The roll of the thunder peal had scarcely died away before two large balls of fire alighted on the ship's deck and set fire to the deck-house and galley, but did no other damage.

Brig Village Belle, at New York from Clenfuegos, had heavy weather; lost deck load.

MARINE MISCELLANY.

NOTICE TO MARINERS.

The Shovelful Light Vessel will be changed from the present potention to the SE extremity of the Shovelful Blood on or about the 24th inst. The exact position of her new station will be given as soon as the necessary bearings can be ascertained.
