WASHINGTON, March 11th,-The United States Consul at Liverpool informs the State Department that the rinderpest is still on the increase. No remedy has yet been found that meets with any general confi-dence, although there, are several that promise well The official report for the week ending Feb. 17; states the number of new cases to be 13,000. This is an increase of 2,437 over the number reported last week, and 3,848 over the number reported as hav-ing been attacked the week before last. The United States Consul at Gibralter re-

ports in his despatch to the Department of State, dated Feb. 26, the wreck of the Ame-Boston, Mass. She sunk on the 12th inst. Boston, Mass. She sunk on the 12d inst., in lat. 35 deg. 7 min. north, long. 69 deg. 6 min. west, in a few minutes after her crew were taken off by the Hanoverian brig Berge; Captain Hinrichs. The Edwin Reed was from Philadelphia, with a cargo of coals for Boston. She was blown to sea and lost her sails spars and boats. The master and crew were all saved, together

master and crew were an saved, together with the ship's papers. The President has pardoned fourteen hundred and thirteen individuals in the State of Alabama since the publication of State of Alabama since the publication of the Amnesty proclamation under the \$20,-000 clause. The number pardoned under the thirteenth section in the border States is yery low. Most of those who have been pardoned came under the tenth exception. The business of the New York agency of the French International Exposition is in a most satisfactory condition. Mechanical applications will be received for a few days

Jonger, The Commissioner of Agriculture has got out over 500 circulars to agricultural societies, with a view to a full representa tion of our agricultural productions, stock. soils, fertilizers, &c. There will be sixty or ninety days yet for applications. The Board for the examination of breech

loading arms, of which Gen. Hancock is President, is now in session at Winder's Buildings. Arms will be received for a few days longer. Arms will be received daily between 11 A. M. and 2 P. M., until further notice.

The Committee of Ways and Means has agreed to report a very considerable reduc-tion in the Internal Revenue taxation, and especially to repeal the tax of six cents per ton now levied on freights. The Assistant Commissioner of the

Freedmen's Bureau informs General Howard that the number of helpless poor in Arkansasand Missouri that will be dependent on the Government for support during the next three months will be about four thousand. They are without money or means to procure food from a distance, and there seems to be no alternative but to sup-ply the helpless women and children from e commissary stores, or leave them to starve to death.

In obedience to instructions from the War Department, the military districts of Southern, Northern and Western New York have been discontinued.

The receipts from customs at the port of Charleston last month were \$31,618 71. The Redemption Bureau last week

stamped as counterfeits 418 fifty-cent notes; 8 twenty fives; 17 ones, and 1 fifty dollar and 1 ten dollar note. Total, \$29,245. The Comptroller of the Currency last

week issued as circulation of the National banks \$2,123,960. The Secretary of War has issued orders to all the various military commandants that they must see that in their departments

Winter Davis is a manuscript speech in his own handwriting, advocating universal suffrage for the South as the only guaranty that can be relied upon to secure peace and prosperity for the future. It will be pub-lished soon. Governor Boutwell and General Banks are going to Connecticut to stump for Gen. Hawley. Senator Nye, now in New Hamp-shire, will stop there on his way back and make several speeches. Nearly all the New Hampshire men resident here have gone home to vote. Infor-mation received here is to the effect that Governör Smythe and the whole Union ticket will be elected by a handsome majority. The Canadian Lobby here to secure legislation to protect their interests are very much outdone at the high tariff put on efforts to get it reduced. They threaten also they will exclude all American vessels after March 17th. An effort will be made to get Congress to An effort will be made to get congress to pass the National Insurance act, similar to the National Banking law, the basis of which shall be a requirement that all the insurance companies shall invest their capital in national bonds, or, at least, a large proportion of their funds.
