HARRISBURG, March 12,—Governor Curtin and the State Treasurer will go to Washington to-morrow for the purpose of pressing the passage of a law to reimburse Pennsylvania for the amount of money expended for the recruiting and equipment of troops during the late war. This claim has been in Congress during the entire present session, and it would be well for the people of the different Congressional districts through-out the Common wealth to urge on their rep-resentatives the necessity of securing the immense amount of money now due to the

The veto of the Philadelphia and Erie Railroad bill, with which measure the peo-ple of Philadelphia are acquainted, will be sent to the House of Representatives to-night. The veto takes the ground that the privilege accorded the Philadelphia and Erie Railroad is an infringement of private rights, and that its operation would be con-ducive to the fostering of monopolies instead of the promotion of the general prosperity.
