CROZER, ESQ.—At a stated meeting of the Board of Officers and Managers of the American Sunday School Union, held at the Society's Building, March 20th, the following Minute was adopted, together with a resolution, that a copy be forwarded to the family, and be also furnished to the public papers. The decease, since our last meeting, of John P. Crozer, Eq., for many years one of the Vice Presidents of the Society, and among the most liberal contributors to its funds, calls, not for a formal minute only, bhat for an expression of our sorrow that his presence will no longer be known among us, that his voice will be heard never sgain in our counsels, and that his prayers and sympathies, as our fellow-laborer, will be ours no more. and sympathics, as our fellow-laborer, will be ours no more. Of a kind and gentie spirit, firm in his adherence to principle, closely wedded to the communion of which he was a conspicousifand invaluable member, our de-parted friend and helper had a Catholic heart and an open hand. It pleased God to prosper his undertak-ings and to endow him with affluence, but he was not lifted up by it. He evidenity felt the responsi-bilities of a steward. He was "ready to every good work," No one could be associated with him long without being impressed with his meekness and modesty the simplicity and purity of his character, and his manifest desire to doright, regardless of couse-quences. For his conntenance and ald in the great work which is given to the AMEBICAN SUNDAY SCHOOL UNION to do, we give thanks to God, who will "reward him openly." His memory is fragrant in all the associations of his it ng and busy life, and in none of them will it be more to serve our generation as faithfully as did our ha-mented friend and brother in the Christian faith, J. P. Crozer. DEATH OF A POLICEMAN.-Mr. J. Butler. DEATH OF A POLICENAN, -- MIT, J. BULLET, a police officer, who has been acting as Turnkey at the Eleventh District Station House, died yeaterday. He has been confined to his home for about a week. The deceased was about sixty four years of age and resided at Eleventh and Carlton streets. He leaves a family. He was formerly attached to the Elighth District Police and in attempting to arrest a man, some three years ago, received a severe beating, from the effects of which he never fully recovered. ALLEGED IMPOSTOR .- A man is now coing about the city offering to give lessons on the plano. He tells a pltiful tale about the death of his wife, and not having money enough to support his children. This excites the sympathy of the parties to whom he applies for engagements, and he obtains ad-vance payments of five and ten dollars, but always forgets to return and give the lessons agreed upon. BY FITLER, WEAVER & CO., S3 North Water street, and S2 North Delaware avenue;

Mr. ward (N. 1.) made astatement to the House that he had received numerous let-ters from friends and relatives of soldiers buried in the cemetery at Arlington Heights, as to the title which the Government had to the property, fearing that the bones of the soldiers there might revert to the heirs of the arch-traitor. He had addressed a communication to

the Secretary of War on the subject, and had received an answer, which he deemed of sufficient public importance to have read.

read. The letter from the Secretary of War was read, stating that at a sale of lands for un-paid taxes on the 11th of January, 1864, the Arlington estate, including the property referred to, had been bid in for the United States for \$26,800 and afterwards turned over to the military suthorities. The carover to the military authorities. The cer-tificate of sale was in the hands of the United States Tax Commissioner at Alexandria, but would soon be placed on file in the Treasury Department, The Diplomatic Appropriation bill was passed with the amendments proposed yes-

terday. The bill to facilitate commercial, postal

and military communication among the several States was passed—yeas 69, nays 46.
