adopted. An ordinance to pay to a certain citizen one hundred dollars damages for injuries received from the bad condition of the Point House road, was concurred in. A resolution that the Finance Committee

shall submit a bill specifying what property shall be exempt from taxation and what shall be subject to faxation, was agreed to. A resolution calling upon the Legislature as a sanitary measure, to prohibit the sale of meats in shinners' wagons, in any and all of the streets of the city, was adopted. Another was offered and adopted, requir

were now offered and approved. A resolution to ask the Legislature not to protract the period fixed for the removal of any coal oil establishment in Philadelphia,

any coal oil establishment in Finaderpina, was postponed. Mr. Freeman Chairman of the Committee on Girard Estate, to whom was referred a communication asking for a repeal of the resolution prohibiting the further admis-sion of pupils into Girard College, made a report against the appeal, on the ground that on January 1, 1866, the income account and residuary fund of the estate was in debt to the amount of \$73,965. The appropriation to the amount of \$73,965. The appropriation for the year 1866 was \$336,765. The revenues for the same period, estimated as from the real estate in the city, were but \$196,000 real estate in the city, were but plotted. from farms, \$6,300; from moneys at interest, \$9,600; from coal lands, \$50,000. Total reve-nues for the year, \$261,900, which would leave the estate in debt at the expiration of the year to the andount of \$74,865. The amount of the appropriations to the estate are now so very low that further reductions are impossible. For this reason the report is adverse.
