The Ex-Rebel Forrest in Trouble.

LATE FROM FORTRESS MONROE

ARRIVAL OF THE MIANTONOMI

From Washington.

WASHINGTON, April 2.—Today's National Republican says:—There is a report that the Government here has interfered with the proposed celebration by the colored people of Richmond of the anniversary of the fall of that city on the 3d inst. We have the best authority for saying that neither the President nor General Grant has interfered in the matter in any manner. The subject is entirely within the control of General Terry, who is a man of safe judgment and being on the ground knows best what to do in the premises. He is authorized to act prudently in the event of any unnecessary or illegal disturbance of the peace on either side.

WASHINGTON, April 2.—Considerable uneasiness is manifested in official circles lest trouble may grow out of the fisheries question. Sir Frederick Bruce was in conference with Secretary Seward for some time to-day, in regard to that question. Positive instructions have been sent to our officers not to assume a menacing attitude. All disputed points are to be referred to Washington.

The Ways and Means Committee will report an important tax bill in a day or two. It includes some twenty articles on the free lists. A long session was had to-day over the income tax question, but no decision was reached. The committee have thus far failed to agree to take the tax off crude petroleum.

The Loan bill was ordered to be reported to-day without an amendment. Senator Sherman will offer one or two amendments restricting the amount of gold and greenbacks which the Secretary shall keep in the treasury.

Senator Trumbull will not speak to-day on the veto. No vote will be taken before Thursday. It will pass by two-thirds.

A Negro Killed by the Ex-Rebel Forrest. MEMPHIS, April 1.—A letter from Sunflower county, Miss., says a negro, employed on ex-General Forrest's plantation, while assaulting his (the negro's) sick wife yesterday, was remonstrated with by Forrest, when the negro drew a knife and attempted to kill him. Forrest received a wound in the hand, whereupon he seized an axe and killed the negro. He then gave himself up to the Sheriff. The negroes on the plantation justify the killing.

From Fortress Monroe. FORTRESS MONROE, March 31st.—The steamer Entow arrived from Norfolk to-day, having obtained a supply of coal and sailed for New York.

The Gothic ironed steamer Miantonomah, commander J. C. Beaumont, called at the Norfolk Navy Yard yesterday from Washington, she will fit out and be coaled here, and be conveyed to New York by the gunboat De Solo now lying in this harbor.

Efforts will be made to repair the Dismal Swamp Canal by parties in Norfolk. During the war it was much injured, and as the U. S. Government owns two-fifths of the work, it is presumed the sum of \$200,000 will be appropriated to aid in its reconstruction.

The James Island light vessel, Chesapeake Bay, has resumed her station. Also the Upper and Lower Cedar Point light vessel, Potomac River.

During the continuance of the Baltimore Fair for the relief of the Southern sufferers, the old and new line of steamers have made arrangements to issue excursion tickets good to return till April 14th, at \$4 each.

It is expected that after Monday next, the Seaboard and Roanoke Railroad trains, will pass over the Weldon bridge, as energetic shrewds intend to complete it by that time are being made.

From Halifax. HALIFAX, April 2.—The Government steamer Ariel, with despatches for this Government, for Newfoundland, arrived yesterday afternoon, and will return again on Wednesday, carrying the mails. She brought no news.

Senator Wright. NEWARK, N. J., April 2.—Senator Wright started for Washington, this morning, to resume his seat in the United States Senate.

From Havana. NEW YORK, April 2d.—The steamer Evening Star, from New Orleans, by the way of Havana, on the 20th, arrived at this port this morning. She brings no news.

The Ice in the Kennebec. AUGUSTA, ME., April 2.—The ice in the Kennebec river is breaking up. The navigation will be open shortly.

Price of Gold in New York. (By the People's Telegraph Lines.) NEW YORK, April 2.—Gold has been quoted to-day as follows: 10.45, 12 1/2, 11.30, 12 1/2, 10.45, 12 1/2, 12.30 P. M., 12 1/2, 11.00.

Markets. NEW YORK, April 2.—Cotton is dull but unchanged. Flour dull; sales of 250 bbls. at unchanged prices. Southern is heavy market with sales of 500 bbls. Canada quiet, 300 barrels sold. What else but steady. Corn buoyant; sales of 700 bushels. Inferior, best quality, for 20¢; middling, 18¢; inferior, 16¢. Pork dull at 57 1/2¢ Meas. Lard heavy at 16 1/2¢.

PIONEER ENGINEER DEAD.—Mr. Joseph Bridges, of Cambridge county, Pa., died about fifty-five years, died on Thursday last. The deceased was the pioneer locomotive engineer of Western Pennsylvania. The first locomotive built west of the Alleghenies, the "Pittsburgh," made its first trip from Johnstown to Wilmore, over the old Portage Railroad, more than thirty years ago. Joseph Bridges was sailing engineer of that locomotive on that trip.

A LAWYER in Maine recently moved for a new trial on the ground "that the verdict was against the law and the evidence, and that the jury were unduly influenced by the great beauty of the female plaintiff."

NEW YORK, April 2.—The steamship City of Paris, from Liverpool on the morning of the 21st ult., arrived at this port this morning.

Later advices from Vienna report that the apprehensions of a war have been removed. It is again asserted that Head Centre Stephens has arrived in Paris.

In the House of Commons Earl Grosvenor gave notice that on the second reading of the Reform bill, he would move an amendment declaring it inexpedient to discuss the Reform scheme contemplated by the Government.

Sir W. Hyatt also gave notice of an amendment to prevent the bill taking effect till provision is made for the redistribution of the seats.

The Times says Lord Stanley will second Earl Grosvenor's amendment and predicts an independent support for it. It hopes it is not too late for the Government to bring forward a better bill.

The Morning Post believes the amendment will prove the death blow of the ministry.

The Daily News and Star regards it as an insidious movement, as meaning nothing but to give the Opposition an opportunity to serve as a direct negative to the measure.

A Paris telegram of the 20th to the Daily Telegraph reports, on good authority, that Head Centre Stephens has not arrived in Paris, having been in Scotland.

The centenary of the principalities held a second meeting at Paris on the 18th ult.

The Corps Legislatif, after rejecting another proposed amendment relative to the Press laws, finally adopted the entire agenda of 251.

The Paris Bourse is firmer at 66 1/2. A Vienna telegram asserts that declarations of re-assuring character have been received from Berlin and the apprehensions of war have been thereby removed. It is stated that the Eastern Convention will be adhered to.

The London Morning Post believes this statement unfounded and that the relations continue critical.

RIO DE JANEIRO, Feb. 25.—A battle has been fought without decisive result, between the Argentine and Paraguayan armies, attended with heavy losses on both sides.

Coffee is quoted at 7-400 for good first.

FOREIGN COMMERCIAL INTELLIGENCE. LIVERPOOL COTTON MARKET.—The sales of two days amount to 21,000 bales, including 5,000 bales to speculators and for export. The market is somewhat firm with a downward tendency and a partial decline of id, owing to the heavy receipts; middling uplands are quoted at 19 1/2c.

LIVERPOOL PRODUCE MARKETS.—The markets are steady, but unchanged.

LIVERPOOL BREADSTUFFS MARKET.—The Breadstuffs market is dull, with a downward tendency, except for Corn, which is firm. Messrs. Richardson, Spence & Co., Wakefield, Nash & Co., and others, report Flour heavy; Wheat dull but steady; rye red 10s. @ 10s. 6d.; mixed Corn firmer at 25s. 6d.

LIVERPOOL PROVISIONS MARKET.—Provisions are quiet but unchanged. Messrs. Bigland, Ayle & Co. report Beef quiet but unchanged; Pork firm, with an upward tendency; Lard has a downward tendency; Butter dull; Tallow steady.

LONDON MARKETS.—Breadstuffs dull. Corn firm. Sugar quiet, but steady. Coffee steady. Tea—Common Congou easier. Rice firm. Tallow still advancing; sales at 51 @ 52s.

LONDON MONEY MARKETS.—Consols for Money, 86 1/2 @ 87; Five Twenties, 70 @ 71. Illinois Central, 70 @ 71; Erie, 55 1/2 @ 56.

The Latest. LIVERPOOL, March 22.—The steamships Hecla and Hermann arrived out on the 21st. A steamer, supposed to be the Edinburgh, passed Crookhaven this morning.

The steamer Tripoli left Liverpool on the 20th for New York, and the Scotland sailed on the 21st.

The following is a summary of the news taken by the Tripoli: In the House of Commons the Irish Attorney denied that the Lord Lieutenant had stated that he apprehended a Fenian invasion. Several land owners had applied for permission to arm and drill their tenants; but the Government refused its consent; feeling perfectly able to afford every protection.

The Times admits that frightful and unjustifiable cruelties were committed in Jamaica; and that it was an abuse of power beyond all excuse or palliation.

The Paris Patrie denies that the French Government consented to extend the period of the extradition treaty with England.

In the Corps Legislatif the amendment to the address in favor of the extension of liberties has been strongly debated, several speakers demanding increased liberty for the public, the press and the chamber.

The German journals continue to represent the relations between Austria and Prussia as very threatening. They even assert that Austria had ordered the assembling of 100,000 troops on the Bohemian frontier, and sent a circular note to the old Fortage Railroad, more than thirty years ago. Joseph Bridges was sailing engineer of that locomotive on that trip.

The London Times directs attention to the critical state of affairs. It says Bismarck was against the law and the evidence, and that the jury were unduly influenced by the great beauty of the female plaintiff.

CALCUTTA, March 12.—The markets are steady. Exchange 2s. 1 1/2d.

The London Post says it has reason to believe that the telegraph news to the effect, that since Sunday, declarations of a reassuring character had been received from Berlin by the Austrian Government, and that the apprehensions of war between the great German Powers had been thereby removed are totally incorrect.

The relations between the two Powers continue very critical.
