The New Jersey U. S. Senatorship.

[Special Despatch to the Bulletin.]
TRENTON, N. J., April 3.—Soon after the meeting of the Senate this morning, the question of a joint session for an election of United States Senator came up. Mr. Scovel insisted on his original position. He declared himself not a candidate, but ready to support any of those he had named. He urged instant action, and denied any desire to dictate to any body. He read a letter from Mr. Leeds, of Atlantic City, who, in the said letter, denied ever giving any information as stated in the Evening Telegraph, relative to letters from President Johnson.

The motion for a joint meeting was lost, but it is thought a compromise will be effected to-day. [Correspondence of the Associated Press.]

TRENTON, April 3d .- This morning the resolution came up to go into joint meeting. Senator Scovel addressed the Senate at length declaring that he could not surrender his position without dishonor and would adhere to it to the end.

The vote was taken and the resolution was lost. The vote in favor of going into Convention was 10, and against it 9-two Senators being absent who would have voted against the resolution. [Note.—By a previous resolution of the Senate a majority of the whole number of votes is necessary to go into joint convention.

There were hisses in the lobby and considerable excitement on the announcement

of this result. Mr. Scovel's speech was particularly severe upon Mr. Cattell and Mr. Robeson, of Camden, denouncing them as having flourished and grown rich on the suffering of the people in the recent civil war.

He offered to vote for any man who entertained the views he did. He was not urging his own election. He did not want the position; but he never would submit to the dictation of any party clique.

The Fire in the Oil Region. PITTSBURGH, April 3.—Among the wells destroyed by the late fire on the Hyde and Egbert Farm were the Coquette No. 34, Olive Branch, Hollister, Eagle, Jersey and Maple Shade. The heaviest losers are W. H. Haldeman, 4,000 barrels of oil in tanks and barrels and 2,000 empty barrels; Haldeman & Hasson, 3,000 barrels of oil in tanks, insured: Miller & Edwards, 325 barrels of oil in boats on the creek; J. P. Coates, 1,000 barrels in tanks, insured in the Home Company, New Haven, Connecticut; Captain Walterson lost seven or eight boats and barges, valued at about \$4,000; J. R. Frick lost 3,000 barrels of oil, mostly in tanks; he also owned the Pittsburgh House, a large hetel, and a wareroom, which were destroyed. His loss, altogether, is about \$20,000. He had \$3,800 insurance on the hotel in an Eastern company. The Coquette Well Company lost 12,000 barrels of oil in tanks.

From Havana. HAVANA, March 26.—Since Wednesday night there have been reports of negro insurrections on Oviedo's plantations, and also on an estate of Martin Hernandez, and on two others, near Bolondron. The Government sent this morning a cavalry force, and infantry is now preparing to go to the scene. Little danger is to be apprehended

of a general insurrection at present. A large defalcation has been discovered in the Military Treasury, and the Intendant, Don Joaquin Galvez and Don Vincente Rodriguez have been condemned to pay \$2,562,294 10. There are also large deficits in the Custom House and other depart-

ments. The U.S. gunboat Mackinaw has been in port several days, and leaves to-morrow for

St. Thomas.

Election at Cincinnati. CINCINNATI, April 3d.—At the municipal election yesterday, the Union ticket was elected by about 3,000 majority. Twelve Union men, five Democrats and one Independent candidate were elected to City Council.

Election at Dayton, Ohio. DAYTON, Ohio, April 2.—The Union ticket is elected by 300 majority, except the Mayor the Democratic candidate for that office being elected by a small majority.

The Western Cotton Market. CAIRO, April 2.—1650 bales of cotton passed here for Cincinnati last week, 340 bales for the art at once

St. Louis, 320 for Evansville, 350 for New Albany and 530 bales for New Orleans.

Strike Among the Colliers. Pottsville, April 3.—There have been strikes to-day among a few of the collieries near St. Clair, but nowhere else as yet.

Boston, April 3d.—A fire occurred last night at No. 164 and 166 Devonshire street, principally confined to the sixth story of the building. D. C. Griswold, dry goods dealer occupying the lower floors, suffered \$7,000 loss by water, mostly insured.

OITY BULLETIN.

AN ALIBI PROVED.—At the time of the murder of James Needs, the colored porter, at White's Dental Depot, in October last, i was intimated that a young man named John Moran, who, it was supposed, went to Boston, was implicated in the murder. The following letter received by Chief Ruggles proves that said Moran was not in this city

CITY MARSHAL'S OFFICE, CITY OF ROX-BURY, March 31st, 1866.—Dear Sir: A report is in circulation here and in Boston regarding a case of garroting and robbing in your city, which was committed in October last, charging the crime on a young man named John Moran, who is in custody here and waiting the action of the Grand Jury on the fourth Monday of April next, for the murder of a girl named Hearny, on the
