AONE-ARMED HERCULES .--- The Eldorado (Iowa) Ledger gives an accout of a man living in Hardin county, who is said to be stronger than Dr. Winship. His name is Walter Hadlock. He was a member of Company C of the 6th Iowa Infantry. During the march of Sherman's army to the sea he lost his rightarm in a skirmish near Macon. He seems to suffer but little inconvenience from the loss, and chops wood with bis leftarm. It is no unusual effort for him to cut and cord two and a half cords per day and he offers a wager of fifty dollars that he can split one hundred and fifty rails a day.
