His Excellency, A. Johnson, President of the
United States—Sir: I would respectfully request that Bradley T. RESPONSE OF THE ATTORNEY GENERAL. WASHINGTON, April 2, 1866.—Wm. J. Jones, Esq., Dist. ROCHESTER, N. Y., April 5.—The Banking-house of Ward & Brother suspended this morning, after sustaining a run of three days' duration. They held deposits to the amount of \$1,000,000, and express the belief that they will in the end be able to pay al demands. The house held too much real estate, and other property not immediately available. There is considerable excitement in the city to-day; but it will probably subside. The other banks and bankinghouses are considered sound.

NEW YORK, April 5.—The firm of Beatty & Co., tea merchants, suspended to-day, with liabilities of \$600,000. This failure is attributed to a member of the firm having issued bills to the amount of \$250,900 on

orged documents.

MEADVILLE, Pa., April 5.—At a meeting MEADVILLE, Fa., ADRI 5.—At a meeting of the principal creditors of Culver, Penn & Co., held to-day at the McHenry House, resolutions were unanimously passed expressing entire confidence in the ability and ntegrity of the firm, and recommending that the assignment be canceled, and an ex tension granted of six, twelve, eighteen and

twenty-four months. A committee appointed to report on the best policy to be pursued, submitted the following report: That we have full confidence in the integrityand financial abilityof Culver, Penn & Co., and are satisfied that they can realize from their assets more than any assigness can possibly. There was considerable excitement in the city to-day consequent upon the arrest of several persons formerly in the employ of the Quartermaster's Department, under Col.

Charles H. Travis. Mr. H. Bruner, formerly Superintendent of mule corrals, is shortly to have a trial for alleged frauds, and numerous witnesses, formerly in the employ of the Department, are to be summoned. Several arrivals from Louisville were noted to-day. Mr. Isham Henderson, of the Louisville Journal, is expected to arrive in this evening's train. Several parties who are believed to be im-

plicated are about.

The late Cashier of Colonel Irwin, Mr. Albert Payne, whose departure for Europe caused some comments, is reported to be indicted by the Grand Jury, and as having

These cases will reveal some astounding facts relative to the management of the Quartermaster's Department in this city. An attempt was made to-day to release two prisoners, Messrs. Phillips and Dur-ham, who were held for want of bail by a writ of habeas corpus, but the effort was unsuccessful.

New Orleans, April 5.—The Methodist Conference was organized to-day, Bishop Andrews presiding, and Bishop Early assisting, and Dr. Summers acting as Secretary. A Standing Committee of one from each State was appointed. The city clergymen comprise a Committee on Public Worship.
Preaching has been arranged for every
night during the session. A hundred delegates are present, and another hundred are expected to arrive soon.

The Conference received a letter from the venerable Bishop Soule, in which he advises that the name of the Southern Methodist Conference be retained. This is the first conference that has been held in eight years. It is proposed to publish a newspaper advocate.
