Bills Approved by the President. WASHINGTON, April 17th.—The President has approved the joint resolution authorizing and directing the Secretary of War to take immediate measures to preserve from desecration the graves of the soldiers of the United States, who fell in battle or died of disease in the field and in hospitals during the war of the rebellion, and to secure suitable burial places in which the bodies may be properly interred, and to have the grounds enclosed so that the resting-places of the honored dead may be kept sacred

From Georgia.

WASHINGTON, April 17.-Milledgeville, Georgia, papers say that more than 3,000 negro men have within two weeks passed over the railroad from Putnam and adjacent counties for the West. They have been induced to leave their employers on the promise of higher wages, although their contracts had been ratified by the Freedmen's bureau.

Planters thus deprived of their employes will be disappointed in making their crops. This complaint comes from many counties. notwithstanding arrests have been made of persons who are thus tampering with the employes. A letter from Southwestern Georgia says the corn is growing finely and promises a large crop.

From Boston. Boston, April 17.-G. W. Canney, keeper of a tobacco store at 50 South Market street, set fire to his premises last night. He was detected and pursued when he fired two ineffectual shots at his pursuer and then shot himself, inflicting a severe but not fatal wound. CITY BULLETIN.

WEST PHILADELPHIA.—The day was, as usual, quiet, and the Police made but few arrests, and with one exception, the cases were of little or no importance. A German, who refused to give his name, and a woman, calling herself Mary Kelley, were committed for vagrancy, and a man, named Patrick McCann, found lurking around under "sus-picious circumstances," was likewise

locked up.
The fair of St. Agatha closed last night, and this morning the persons in charge were busily engaged in removing the goods. It was very successful, but we were unable to arrive at the gross amount of the receipts. the full returns at the early hour we called, not yet being in. Father Fitzmorris was present himself, highly thankful for the notice taken of this laudable work of charity in the EVENING BULLETIN, which is extensively read in West Philadelphia, not only by its own subscribers, but by the andreds of our merchants who reside in that section of the city, and carry it home

A great nuisance has been expunged.

Bridgewater street, from Market to Chestnut, has been cobble-stoned, and presents quite a contrast to the muddy street which, for years, has made its very appearance odious both to sight and smell.

FIREMEN'S PARADE IN GERMANTOWN

FIREMEN'S PARADE IN GERMANTOWN. The new steam engine of the Franklin Engine Company, of Germantown, was housed yesterday, and a very fine demonstration was made on the occasion by the various fire companies of Germantown and vicini fire companies of Germantown and vicinity. Airy Engine, Congress of Chestnut Hill and Union of Ricing Sun The apparatus of the various companies were gayly decorated with wreaths and flowers and the members turned out in large numbers notwithstanding the muddy condition of the roads. A representation of the Goddess of Liberty also appeared in the parade. The line was about a peared in the parade. The line was about a mile in length. It formed at Rising Sun, about noon. The procession marched to Chestnut Hill, and then returned to the house of the Hill, and then returned to the nouse of the Franklin, at the upper part of Germantown. Mr. Chas. K. Miskey, of the Washington Engine Company, acted as Chief Marshal. At Mt. Airy the parade was reviewed by the City Councils' Committee on Trusts and

After reaching the house of the Franklin, Mr. William Ross, of the Weccacoe Fire Company, of Camden, which has had charge of the new engine for some days, delivered the apparatus to its owners, and made a neat speech as he did so. The remarks were appropriately responded to by Mr. William Fleming, of the Franklin. A collation was afterwards served up at Mrs. Rupp's hotel, and toasts were drunk and speeches made.
