The Trial of Bruner at Nashville. LOUISVILLE, April 20.-The trial of H.H. Braner, formerly Superintendent of the Government corrals, is still progressing at Nathville.

He is charged with conspiracy with other parties, principally contractors, in defrauding the Government by causing false youchers to be issued to them, upon which the said contractors were enabled to get pay for mules whilst they never delivered them to the Government. The principal Government witness is W. McKay Hoge, who acknowleges issuing the false vouchers, and who has been released to testify against the others. The parties accused charge that Hoge is testifying falsely ln order to convict them and save himself from punishment. after having attempted extortion and failed

NASHVILLE, April 20th.—In the Bruner case yesterday, Col. Charles Irwin was examined in relation to business conducted in w. C. McKay Hoge, formerly clerk in Captain Irwin's effice, and subsequently at the corral under Mr. Bruner, was next called. He testified that he had given one false receipt to William Davis for between twenty-five and fifty mules three coference. twenty-five and fifty mules, three or four to J. Henderson, amounting to \$22,000 or \$23,000, one to W. R. Brier, and one to D. Henderson. He believed vouchers were issued on each of the false receipts given the parties mentioned.

The Court then adjourned in order to procure the books of Mr. B. Bruner.

To-day McKay Hoge was recalled. He stated that he gave receipts for \$23,000 to Isham Henderson at Henderson's request, in several receipts at different times, and he always was in the habit of giving receipts and the several receipts they were receipts. for more mules than were received. He also stated that Henderson told him it was dishonorable to defraud the Government of large amounts, but contemptible to cheat Government out of small The witness received for issuing the false receipts to Henderson \$10,000. The proposition to issue false receipts was stated by the witness to come from Mr. Henderson son. False receipts were also given to David Henderson, of Nashville, and W. R. Brice, of Danville, Ky., the former for \$12,000 and the latter for several comparatively small, amounts. From D. Henderson, beauty of the several comparatively small, amounts. son, through another party named George Barber, the witness received \$4,000, and from Brice \$2,500. The witness's highest salary while employed as clerk in the Department was \$80 per month. He stated that he frequently gave receipts for mules without seeing them or ascertaining their

The witness stated that Bruner loaned him \$6,000 at his request to cancel a mortagge on his father's estate. The testimony of the witness entirely exculpates Bruner from any complicity in the issuing of fraudulent receipts, he having kept carefully concealed from him all knowledge of the transactions he had been engaged in, and that no false receipts had ever been given by him with Bruner's knowledge or consent at the corral of the Quartermaster's Depart The witness issued receipts to contractors simply on their verbal statements.

OITY BULLETIN

WEST PHILADELPHIA.—After climbing the almost interminable stairways of the Police Sta-tion, we found only two items to reward us for our la-bor. A man named William Francis, was arceived for assault and battery, as well as larceny. He was promptly committed by Alderman Allen, in default of ball. Dennis Brainerd shared the same late, for intox-lection.

hall. Dennis Brainerd shared the same tate, for intoxication.
We are again indebted to the gentlemanly House Agent for Alms-house statistics. There were fifteen admissions, eight male, seven female: two deaths, one in the men's medical, one in the small-pox hospital. It was a case from the sheets, sent to the Medical as a fever patient, when confluent small-pox developed itself, He was at once removed to the small-pox department to be sent to the Municipal; but dath ensued before the change could be effected. There were thirteen discharges, five males, eight females, while eleven eloped, ten of the sterner, one of the softer sex. Census, 8,878; last year, 2,615. Increase, 461. There were two additional admissions this moraling, both colored, to the Insane Department; and one death frem phthisis in that portion of the institution.

REV. HENRY GILES.—The testimonial lecture to this gentleman, which was announced to be read by his friend, F. J. Nicholis, Heq., last Wednesday, in the church corner Tenth and Locust streets, but was unavoidably postponed, will take place next Tuesday night, at 5 o'clock. Mr. Nicholis's efforts in New York, for Mr. Giles, were quite successful, netting \$1,000. while his rendition of the lecture was pronounced "admirable" by Dr. Bellows, and received the highest encomiums of the New York press! 'he tickets, which are placed at \$1. will admit two persons, but the admission fee to the lecture will be fifty cents. This change has been made to scoure a large audience. Contributions to the "Giles Testimonial Fund" may be forwarded to the Rev. Dr. Furness, 1426 Pine street, or to Mr. Nicholis, at the Girard House. Tickets are also for sale at Mr. Pugh's store. It is hoped that the friends and admirers of Henry Giles will improve the present opportunity to offer him, in this his day of sickness and sorrow, a substantial token of their esteem and affection. REV. HENRY GILES. - The testimonial

A Good ORDER.—The congregation of A Good Order,—The congregation of young men in front of hotels and stores on Chestnut street, for the purpose of staring at the young lady promensders, has long been an annoyance to every-body who uses that thoroughfare The nuisance has become so insufferable that the store-cepers sent a combined remonstance to Mayor McMichael. Chief Ruggles'then haved an order to the police force, that all such gatherings must be dispersed, and during the past few days the instructions have been prestiv well carried out. The order, however, has been greatly misconstrued in some quarters, and even by some of the policemen. It is not intended, as has been asserted, to prevent citizens who happen to meet on the street from stopping to exchange friendly greetings, but is intended to stop corner lounging and impertinence. Sometimes it is almost impossible to pass the corner of Eighth and Ninth streets, on Chestnut, on account of the mobs collected there, and the order of the Mayor will affort relief to many people.

A FEMALE STREET FIGHT.—This morn-

A FEMALESTREET FIGHT.—This morn-A FEMALE STREET FIGHT.—This morning between one and two 6'clock the residents in the neighborhood of Ninth and Vine streets, were startled by the shrill cry of murder. It was soon ascertained, however, that a couple of young women had got into a quarrel, ard were engaged in mauling each other perfectly regardless of bonnets, hoops or dresses. The smazons pulled each others' hair, scratched faces, and even drew blood from the "smellers." The bonnets were demolished, and the shawls were torn into ribbons. The belligerents were soon taken into custody and then presented quite a dilapidated condition. The prisoners were aged respectively 18 and 20 years, and were rather prepossessing in appearance. They were introduced to Alderman Massey by the polite police officer and were placed under bonds to keep the peace. Jealousy is supposed to have been the cause of the trouble.

THE COAL HEAVERS' STRIKE .- The trou THE COAL HEAVERS' STRIKE.—The trouble among the coal heavers at the Port Richmond coal wharves. in regard to their strike on account of a decrease of wages, still continues. Many of the strikers have expressed a willingness to go to work at the reduced rate, but the Railroad Company refuses to employ them, having supplied their places with other men. Those who are now out of employment still congregate in the vicinity and frequently use threatening language toward those at work, but the presence of a strong police force prevents an outbreak, and no attempts have yet been made to carry out any of the threats made. Yesterday, sevents five special policemen were sworn in by Mayor McMichael and were sent to the scene of the trouble. The strike has not interfered with the business of the Company as yet, and there is no probability that it will.

ATTEMPTED MURDER.—This morning be ATTEMPTED MURDER.—This morning before a Iderman Butler Wm. McGinley was charged with a sault and battery with intent to kill. It seems that he was in a tavern at Front and Dock streets yesterday afternoon and a woman accused him of robbing her of \$12. McGinley, it is alleged, thed drew a pistol and fired at the woran. The ball nassed close to her head and lodged in the wall behind her. The police arrested the man before there was time for any further damage. The accused was committed in default of \$1,200 ball. He is represented to be a bad fellow, and the police have heen looking for him for having robbed a man of \$200n Frontstreet about a month ago.

DEFACING CITY PROPERTY. - Two hand-DEFACING CITY PROPERTY.— Two handsome summer houses have recently been put up by the
Chief Engineer on the Fairmount Reservoir. They
are not only an ornament to the place, but will be a
great convenience to visitors. Yesterday Officer
Thorn of the Park Police caught four young men in
the act of defacing these structures by cutting and
writing their names upon them. The despoilers were
arrested and were held to bail by Alderman Massey.
Writing and cutting names upon public property is indulged in to an unlimited extent and it is gratifying to
see that something is being done to prevent such
conduct.

SUPPOSED ROBBERY OF BONDS, CHECKS, C.—A young man who gave the name of Wm. Foster was arrested yesterday at Second and Race streets. He was attempting to sail for \$2 cach courons of the Cape May and willville Railroad, which called for \$15 cach. Upon his person numerous checks and bonds to the value of \$15,000 or \$20,000 were found. Some of the checks were on Cincinnati batiks and the others were on institutions located in different sections of the country. The prisoner was taken before Alderman Hurley, and was committed in default of \$2,000 bail for a further hearing next week. further hearing next week.

RECEIVING STOLEN GOODS -Henry Wil-RECEIVING STOLEN GOODS,—Henry Wiljiams, residing at No. 1204 Parrisit street, was arraigned before Alderman Massey this morning upon
the charge of receiving stolen goods. It seems that
early vesterday morning Borseff a meat establishment
on Thirteenth street, near Mount Vernon, was entered
by the back way and meat valued at \$320 was carried
off in a wagon, which also belonged to Mr. Borseff.
The stolen meat was subsequently found in the house
of Williams. The latter was held in \$1,500 ball for a
torther hearing.

SUPPOSED LARCENY .- A woman named Kate Russell was arrested last night, at Seventh and Bedford streets. She had in her possession two rolls of rag carpet, which are supposed to have been stolen, and which await an owner at the Second District Police Station. Kate was committed by Alderman Titterman

PREMATURE EXPLOSION.—Michael Sullivan, aged thirty-seven years, residing at Darby, had his tace and eyes badly burned by the premature dis-charge of powder while blasting rocks in a quarry at Darby creek yesterday. He was taken to the Pennsyl-vania Hoepital.

Boy Killed.-A boy named Mooney was run over by a milk wagon, at Eighth street and Marriott's lane, this morning, and was instantly killed. The parents of the deceased reside in the neighborhood where the accident happened. ATTEMPTED ROBBERY-Margaret O'Brien was arrested, yesterday, for attempting to rob the money drawer of a grocery store on Trenton avenue, in the Nineteenth Ward. She was held to answer by Alderman Clouds. Tile accused is a pedlar.

TOWNSHIP STATEMENTS. — By a law passed by the Legislature of New Jersey a year 250, township clerks are obliged to publish full statements of the receipts and expenditures of their respective townships, under a penalty of a fine of fifty dollars.
