reason to believe that the Reconstruction Committee have at last reached a proposition in the shape of a Constitutional Amendment, which will harmonize the existing difficulties between the President and Congress, in regard to the plan for the admission of Representatives from the Southern States. It has been submitted to the President. and it is said he approves. It will be considered in committee to-morrow.

The Senate Military Committee to-day passed upon a large number of military nominations.

Terrible Explosion.

NEW YORK, April 20.—The steamship Arizona, from Aspinwall, has arrived. She brings \$820,000 in specie.

A terrible disaster occurred at Aspinwall, on the 3d inst. There was a fearful explosion on board the steamship European, destroying the ship and four hundred feet of her wharf. The cause of the explosion is supposed to be from nitro-glycerine on board. About fifty persons were killed, among them the captain and officers of the ship.

The Chilean Difficulty. New York, April 20th.—Advices by the steamer Arizona, from Aspinwall, says the news from the Southern Coast, gives little hope of a speedy settlement of the Peruvian, Chilean, Spanish question. But little gress is being made by either of the bellige-There is some talk of bombarding Valpa-

raiso, but that is hardly likely.

No attempt has been made by the Spaniards to take possession of the Chinchad There is no later news from Central America. The revolution in Panama has died out

XXXIXTH CONGRESS-FIRST SESSION WASHINGTON, April 20. House.—The first business in order today, being Friday, was the call of Commit-

tees for reports of a private nature.
On a report by Mr. Rollins (N. H.) from the Committee on Accounts, an additional clerk was allowed to the Sergeant-at-Arms of the House, and the pay of a couple of la-borersincreased.

Mr. Ward (N. Y.), from the Committee on

Claims, reported a bill giving to Ishmael Day, of Baltimore county, Maryland, an annuity of \$421 50, as a recognition of his heroism in defending the National flag from Gilmor's rebel raiders on the 12th of July, 1864, and for his loss of property on that oc-

casion.

According to the report, which was read, According to the report, which was read, Day is a patriarchical patriot, seventy-four years of age, and when two of Gilmor's raiders attempted to haul down the National flag over his dwelling, he shot one of them dead and put the other to flight. The consequence was that his property was destroyed by a larger party of rebels.

Mr. Ward made an appeal to the House

in support of the bill.
Mr. Upton (Mich.) wanted to know on what principle of law the bill could be sus-Mr. Ward replied—Oh, it is on the great principles that we sustain every man who

Several members—Good! you are right.
Mr. Delano (Ohio), Chairman of the committee, explained the question. He said the rule of the committee was to reject all claims for damages, the result of the rayages of war. Jahmeel Day was a lease the of war. Ishmael Day was a loser to the amount of \$7,000 or \$8,000; but the committee felt it could do nothing to compen-

sate for that loss.
Still the circumstances were so peculiar, the act so noble, that the Committee agreed to submit to the House the question of giv-ing the old man, for the remaining few years of his life, in the last of which he exhibited this high degree of gallantry and patriotism, a small pension. If \$400 a year was too much the House might reduce it. Mr. Washburne (Ill.)—We understood, from the reading of the report, that the bill was put upon the ground of loss of pro-

Mr. Delano said he knew that the question had not been understood, and therefore he had made the explanation.

The question on the passage of the bill was taken by yeas and nays, and resulted in a vote of 106 yeas to 13 nays. So the bill was passed.

The Rev. JACOB SECHLER, of Hanover, Pa.

Well known and much respected among the German population in this country, makes the following statement for the benefit of the afficted.

DEAR SIRS—Having realized in my family import ant benefits from the use of your valuable preparation—Wistar's Balsam of Wild Cherry—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were enter tained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health.—I have, in my individual case made frequent use of your valuable medicine, and have always been benefited by it,
