Brevet Appointments. A message was yesterday received from the President by the Senate, in answer to the resolution calling for the proceedings of the Board convened to make brevet appointments of general officers in the regular army covering the proceedings referred to. The Board consisted of Generals W. T. Sherman, George G. Meade, Sheridan and Thomas, with Lieutenant Colonel L. M. Dayton, as Recorder. The Board convened at St. Louis on the 1st of March, all being present except General Sheridan.

The order included two classes of recommendations, for "gallant and meritorious services," and for "faithful services." They express in their report "a sincere desire to do all full and liberal justice," and say "i the question were a perfectly new one we would be inclined to recommend the abolition of the whole system of brevet rank, and to substitute in its place some other mode of reward for special gallantry in action: such as medals commemorative of the event, or to make actual promotion to vacancies without regard to prior rank. But brevet commissions have been conferred in all past wars, and during the present one. so that we are estopped and compelled to segard them as precedents binding on our indgment." They express a decided opinion that brevet rank should only be conferred for distinguished services in the field, in presence of the enemy, and that if merito rious conduct in non-combatant duty should be thus rewarded, there would b great confusion from a disproportion of offi-cers with high rank in comparison with the limited number of men. Recommendations

are made as follows:
For rank of Brevet Major-General—Irwin McDowell, for the battle of Cedar Mountain; John Pope, for Island No. 10; Joseph Hooker, for Chattanooga; W. S. Hancock, Spottsylvania; J. M. Schofield, Franklin; O. O. Howard, Campaign of Atlanta; A. H. Terry, Wilmington, N. C.; E. O. C. Ord, Fort Harrison; John G. Parke, Fort Steadman; D. S. Stanley, Franklin; A. H. Davis, Jonesboro'; Joseph A. Mower, Tallahatchie; T. J. Wood, Nashville; Chas, R. Woods, Bentonville, N. C., and James H.

The list numbers twenty, ranking in order Sixty-six recommendations for the brevet rank of brigadier-general were made as follows—David Hunter, for campaign in Valley of Virginia; A. McD. McCook, Perryville; J. G. Foster, Savannah; C. C. Augur, Port Hudson; Gordon Granger, Mobile; George Stoneman, Charlotte, N. C.; George Sykes, Gettysburg; Frank Steele, Little Rock; G. L. CLEANSE THE BLOOD With corrupt, disordered or vitated Blood, you are sick all over 1 imay burst out in Pimples, or Stres, or in some active disease, or it may merely keep you list-less depressed and good for nothing. But you cannot have good health while your bood is impure, AAY SRS SARSAPA-RILLA purses out these impurities and stimulates the organs of life into vigorous action, restoring the health and expelling disease, Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Serofula, or Ki-gs' Evil, Tumors, Uters, Fores, Evuptions, Pimples Blothus, Boits St. Anthony's Five. Bose or Erystivelas, Tetter or Falt Ehrum, Scald Head, Ring Worm, Concer or Concerous Jumors; Sore syes, Fenale Diseases, such as Retention, receivally Suppression, Whites, Sicritity, also Suphitis or Veneral Diseases. Liver Complaints, and Heart Diseases. Try AYER'S SARSAPARILLA, and see for yourself the surprising activity with which it cleanses the blood and cures these disorders.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sanaparilla for one doilar. Most of these have been frauds upon the sick, for they not only contain little, if any Sansaparills, but often no curative properties whatever. Hence, bitter disappointment has followed the use of the verticus extracts of Sarsaparills which flood the market, until the name itself has become synonyous with imposition and cheet. Still we call this compound 'Sarsaparilla,' and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it, We think we have reson to believe, it is by far the most effectual purifier of the blood yet discovered by any body.

AYER'S CHERRY PECTORAL is on universally known to surpass every other remedy for the cure of Coughs, Crids, Influenza, Hourseness, Croup, Bromehitis, incipient formumption and for the relief of Consumptive Patients in advanced stages of the disease, that it is useless here to recount the evidence of its virtues. The world knows them.
