3:00 O'Clock.

BY TELEGRAPH.

LATER NEWS FROM WASHINGTON.

The Spanish Fleet at Valparaiso.

COM. RODGERS INTERFERES.

He Protects the Women and Children.

Telegraph Opened to Vancouver.

MESSAGE FROM THE GOVERNOR.

Replies of the President and Mr. Seward.

From Washington. [Special Despatch to the Bulletin.] WASHINGTON, April 25.—The Navy Department has just received despatches from Commodore Rodgers, commanding our squadron off Valparaiso, in which he states that the Spanish Admiral had given notice to the City of Valparaiso, that he intended to bombard it without delay.

Commodore Rodgers at once notified him that he would resist it unless he gave ample time for the removal of women and children, and secure neutral property.

The Senate Judiciary Committee have hung up the nomination of Stansberry, recently appointed United States Judge, before them the bill for the admission of Colorado, and its fate is extremely doubtful.

No definite action was taken to-day by the Senate Commerce Committee on the nomination of Smythe, Collector of New York.

The Vancouver Telegraph Line. WASHINGTON, April 25.—The following despatch from Governor Kennedy has been received:

VICTORIA, VANCOUVER'S ISLAND, April 24, 1866.—To the President and Secretary of State of the United States: I congratulate you on the completion of the Telegraph line connecting Vancouver's Island with the United States, effected by American enterprise.

It is my earnest hope that it may prove an enduring link to bind the United States and America's Great Britain in the bonds of peace and progression.

A. E. KENNEDY, Governor of Vancouver's Island.

EXECUTIVE MESSAGES. WASHINGTON, D. C., April 25th, 1866.—To Governor A. E. Kennedy, Vancouver's Island.—We thank you for your kind greeting and join with you in the hope that the success of the successful prosecution of which is thus signalled, may be continued until it shall be able to both a common and complete civilization.

Additional by the Nova Scotian. The London Times city article says the panic in the stock exchange became more and more violent, and nearly all descriptions of foreign speculation were closed at a further disastrous fall.

The extent to which shares of a great variety of modern companies have fallen in the hands of weak holders is evidently much greater than was supposed, and it now appears as if the market could be changed into a healthy condition until a general change in this respect shall have been effected.

After business hours there was a great revival of nervousness. The discount demand at the Bank remains moderate, the supply of money in the open market being ample at a fraction less than 6 per cent.

On the stock exchange loans are offered at 4 1/4 per cent. Three failures have already occurred in the stock exchange in connection with the approaching half-monthly settlement.

The cotton market, yesterday, had a decline since last Friday has been equal to 2 1/2 per pound. The last price of cotton from Paris shows a decline of 4 1/4 per cent.

From Paris it is reported that the Credit Mobilier Company has again been largely successful in all the principal securities. On this account the apprehensions of war are greatly increased.

The Peninsular. EASTPORT, Me., April 25.—The steamer De Soto, the flagship of the Eastern Squadron, arrived here to-day.

Gen. Killian and a number of other Fenians are here, and are being stored in French & Son's storehouses.

XXXIXth Congress—First Session. SENATE.—Mr. Sumner (Mn.) moved, April 25, for the expedition of Garrett Davis, Senator from Kentucky, to visit the State of Ohio, and to become a law before the committee on the petition was referred to the Judiciary Committee.

Mr. Davis (Ky.) moved, April 25, for the bill to regulate commercial, military and postal communication between the States, to be read a second time.

Mr. Morrill (Vt.) moved, April 25, for the bill to regulate the reciprocity treaty between the States, to be read a second time.

Mr. Morrill (Vt.) moved, April 25, for the bill to regulate the reciprocity treaty between the States, to be read a second time.
