Negro Testimony Refused in Virginia. WASHINGTON, May 25 .--- In the Virginia Circuit Court at Alexandria, yesterday, when the case of the Commonwealth vs. Roe. a white man, charged with felony, was being tried, the Commonwealth's attorney asked that he might be permitted to introduce negro witnesses to testify, claiming the right to do so under the provisions of the Civil Rights bill. Judge Thomas declined permission on the ground that this was a State writ and he was acting under the laws of the State which forbade a negro to testify in a case against a white man, except "when the case arises out of an injury done, attempted or threatened, to the person, property or rights of a colored person or Indian, and when the offence was committed by a white person in

conjunction with a colored person or Indian." The Judge stated his determination to

execute the laws of his State until ordered to do otherwise.

TTAGEDY IN JASPEE COUNTY, INDIANA, -The telegraph operator at Francesville, sends us the particulars of another Newland-Evans tragedy, which transpired in Jasper county, near Rensselaer, on Wednesday. Addison Parkinson, a wealthy farmer and Addison Parkinson, a wealthy farmer and stock grazer of that county, highly esteemed in all the relations of life, discovered that his daughter, an interesting girl of fifteen years of age, had been seduced. She con-fessed her guilt, and dlvulged the name of Newton Guthridge as the author of her ruin. Guthridge was a tenant farmer on the lands of Mr. Parkinson, a young man of about twenty-five years of age, rather good-looking and had hitherto borne an unblemished reputation. He had been about the homestead more or

He had been about the homestead more or less for a year past, and was engaged this spring in putting in a crop on shares. Im-mediately upon learning of his daughter's ruin, Mr. Parkinson armed himself with a revolver, and proceeded in hot haste in search of Guthridge. It was about seven o'clock in the evening, and the young man was in the barn putting up his team. Mr. Parkinson called him to the door and shot him down. Three balls took effect, killing him instantly. After committing the bloody deed he announced himself pre-pared to abide the law and made no effort to escape. The affair has created intense excitement in the neighborhood, where the parties are well-known.—Lafayette Courier.
