MEDICAL. THE GREAT AMERICAN DEODORIZER AND DISINFECTANT.
This article owes its peculiar value as a DEODO-RIZER to the fact that it decomposes and destroys all noxious gases and vapora that are given off from putrifying animal or vegetable matter.

DR. W. E. A. AIK IN. Professor of Chemistry in the University of Maryland, says: "For an efficient and reliable Decdorizer and Disinfectant, always ready for use, and not liable to any change, equally valuable in the sick room and in the foul sink, it has, in my-opinion, no equal.

This opinion is concurred in by Drs. Miltenberger, Johnson, Chew, McSherry, Butler, and Dr. Van Biber, who made the report to the Mational Sanitary and Quarantine Convention of 1839, says:
"It is the best decdorant of which I have any know-ledge:
"Artf. It syldently answers the nurspace

ledge:
"First. It evidently answers the purpose.
"First odorless itself.
