founded, and maignant accusation made agalast him by a conscientious refinal to find any indiciment against him which is not supported by the law and the evidence. The duites of the Grand Jury are large and compre-hensive; they extend to every offence against the criminal laws of the Common wealth; such as offences against public justice, against the public peace, against the public health, and to criminal offences against the persons and property of your fellow-citizens and others. Besides your action in bills of indicament, you have powers of an inquisitorial character, which you former eminent Judge of this Court, in speaking of these powers and "they may be cretched if the court of its own motion should call your attention to and direct the investigation of matters of general public interest, which from their nature and operation in the entire community, justify such later-vention, such as great riots this take the accial fa-bric, general public nulsances. affecting the public the life, Another form of proceeding is by the presentment of the Grand Jury. A present-tered property speaking, is the notice then property speaking in the solid of the commowealth. Like an indictiment, however, it must be the act of the whole jury, not less than their own knowledge of observation without any bill of indictment laid before them at the suit of the commowealth. Like an indictment, however, it must be the act of the whole jury, not less than they all of indictment laid before them at the suit for the public accusser, and except that it wants technical form their own knowledge of observation without any bill of indictment laid before them as the suit of the commowealth. Like an indictment, however, it must be the act of the whole jury, not less than twelve concurring in it. It is in fact as much a criminal accussion as an indictment, browere, it must be the act of the whole jury or any different there of isempowered to administer the requisite oaths of the grand lary; but now, by act of the legisla-ture, the formant

for this purpose: and allock the Court, which will ad-vise you in any matter of law in which you may re-grade such suggestions to you as the public business "The defand Jury has power also over the costs in the defand Jury has power also over the costs of evident of the bill of indictment shall be returned "la-corded, if the bill of indictment shall be returned "la-ter than cases. In all prosecutions, cases of selony ex-cepted, if the bill of indictment shall be returned "la-return, cases. In all prosecutions, cases they direct the protecutor to pay the costs of prosecution; and the urand Jury of determining, in case they direct the return. As the business of this term, as of all terms of this Court, is large, you will please proceed, gentlement of the Grand Jury, with as much diligence as is con-ortine, and the constables were ordered to make their returns on Monday net. "The petil jurors were discharged until to-moring monwealth, at the relation of the Northern Home for Friendiess Children, vs. Margaret Curran. This was a habes corpus to obtain the custody of John McDer-not and Margaret McDermott, minor children of Morthern Home in 1864. Defendant, Margaret Curran was their aunt. It appeared that the mother was some was ince left a widow with three children, was do not her care by drinking to access. This finally led her to release her children to the "ordered" in Octo-ter, 1864. Two of them were sond after wards provided with god places in the constory and the mother was some in structed at the Southern Home. The unch pleased with them. The other "Home" in Octo-er, 1864. Two of them were sond afterwards provided with you was instructed at the Southern Home. The mother then went to live as service. The unmaried at her shier's placing the children, at the "Home." in was instructed at the Southern Home. The mother then went to live as service, the aunti-the her splied to the Home, the distance of the same and was instructed at the Southern Home. The souther Home, and dismissed the wit. The aunti the
