"The undersigned, although not sharing all the points of view developed in Mr. Motley's note, is nevertheless in a position to announce to him that that in consequence of the above-mentioned considerations, the necessary measures have been taken in order to suspend the departure of the newly enlisted volunteers for Mexico.

Count Mensdorff, on May 30th, says in

the conclusion of his reply:

"In the firm conviction that the Cabinet of Washington will see, in this proceeding of the Imperial Government, a further motive to persevere in its neutral attitude towards Mexico, as well as a new proof of the sincere desire of the Imperial Government to keep off all that could act unfavorably on the relations of both countries; the undersigned avails himself, &c.
