of the worst disorders that afflict mankind arise from the corruption that accumulates in the Blood. Of all the discoveries that have been made to purke it out, none can equal in effect HELM BOLD'S COMPOUND EXTRACT OF SARS APARILLA. It cleanses and renovates the Blood, instils the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the blood. The trial of a single bottle will show to the sick that it has virtues surpassing anything they have evertaken. sick that it has virtues surpassing anything they have evertaken.

Two table sponnsful of the Extract of Sarsaparilla added to a pint of water is equal to the Lisbon Diet Drink, and one bottle is fully equal to a gallon of the Syrup of Sarsaparilla, or the decoction as usually made.

My Extract Sarsaparilla is a Blood Purifier: my Ex-ract Buchu is a Diuretic, and will act as such ir all cases.

Both are prepared on purely scientific principles—in worder—and are the most active of either that can as made. A ready and conclusive test will be a comparison of their properties with those set forth in the observed works. lowing works:
