SUDDEN WEALTH .- The Newburyfort (Mass.) Herald says that one day last week a hard-working young man of that place received a letter from New York, announcing the death of an aunt who left a large estate, a full half million of which will come to him. He appears to be a very sensible as he is an industrious and temperate man and on receiving intelligence completed his day's work as though nothing had hap-pened, and after having been to New York to confirm the facts in the case, has returned to his daily labors, which he will continue till the administration of the estate is com-pleted.

GEN. SHERMAN'S OPINION OF BRAG GARTS. Gen. Sherman gives this hard hit at the innumerable "heroes" who are to be seen, and especially heard, in public places all over the country just now: "It is amus-ing (he says) to observe how brave and firm men become when all danger is past. I have noticed on the fields of battle that brave men never insult the captured or mutilete the noticed on the helics of battle that brave men never insult the captured or mutilate; the dead; but the cowards and braggarts always do. Now, when the rebellion in our land is dead, many Falstaffs appear, to brandish the evidence of their valor, and seek to win applicate and to appropriate honers for deeds that never were done." inst for this port.

From Washington.

[Special Despatch to the Bulletin.] WASHINGTON, October 26th.-Generals Grant and Sherman were in conference with the President to-day at an early hour, It is said that it relates to both military and political matters.

You may rely upon it that Secretary Stanton will not leave the Cabinet unless forced to do so.

It is more than probable that all the talk about Mexico will end in smoke. Several new candidates have appeared within the last few days for the Surveyor-

ship of Philadelphia. Secretary McCulloch has notified the President that he is decidedly opposed to making any more changes in his depart-

OITY BULLETIN.

CHARGED WITH PERJURY .-- Pat Lanegan and Robert Hodges were arraigned before Alderman Beitler, yesterday, toon the charge of perjury. The complainant was Lieut. John G. Loveaire, of the Ninth Dis-trict Police. It appears that two or three weeks ago the accused were arrested for dynkenness, and as is usual with prisoners, their valuables were taken from them and retained until they got sober. A day or two after the affair Lieut, Loveaire and three of his officers were arrested and aboved with the loveance of \$100 below. charged with the larceny of \$100 belonging to these men. It was sworn positively that Lieut. Loveaire was behind the disk and received the money. He showed conclusively that he was in bed at the time he was alleged to have taken the money, and the charge was dismissed by Alderman Hurley. Then Lieut. Loveaire entered suit against Lanegan and Hodges. They were held in \$1,500 bail for their appearance at Court.

COURTS.

OYER AND TERMINER - Judges Allison and Peirce.—Gilbert Weitman was put on trial this morning charged with causing the death of Daniel Ringler. The defendant and deceased were neighbors in St. John street, near Poplar, and on Sunday afternoon, Au-gust 12th last, got into a quarrel at Ringler's door. Weitman made a remark about ob-taining a second wife, and Ringler objected taining a second wife, and Kingler objected to the language being used in the presence of his daughter. Weitman retorted that Ringler was a fool if he considered that he had been insulting. This led to a retort, and Ringler proposed to fight. The parties engaged in a scuffle, and both fell to the ground heavily. Weitman on ton with his breeze are heavily, Weitman on top with his knees on Ringler's stomach. The men were separated, and Ringler, who was in ill-health, was found to be injured. He died in two days, and a post mortem examination dis-closed the fact that his bowels had been ruptured. The case is on trial.
