A GIRL IN MALE ATTIRE-SHE IS CHARGED WITH ROBBING A PRIEST.— Mayor McMichael had before him this morning two individuals charged with high-way robbery. One was a young man and the other a girl dressed in male attire. It seems that about ten days ago Rev. A. M. Grunder, a Catholic priest, was called to see a sick woman in the neighborhood of Second and Morris streets. The night was rather dark and he inquired the way of a couple of persons whom he met. These individuals followed him very stealthily and suddenly appearing before him, demanded his valuables. Mr. Grunder mentioned his station in life and his object in being out at that time, but it had no effect. He was obliged to hand over his pocket-book. He says that the robbers

book. He says that the robbers resembled the prisoners and they were committed. The young man states that he met the girl in saltimore, and that he dressed her in male attire and brought her to the city. He took her to his mother's house, and represented her as a young friend, and her sex was not noticed. He gave her a billy to protect herself during the day while he was away, and this weapon was found on her person when arrested. The girl says that she is sixteen years of age. She is large and well built, but by no means very prepossessing in appearance. She belongs to this city but ran away from home about three years ago, and has since been leading rather a checkered life. She wore a long rough looking fire coat, and her get-up gave her a decidedly rowdy appearance. Her voice, however, was sufficient to expose her

BURGLAR CAPTURED .- August Johns. alias Walker, was arrested, yesterday, by Constable William Myers, of the Twelfth Ward, assisted by Officer Houck, of the Eleventh District, and was taken before Alderman Toland. He is charged with burglary, in having entered the dwelling of Mr. Joseph Mills, No. 461 North Fifth street, a about ten days ago, and stealing therefrom quantity of silver-ware. Johns called at the house and made some inquiries about silver-ware, and was shown various articles. At the time it was noticed that he acted strangely, looking suspiciously about the room, and after he left a key which had been lying on a table was missed. With the key he is supposed to have entered the promises. Johns was to have entered the premises. Johns was committed in default of \$2,500 bail for a

further hearing.

The prisoner resides on Green street, below New Market, and after his arrest his house was searched. Numerous articles which are supposed to have been stolen were found. There were also found about 100 skeleton keys of all These articles are all at the office of Ald. Toland.

SAFE BLOWING-A HOUSE DEMOLISHED. -This morning about one o'clock, Heston's coal office on the Pennsylvania Railroad coal office on the Pennsylvania Railroad near Hestonville, was destroyed by burglars. The fire proof was turned over on the side and the key hole was filled with power. A slow match was fixed, and in due time there was an explosion. The thieves, however, had overdone the thing. There had been used powder almost sufficient to blow up a seventy-four gun ship. The report shook the whole neighborhood, and was distinctly heard on this side of the Schuvlkill. The door of the this side of the Schuylkill. The door of the safe was blown through the roof of the building and fell several yards off. After arriving at the house this morning Nell and Jeffries got into a dispute with White about some money. Nell pulled out a pistol and handed it to Jeffries, with the remark—"Shoot the i" Jeffries is then alleged to have fired. The ball from the pistol entered the side of the mouth of White, and came out behind the jaw. The wound is painful, but is not considered dangerous. SHOCKING TRAGEDY.

A Boy in Nashville Shoots the Agent of the Associated Press for the Seduction

[From the Nashvirle Dispatch, Oct. 23.] Yesterday afternoon, shortly after one o'clock, Charles M. W. Bent, who is very generally known in Nashville, and for some eight or nine years past a resident of the city, was shot in Cherry street, near Union, by a young man named Hugn McGavock. The affair was the result of a bit of scandal which transpired in Louisville, and was which transpired in Louisville, and was published in the papers of that city about a week ago, implicating the mother of the latter in connection with Mr. Bent. The occurrence is one of those sad episodes in society with which the journalist occasionally has to deal. Without, however, reproducing the story detailed by the Louisville papers, we shall give only the particulars of the melancholy result which transpired yesterday. About one o'clock, as above stated, Mr. Bent came out of Cone's bookstore, on Cherry street, and in comstated, Mr. Bent came out of Cone's bookstore, on Cherry street, and in company with a young man named E. P. Thompson, connected, we believe, with the tax office, turned up towards Union street. He bad gone but a few steps, however, before he was confronted by McGavock. That gentleman stepped out of the ice-house, just across the alley, pushed Mr. Bent from the pavement, probably to get him clear of Mr. Thompson, with whom he was walking, and then, drawing his revolver, fired. Not a word was sooken by either party. Mr. Bent, Thompson, with whom he was walking, and then, drawing his revolver, fired. Not a word was spoken by either party. Mr. Bent, after receiving the shot, walked leisurely across the street in an oblique direction, never once looking back, and was continuing his way up Cherry street when McGavock fired again. Mr. Bent then ran to the corner, turned up Union street and continued his accelerated page until he resched tinued his accelerated pace until he reached the alley just terond Curry's undertaking e tablisment, where he fell dead. McGayool after firing the second shot, ran up to Union street and was about to shoot again, but was prevented by the cries of several persons, who called loudly for him to desist. He then turned down Cherry street, where he was met a moment or two afterwards by officers Conley and Mansfield, who took him into quantidy.

The body of the unfortunate Bent was taken into Mr. Curry's shop, where an examination showed that both shots had taken effect, the first entering the left arm, near the shoulder, and passing through the chest in: o the lungs; the second in the left side, entering from the back, and passing but a few inches below the nipple, severing the left ventricle of the heart. Either would

have proved fatal. Much excitement was produced by the occurrence, and a large crowd was collected about the establishment of Mr. Curry. where the body was carried. The Coroner was notified and an inquest was held, which resulted in a verdict in accordance with the above facts.

An examination of Mr. Bent's person showed that he had two pistols in his pocket—one a small Sharp's four shooter, the other a Smith & Wesson—and why he acted

other a Smith & Wesson—and why he acted thus passively, under the circumstances, is perfectly unaccountable.

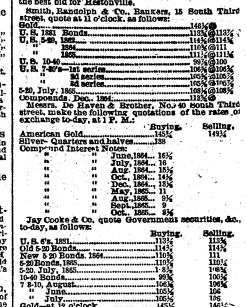

Mr. McGavock, after being arrested, was taken before Squire Wilkinson, and there appearing no prosecution, he was released on \$5,000 bail, James Sloan and Jacob Mc-

Gayock entering upon the bond, PARRICIDE IN ILLINOIS.—A horrible murder was committed in Augusta, Ill., last week. Jesse Rose was killed by his son James, aged nineteen, who afterwards cocfessed his guilt and declared that his mother had instigated the deed. It appears that the father, Jesse Rose, had been in the habit of drawing the money his sons had earned by their labor in the neighborhood, earned by their labor in the neighborhood, and said he was going to draw some forty-five dollars, due the eldest son—who is nineteen years old—on Friday last. His son told him if he did he would kill him. The father went to a spelling school on that day, but did not get the money. The son, however, supposing he had got it, by his mother's instigation, and accompanied by his younger brother, hid behind a stump, near some bushes, by which his father would return, and struck him with an axe, knocking his brains out, and then cut his throat with a butcher knife.

Burglary in Clabion County.—On Monday night last some burglars broke into Monday night last some burglars broke into the store of Samuel Wilson, at Helen Furnace, Clarion county, Pa, and stole some fourteen fine coats, one new overcoat belonging to Mr. Wilson, some carpet bags and other goods, amounting in all to the value of four or five hundred dollars. Pursuit was made after the scoundrels, but as yet they have not been arrested. Some of the goods were found scattered along the road they had taken. road they had taken.

The Fenians. BUFFALO, Oct. 27.—An appeal is published in the morning papers here for a mass meeting of Fenians at St. James Hall, on Sunday night. The following is the concluding part

of the appeal: Irishmen! the English Government is about to re-enact on American so I its deeds of blood. Irish patriots are about to be sacrificed on the altar of English despotism! Can you, will you bear it? or will you rise in your might and trample your enemy to the dust? Americans! a citizen has been condemned to death for treason to a foreign Government. Are our Naturalization Laws null and void? Has the war of 1812 been fought in vain? Is America to be republican or despotic? Come and answer.

MONTREAL, Oct. 27.—The newsthat Lynch. the Fenian, has been sentenced to death at Toronto, causes much discussion here The Witness newspaper is not in favor of carrying out the sentence, as there was no evidence that he actually committed murder, and his crime was purely political, Another large lot of war material has arrived from England.

TORONTO, Oct. 27.—The other Fenian trials will not probably commence before Wednesday next. Mr. McKencie who is retained by the American Consul to defend such as are American citizen, not being ready for trial.
