BALTIMORE, Nov. 3.1866.—The excitement here is rapidly increasing. No troops have vet arrived, but it is understood that there is a considerable force in the neighborhood! The new Commissioners are expected to make a formal demand, first for the surrender of the station houses, books, &c. If they are refused they will then call upon the Sheriff to give them forcible possession. All is quiet so far. A very large force of police are at all the station houses and at the Marshal's office.

[SECOND DESPATCH.] BALTIMORE, Nov. 3.—The new Commissioners appeared at the Marshal's office at half-past 10 o'clock. They were admitted by the guard within the enclosure, and pro ceeded to the door of the office, where they were met by the Clerk of the Board, to whom they made their demand, and requested to see the Board. This was refused, when they immediately retired, greeted, as they passed through the large crowd gathered in front of the office, with derisive laughter, by some of the friends of the old Board. [THIRD DESPATCH.]
BALTIMORE, Nov. 3d, 12.30 P. M.—At noon the new Commissioners, after being about an hour with their counsel at his office, got into a carriage bearing a document understood to be a formal demand for the delivery of the office to their pos They took a circuitous route, and after making a detour of about one mile to avoid the crowds, approached the Commissioners' office, where their appearance was the signal for tumultous demonstrations of disapproval by the now largely increased crowd. They were again admitted to the enclosure, and at the door of the office were met by the Clerk of the Commissioners, who received their document, telling them that the Commissioners would immediately consider the matter and make their reply in writing. Messrs. Valliant and Young returned to their carriage, amid mingled groans and hootings. The carriage drove off to the corner of North and Baltimore streets, to the Conservative headquarters, where they were received with loud cheering by the crowd gathered there. It is now understood they are organizing a new force. Some five or six members of the old force resigned last night and reported to Messrs. Young and Valliant this morning.

There are reports of an arrival of troops at Harman's Bridge, on the Washington road, but the report cannot be verified. There is, of course, much excitement and deep feeling, but so far no disturbance has occurred.

#### CITY BULLETIN.

LAUNCH OF THE NEW CITY ICE BOAT. This morning, about eleven o'clock, the new City Ice Boat was launched from the ship-yard of Cramp & Sons, foot of Otis street wharf, Kensington. Quite a large number of persons were present to witness the interesting spectagle; among these were the interesting spectacle; among these were several ladies, and some of the members of several ladies, and some of the members of Councils. The new boat is an admirable specimen of workmanship, and reflects credit on the skill of the builders, under whose direction the vessel has so far progressed towards completion. A description having been furnished to the readers of the Bulletin on a previous occasion, renders it unnecessary to particularize to any extent at the present ticularize to any extent at the present time. The new boat will cost about \$100, ticularize to any extent at the present time. The new boat will cost about \$100,000, and will be 180 feet in length and 60 feet in width over the guards. The hull will be 28 feet wide and 12 feet deep. The iron plating is mainly \$\frac{1}{2}\$-inch, while the garboard streak next the keel is \$\frac{1}{2}\$-inch, and 60 feet backward from the bow is plated double, with a thickness of \$1\frac{1}{2}\$ inches. The frames are of angle iron, \$\frac{1}{2}\$ by \$3\$ inches, with reversed bars, \$3\frac{1}{2}\$ by \$3\$ inches, The floor plates are 17 inches deep, with two bars of angle iron on the top of each floor: the frames are 18 inches upright and 15 inches at the ends. The main guard beams are of iron, box pattern, composed of angle iron and plates. The vessel was decorated with American flags, which gave to it a gay appearance as it glided gracefully into the stream, amid the cheers of those present. The Delaware in front of the ship-yard was dotted with small boats, containing persons who felt desirous of witnessing the scene. This fine specimen of workmanship will be completed in time to do good service during the coming winter, and the liberality of the citizens and Councils of Philadelphia will be well repaid by the expenditure authorized for its construction. It has been suggested, among somid of the merchants of this city, that a fund should be raised among this class of citizens, for the construction of additional its bests in order to make Philadelphia and ice boats, in order to make Philadelphia an open port during the severity of the winter

TELEGRAPHIC APPOINTMENT. - Mr. R. F. Smith, for several years Assistant Chief in smith, for several years Assistant Chief in the American Telegraph Company's office, in this city, has resigned his position, and accepted the managership of the Bankers' and Brokers' Telegraph Office, No. 115 Walnut street. While we are assured the change will be advantageous to Mr. Smith, we cannot but regret the loss sustained by ourselves and the press generally by this ourselves and the press generally by this change. Ever at his post, courteous and change. Ever at his pust, courteous and affable to all. As thorough an electrician as in manners a gentleman. We congratulate the business men in the vicinity of his present location in the acquaintance of such

representative of telegraphy. HEAVY ROBBERY.-Some time during ast night the silk mill of Thomas Harp, located on Mill Greek, between Chestnut and Walnut streets, and near Forty-fourth street, was entered by burglars, who forced open the front door. The thieves made a selection of the finest sewing silk, and carried off a considerable quantity. The value of the goods stolen is estimated at \$4,000. A wagon was used in the removal of the stolen goods. Some of the silk was dropped on goods. Some of the silk was dropped on the road, and was recovered this morning.

AN UNSUCCESSFUL ATTEMPT. - About half-past four o'clock this morning an at-tempt was made to enter the dwelling of Mr. T. B. Peterson, at the southwest corner of Broad street and Girard avenue. A window on the first floor was forced open, when Mr. Peterson was aroused by the ringing of the bell of the burglar alarm telegraph. He sprang a large rattle from the window, but considerable time elapsed before a police-man arrived. In the meantime the burglar made his escape.

HENRY VINCENT.-Henry Vincent, the English orator, the cotemporary and friend of John Bright, will speak in Philadelphia, at the Academy of Music, on the evenings of the 26th, 27th and 28th of the present month. Due notice will be given of the subject of each lecture, and of the price of the tickets for the course. During the late war Henry Vincent addressed three hundred assemblages in earnest advocacy of the North, and the cause of human liberty.

TROOPS FOR BALTIMORE.—Seven hundred and fifty regulars passed through this city, at an early hour this morning, from New York, under command of Brevet Major York, under command of Brevet Major Offley and Lieutenant Robert E. Wade, for Baltimore. They were detachments from the Eleventh and Twelfth Regiments of in fantry. It is understood that they were ordered yesterday from Washington, and were despatched from David's Island in much heats much haste,

An AGED THIEF .- A man named Henry Hyde, who says that he is seventyyears of age and walked with a cane, went into a store on Fifth atreet, below Callowhill street, and took possession of a hat without the permission of the proprietor of the establishment. He was arrested and after a hearing before Alderman Toland was sent

STREET WALKERS.—Last night Chestnut and Walnut streets were pretty free of the women who generally promenade at late hours. The recent order of the Mayor to the police has had a good effect. Three or four of the street walkers were captured on Walnut street, and were committed by Alderman Swift.

LARCENY .-- A young man named J. H. Bane was arrested yesterday, for the larceny of a keg of white lead from the drug store of J. W. Simes & Co., at Twenty-first and Mar-ket streets. He was taken before Alderman Jones, and was held in \$400 bail, to answer

IMPOSING CHURCH CEREMONIES. - The Forty Hours' Devotion commences to-morrow morning, in St. Michael's Catholic Church, Second street, above Master, and the ceremonies will be very impressive. At the late service, at 10! o'clock, a Grand Mass will be sung by a full choir. SERIOUSLY BURNED.-Last evening about

seven o'clock Bridget Moran, residing on Mechanic street, in Manayunk, was seriously burned about the body by her clothes taking fire accidentally. Her recovery is considered very doubtful. THE SOUDDER MISSIONARY SOCIETY OF the Third Reformed Church, Tenth and Fil-

bert streets, will hold its anniversary on Sabbath afternoon, Nov. 4th, at 3 o'clock. An interesting and profitable service may be expected. A FUGITIVE.—George Benson, a young colored man, was arrested last night in St.

Mary street upon the charge of the larceny of clothing, &c., in Chester county. He was locked up at the Fifth District Police Sta-MALICIOUS MISCHIEF. David Dougherty

was arrested yesterday, at Chestnut street wharf, for malicious mischief. It is charged that he hurled a large paving-stone at a youth. He was held in \$500 ball by Alderman Beitler. THE "SLINGS."—Several more boys were

arrested yesterday in different parts of the city for throwing stones with "slings," They were all held to bail.
