AN UNLUCKY ADMIRAL.—Admiral Tegethoff, of Austria, has been dismissed the service for sailing his vessels contrary to the Austrian rules of navigation but the most lucky Admiral Tegethoff we know of is Admiral Semmes, who got of from Captain Winslow in an English yacht. The best things "to get off" or on either are the ready-made garments at Charles Stokes & Co's one-price clothing house under the Conthental. To-Morrow in Campen—To-morrow will be an important day in Camden as well as throughout the State. The election is one which is of vital consequence to the people,

and big with importance to all concerned.
The Union Republican ticket, is composed of true and tried gentlemen, those who have never aided and abetted treason in any shape or form, but have, on the contrary, given largely of their means; efforts, time and labor to assist our brave volunteers in the field while fighting the battles of their country against the hosts of secession. Against them the Copper-Johnsonites have made mongrel or hybrid ticket, representing a principle incompatible with the future in principle incompatible with the future interests and safety of the Government. This ticket it is the duty of the Unionists to defeat. They ought to go to the polls early, and see that no cheating is carried on by their opponents. They should not fail to make preparations for getting out every voter. Let vehicles be engaged to convey the old and enfeebled to the polls, so that they may be enabled to speak their sentiments at the ballot-box against the usurpation and fatal policy of Andrew Johnson. There are a number of such persons in Camden, and they ought to be attended to without fail. Close scrutiny should also be observed so that every person shall have a fair chance to deposit

person shall have a fair chance to deposit his vote, and that no one entitled to it shall be deprived of voting on any technical grounds. Men well versed in the laws congrounds. Men well versed in the laws concerning elections should be placed at all the polls to see that no one shall be unfairly challenged and deprived of his vote. If this is done, there is little doubt but that the entire Union ticket will be successful. No moment should be lost from the time the polls open at 7 o'clock in the morning until they close at 4.53 in the afternoon.

A BIG TURNOUT,-The Republicans of A Big Turnour.—The Republicans of a tlantic County on Saturday afternoon held a mass meeting at Absecom, which was larger than any ever held at that thriving village. Delegations from the settlements and hamlets for miles around the country poured into the place with vehicles gayly and appropriately decorated with evergreens flowers and force about two thereof flowers and flags. About two thousand persons were in attendance, who were addressed by Ex-Governor Pollock, Hon. A. G. Cattell and others, in a forcible style. The Boys in Blue and the Citizens' Cam-paign Club, of Camden, were in attendance, and a band of music gave additional interest to the meeting. In the evening there was a torchlight procession. The people dispersed with hearty cheers for Judge Moore and the

whole Union ticket. EXTRA SESSION.—An extra session of the Courts for Camden county, for the purpose of trying appeal cases, will be held on the 15th inst., in the Court House in Camden.
