A Cabinet Meeting-Letters from Rev. Bebry Ward Beecher, General Custer, Henry J. Baymond and Hon. John Mor-

[From the Toledo Blade,] CONFEDRIT X ROADS, (wich is in the Stait uv Kentucky,) November 7, 1866.— I wuz called to Washington by our patron Saint, the President, to comfort his wounded sperit. There aint no disguisin the fact, the sperit of Androo Johnson is wounded. He hez endoored the slings and arrers uv more outrajus fortune than any other man who hez lived sence the days uv Hamlick-more, indeed, than Hamlick endoored-twict over. Hamlick's father wuz pizoned and his mother married agin afore her mournin dent woman would do; but what wuz that to wat A. JOHNSON endoors every day?-Nothin.

The cabinet meetin to wich I wuz summoned wuz called for the purpose uv sheddin a tear or two over the election returns, ard to consider a variety uv letters wich His Eggscellency hed received within a few days. I may remark that the cabinet hed

days. I may remark that the cabinet hed a gloomy and mildewed look. The just wuz from Rev. Henry Ward Beecher. Mr. Beecher remarked that he hed the bighest possible respect for the offis wunst held by the good Washington, the great Adams and the sainted Linkin. He comitted temarkin anything about Posso omitted remarkin anything about Peerce and Bockanan out uv regard for the feelins ny the present incumbent, wich, ef he hed read History correct, wuz a ardent supporter uv the Administrashens uv both of them men wich be considered stains upon the pages uv American history wich he cood wish mite be obliterated. But wat he desired to say wuz that he hed a higher regard for the good opinion uv mankind in general than he hed for the good opinion uv the accidental inbumbent uv any offis, and ez he hed in a hour uv temporary mental aberrashen, wich hed happily passed, endorsed the Ad-ministrashen, wich insanity hed worked evil unto him, he rekested ez a simple act uv justice that the President shoold cause it to be known that he (Beecher) wuz not con-sidered by the Administrashen ez a sup-

porter thereof. "I do this," said the writer, "becoz the im-pression that I am in the confidence uv yoor Eggslency, wich is onfortunately abroad, hez seriously DAMAGED MY REPUTASHEN."

The readin uv this letter wuz follered by a minit uv profound silence, wich wuz broken by the President.

"Let him pass," sed the great man who hez the despensin uv the post offisis, "let him pass. But here is another," sed he, bustin into teers, "read that."

It wuz from Gen. Custar, him uv the yal-ler hair, wich hed some reputashun doorin the war ez a cavalry commander. It wuz to the same effect. He hed when he spozd that the policy uv the President, wich he esteemed ez he must any man who held the exalted position wunst okkepied by the good Wasbinton, the great Jefferson and the sainted Linkin-

"The ongrateful dog doesn't respect M8," sed Androo, "its the offis I fill," and he bust into a fresh flood.

-----When he spozed the President's policy wuz sich eza soljer and patriot cood endorse, he endorsed it. But he diskivered that it led him, back foremost, into company which doorin the late war he had alluz visited face foremost and on horseback, and therefore to SAVE HIS REPUTASHUN. he must beg that the President wood give it out, that he (Gen. Custar) wuz not nor never hed bin a sup-

Forter uv his policy, and oblige Yoors trooly, ez before. I wuz too hart-broken at this to make any reply, and Cowan and Doolittle wuz in the same fix. The Kernelcy wich wuz given to Custar to keep him in posishen, hed bin promised to a Demokratic captin, who wuz led by a company in the first Bull Run fight, and who threw up in disgust the next day, not likin the manner in wich the war wuz bein conducted, but now the Kernelcy wuz

every one present. Mr. Seward retired without saying anything about ninety days,

uv his oneasy couch, all but the nose, which in him is the thermometer uv the sole, and which accordinly glowed, not with the yoosooal brilliant hue, but with a dull, dead and ghastly bloo. Noticin the convulsive heaving uv the kivers which betrayed the agitation uv the breast beneath, I whispered in his ear ez I handed him his nite drink uv rye whisky flavored nim his bourbon, that he hed one hold, ez Delaware hed sustained him. A flush uv satisfaction passed over his nose, but it subsided in an instant. "Troo," gasped he, "its ourn now, but before the next election a couple of them Massachusits ablishnists will buy the cussic State and re-people it to soot 'em," and he gave a convulsive gasp and sank into a trou-

bled slumber. It wuz a tetchin occasion. PETROLEUM V. NASBY, P. M., (wich is Postmaster.)

gone and Custer too, and wat wuz worse, theae wuz no sich thing to be thot uv ez dismissin him. The entire company yoonited in minglin thair teers.

The next letter wuz read by Seward ez it wuz addressed to him. It wuz from Ray-mond. He opened with the remark that for the Presidential office, he hed the highest respeck. Aside from the considerashen that it hed bin wunst okkepied by the good Washington, the great Adams, and the sainted Linkin, the President mite be considered the Father of his country, hevin so large a number of helpless children to pro-vide for, and besides he hed a instinktive respeck for the dispenser of anything. It was difficult for him, bein a open and sim ple minded man, not to adhere to the President, but-

'Good Heavens!'' shreeked Johnson, that little fox aint a goin to speak uv HIS reputashen?

"Dooty requires the reedin uv the entire dockeyment, painful to my feelins ez it may be," sed Seward. "He concloads thusly:" "I am forced to ask yoo ez one enjoyin confidenshel relations with Him who occuont that I stand in opposition to him. A doo REGARD FOR MY BEPUTASHEN impels me to this course." I remain, Yoors Trooly.

Yoors Trooly. There wuz 2 or three more. Gen. Carey, uv Ohio, requested the President to remove him from his Collectorship, ez the holdin uv it wuz injoorin his reputashen; a editor out west, who wuz sedooced into takin a Bost Offis, begged to hev it taken off his hands, that he might save his circulashen before it wuz avariasting too late; and before it wuz everlastinly too late; and finally we come to wun the seal uv wich

finally we come to wun the seal uv wich wuz a coat uv arms, bull dog rampant, bowie-knife couchant, supported by trottin horses, on a field uv green cloth. It wuz from Hon. John Morrissey, who hed jest ben elected to Congress in Noo York. Mr. Morrisey remarked that ez one uv the pillars uv the Democrasy, he felt he hed a rite to speek. He wished it to be under-stood that he washed his hands uv any con-nection with Johnson or his party. He hed seed a lite. In states where the Democrasy nection with Johnson or his party. He hea seed a lite. In states where the Democrasy, uv which he wuz a piller, hed tied them-selves to Johnson, they hed gone down to a prematoor grave. Respeck for the high offis restrained him from sayin that the De-mocrasy coolent carry sich a cussid load. mocrasy coolent carry sich a cussid load, but he would say that the result of the elecbut re would say that the result of the elec-tion in Noo York, where they depended solely on muscle and nigger, wich is the reel Democratic capital, and succeeded. while where the Democrasy wuz loaded down with Johnsonianism they failed, satis fied him that the President wuz a inkubus. He sed this with all doo respek for the offis. Mr. Morrissey further re-marked that he hed also personel reasons offis. for makin this request. He commenced in a humble position, and hed filled the public eye long enuff to satisfy his modist ambi-shen—he hed walloped Sullivan and Heenan —he hed owned the fastest horses and won more money at faro than any man in Ame-rike. His ambiblion than any man in Amemore money at faro than any man in Ame-rika. His ambishen wuz satisfied as far ez he wuz concerned, but he hoped to leave be-hind him for his infant son (wich wuz only twelve years uv age and wich hed a devel-opment uv intelleck and muscle remarkable for one so tender, hevin already walloped every boy in the skool to wich he wuz a goin), he desired to leave that son a honorgoin), he desired to leave that son a honor-ble name. It hed bin given out that he wuz ble name. It ned Din given out that ne wuz a supporter uv the individooal who okke-pied the Presidenshel offis, and it wuz in-joorin him. He wished that stigma re-meved—a REGARD FOR HIS REPUTASHEN

 The twenty-fifth annual meeting was held yesterday afternoon. Robert Morris, Esq., was called to the chair, and Wm. A. Rolin was appointed Secretary.
Wm. C. Ludwig, Esq., President, on be-half of the Board of Managers, presented the annual report, from which it appears that since the last annual report 69 annual and 1 life member have been added to the list and one transferred from annual to life list, and one transferred from annual to life membership. During the same period there were 14 deaths, 2 resignations, and 95 stricken from the roll for not complying with the rules of the Society. The Associa-tion at this time is composed of 83 life, 572 annual, and 1 honorary member, making a total of 656; The receipts for the past year amounted to \$3,062 75, and the expenditures to \$2,132 92. The investments now held by the Society amount to \$20,586 85. The following Board of Managers was

CONTOLLERS OF THE PUBLIC SCHOOLS .-CONTOLLERS OF THE PUBLIC SCHOOLS.— A stated meeting was held yesterday after-noon. Messrs. Thomas A. Grace, 12th sec-tion; Wm. O. Kline, 17th section, and Chas. W. Carrigan, of the 25th section, were qual-ified as members. A number of communica-tions asking for the rental of buildings for school purposes, and for appropriations for furniture, were received. The Boys' High School Committee reported that they had had under consideration the propriety of in-troducing a more practical plan of education in the High School, and making its charac-ter better adapted to preparing its students for the business walks of life; have intro-duced commercial calculations and busi ness forms; that having more puplis

duced commercial calculations and busi ness forms; that having more pupils in the school than the present number of Professors could instruct, they have deemed it expedient to establish another Professorship, to be styled "Professor of Commercial Calculations and Busi-ness Forms," as recommended by the Fa-culty of the School. The report was adopted and Mr. D. W. Bartine was elected to the Professorship established. The election of several new teachers was confirmed. Ad-iourned. journed.

YOUNG PEOPLE'S ASSOCIATION, -The Fourth Anniversary of the Young People's Association of the Fifth Baptist Church, Eighteenth and Spring Garden streets, took place last evening. The church was crowded. The Rev. J. B. Simmons, pastor of the church, and the Rev. J. H. Castle, D. D., officiated in the opening exercises. The an-officiated in the opening exercises. The an-nual report was read by the President of the Association, J. H. Eidredge, Esq. From the report it appears that the Association numbers 220 members, male and female. The members distributed during the year 50.000 pages of religious, and 4.00 of fem. The members distributed during the year 50,000 pages of religious, and 4,000 of tem-perance tracts; also made 900 missionary visits and distributed clothing to some 200 needy persons. The Sunday schools, which four years ago numbered but 130 pupils, now number 975, besides an adult Bible school of 300, which holds its session every Sunday. An supromises address was do Sunday. An appropriate address was de-livered by the Rev. Robert Lowry.

FENIAN MEETING .- Last evening a meeting of Fenlans was held at Fifth and Prune a supporter uv the individooal who okke-pied the Presidenshel offis, and it wuz in-joorin him. He wished that stigma re-forced him to insist upon it. And this epistle wuz dooly signed his JOHN × MORRISSEY, M. C. There wuz silence in the Cabinet.
