The Fenian Trials. TORONTO, Nov. 15.—The Fenian trials, which have occupied the attention of the court during the past eleven days, will close temporarily on Saturday next, as the court will not sit during the term. It was at first supposed that such of the prisoners as had not been brought to trial before the Court rose would have to await their trials at the January assizes, but it is probable an arrangement will be made by which they will be brought before the Court sooner. A special commission is expected to issue in a few days for holding these trials immediately after the term closes, a fortnight from next Monday. It will be Mr. Justice Hagarty's turn to take up the business at that time. Two Fenians were discharged from custody yesterday, sufficient evidence to place them on trial not being forthcoming; and two more will be discharged to day for similar ressons.
