A BRUTAL FELLOW .- A young man named Edward Piott, residing opposite Manayunk, in Montgomery county, recently had a difficulty with his father and then threatened to kill him. Last evening, the elder Piott and his daughter, were returning home, and just after crossing the bridge, at Manayunk, they met Edward. The latter at once commenced an assault upon his father. He knocked him down and then kicked him. Miss Piott interfered, when Edward went to a wood pile, and getting a club began to beat his father on the head Old Mr. Piott was badly injured, and last night it was thought that he could not survive. The assailant was arrested by a citizen, and was taken to Manayunk. He was arraigned before Alderman Ramsdell and was committed for a hearing at Norristown.

DISHONEST DOMESTIC.-Mary Jackson, a colored girl, 15 years of age, was employed as a servant in the house of Mr. Mulford, at Chestnut Hill. On Saturday Mary broke open a bureau drawer, abstracted two watches and \$457 in money and left. The robbery was discovered, and Officer Benson arrested the alleged thief in the cars as she arrested the alleged thief in the cars, as she was about to come to the city. The stolen articles were found in her pocket. The prisoner was taken before Alderman Stallman and was held in \$1,000 bail for trial.

HEAVY ROBBERY OF BONDS.—The dwelling of Mr. George Retzel, No. 1004 Lemon street, in the Fourteenth Ward, was entered last evening about nine o'clock, while the family were at church. The entrance was made by means of false keys. The premises were completely ransacked, and in one of the bureau drawers the thief found \$1,200 in Government bonds, which he carried off. Nothing else of any value was taken.

Fifteenth and Columbia avenue, between the celebrated Champion and Would-Be clubs The match is for the benefit of the Treasury of the Spring Garden Soup Society. The recent match between these clubs netted last week, fifty-six dollars, which amount was doneted to the Movamensing Soup Society.

DEATH OF A MERCHANT.-Mr. George B. Reese died at his residence, in this city, at an early hour this morning. He was well known to the mercantile community, having been one of the oldest importers of dry goods in the city. He was a man of strict integrity and close business habits. His death will be generally regretted by the merchants as well as by a large circle of friends in private life.

SPLENDID PRESENTS FOR THE HOLIDAYS
—SILVER PLATED WARE.—Every family uses one or more articles of Silver Plated Ware, and it is desirable that they should know where they can be procured of the best quality at the lowest price. We desire to call the attention of our readers to the fact that the old and well-known establishment at the N.E. corner of Ninth and Chestbut streets, has constantly on hand the largest and most desirable stock of silver Plated Ware in the United States. It owes its superiority to the fact that it is manufactured in the establishment, where superior artists are constantly engaged in producing new, unique and beautiful designs. All the members of the old firm of john O. Mead & Son are to be found here, and all articles are made under their immediate supervision. Especial attention is given too the manufacture of herd metal goods, silver soldered, which are fully equal in exquiette finish great durability and elaborate design to the far-famed Sheffield ware. It has always been the endeavor of this firm to offer at all times nothing but the most desirable and reliable stock, Purchaters will, therefore, find it to their interest to deal with an establishment which sells an article remarks be for uniformity of quality and perfection of inish, which, when the amount of silver used is considered, is decidedly the cheapest in the city. Let everybody who wants a really first class article, call at the northeast corner Ninth and Chestbut streets.

George Francis Train.—We learn, says SPLENDID PRESENTS FOR THE HOLIDAYS

GEORGE FRANCIS TRAIN.—We learn, says the Chicago Republican, that Mesars. Scott, Thompson Perry, and other parties associated in the construction of the Kansas branch of the Union Pacific railroad have just paid George Francis Train fifty thousand dollars of the three hundred and fifty thousand due him as commissions in earlier negotiations of that en-terprise. George seems to have made a "good thing" of his railroad speculations, about as good a one as the great Coal dealer, W. W. Alter, of 957 North Ninth

reet, and Sixth and Spring Garden streets. MRS. CABOLINE S. BEERS, of 242 Eighth venue, New York testified before the Commissioner of Patents as follows:
Q.—from your experience in family Sewing Ma-

avenue, New York testified before the Commissioner of Patents as follows:

Q—From your experience in family Sewing Machines, and the work thereof, state your preference, how decided it is, and add any reasons that occur to you?

A.—The preference is decidedly in favor of the Grover & Baker; because it is, so simple that a chil; can use it, and for the heauty durability, and elasticity of stitch, which I know to be superior to any other, having tried the shuttle stitch would break and run, the seam sewed by the Grover & Baker remained firm. I have done all kinds of family work, from the slightest fabric to the heaviest tucking, and nehming of very thin, light materiat, such as Swiss muslin, slik, doth, cloak-making and dress-making; in dress-making I have sewed the whalebone in stitching the belt on to the waist without putting the machine out of order in the slightest. During the twelve years it has never been repaired. There is no occasion for taking it apart for cleaning, or in changing from heavy to light or light to heavy work; it is always ready for 1989.

SOME FACTS ABOUT "FALLING STARS."—
Although the "stars" did not sheot and fall as the philosophers and newspapers said they would, yet "stars" do fall, as every one knows. "Stars" in statesmanship fall; "stars" in all professions, even in temperance, sometimes lose their gravity, and do what they should not; but some things do not fall, and among them are Charles Stokes & Co., in their prices for their cheap winter ciothing, from the price that is marked on the goods, at their Ready-made Clothing Store, under the Continental.
