[To the U.S. Associated Press.]
SENATE—(Continued from our Third Edition.)

Mr. Pomerov (Kansas) introduced a bill to equalize the value of the currency of the United States.
On motion of Mr. Williams, the Committee on Foreign Relations were instructed to enquire into the expediency of prohibiting the emigration or importation of Chi nese into the United States. . The bill for the admission of Nebraska

was taken up.

(By the United States Associated Press.]

(By the United States Associated Press.]

On motion of Mr. Stevens (Pa.), the Senate amendments, to the Deficiency bill were taken from the Speaker's table and concur-

on motion of Mr. Ward (N.Y.), the Secretary of the Navy was directed to communicate a statement of the amounts charged to the State Department since the 1st of May, 1865, for services rendered by naval yessels. The house proceeded in the morning hour to call on the committee for reports.

The bill reported yesterday by Mr. Mc.
Ruer, from the Committee on Public Lands,

to amend the act granting lands in Oregon to aid in the construction of a military road from Engene City to the eastern boundary of Oregon, was taken up, read the third time and by a vote of yeas, 79, nays 20, passed.

Mr. McRuer (Cal.), from the Committee on Public Lands, reported a bill granting lands to aid in the construction of a military wagon road from Dallas City, on the Columbia river. The bill was explained and advocated by

Messrs. McRuer and Henderson, and op-posed by Mr. LeBlond, who said that the quantity of public land given away for private purposes had become alarming. On motion of Mr. Thayer (Pa.) an amendment was inserted that the grant made by the bill should not embrace any mineral

Inds of the United States.

The bill was passed—yeas 76, nays 37.

Mr. Driggs, from the same committee, reported a bill to amend the act of March 31, 1863, granting land to Kansas for railroad purposes. It authorizes the construction of any portion of the Atcheson, Topeka and Santa Fe railroad, in a way suitable for the use of a steam traction engine, with its train of cars, and reduces the grant of land from ten sections per mile, to five sections. The bill, after some debate, was recommit-

Mr. Holmes from the same committee re-ported back the bill to amend the second section of the act, to authorize the legisla-ture of Illinois, Arkansas, Louisiana and Ter nessee, to sell school lands. The bill proposes to permit these legislatures to lease for fifteen years the mineral lands contained in the grants.

Mr. Ashley (Ohio) said he should not vote

for any bill recognizing any of those rebe Legislatures or bogus States He suggested a provise that the act should not apply to any of the late rebel States.

The amendment was agreed to, and the bill passed. bill passed.
Mr. Ashley (Ohio) offered a resolution to pay to Messrs. Arnell, Campbell and Hawkins, members from Tennessee, mileage for the last session. He said they had been in attendance during a part of the session before the State was admitted. Referred to the Committee on Mileage.

On motion of Mr. Julian, the Committee

on Public Lands was instructed to inquire into the expediency of amending the Homestead act, so as to require from the settler ac oath that be had not borne arms against the United States
Mr. Ingersoll offered a resolution in re-

ference to contracts for Indian goods, which had been objected to this morning, and it was agreed to. The House then went into Committee of the Whole on the state of the Union, Mr Lawrence (Pa.) in the chair, and resumed

the consideration of the Legislative, Executive and Judicial Appropriation bill. Gold in Canada. [To the N. Y. Associated Press.]
