

CITY BULLETIN.

CITY COUNCILS.—A stated meeting was held yesterday afternoon.

Select Board.—Mr. Barlow, of the Committee of Street Cleaning, to which was referred the ordinance passed by Common Council, authorizing the Mayor to renew the contract with George E. Bickel for cleaning the streets of the northern district of the city, reported back the bill as committed to them and recommended its passage.

The ordinance passed.

From Philip Fitzpatrick was received a communication offering to rent Dock street wharf, at \$7,500 per annum.

Another was received also, on behalf of the Philadelphia, Albany and Troy line of propeller freight boats, that the lease of the wharf be put up at public auction. Referred to the Committee on Wharves and Landings.

A communication was presented by Mr. Freeman asking a continuance of the lease of certain coal lands of the Girard estate to the Boston and Maine Company. Referred to the Committee on Girard Estates.

From the Committee on Law, Mr. Wagner made a report as to what gentlemen were entitled to meet as members of Council in the first day of January, 1887. It is to the effect that the law requires the organization of City Councils on the first Monday in January in each year. It is further stated that the term of outgoing members expires on the last day of December. The committee therefore report that only those members whose terms have not expired have a right to be seated in the Chamber on the Thursday preceding to the first Monday in January. An appended resolution was as follows:

Resolved, That the meeting of Councils between the last day of December, 1886, and the first Monday of January, 1887, This was agreed to.

Mr. Freeman offered a resolution that whereas, the revenue from tavern and drinking licenses is comparatively small, and the expenses incident to a municipality are increasing, growing directly out of the effect of the promissory sale of ardent spirits; therefore the Committee on Law is instructed to prepare an act by which the right of drinking-houses shall be transferred from the revenue of the State to that of the city. Referred to the Committee on Law.

An ordinance providing for the payment of \$2,000 to Rebecca Nathans, for losses sustained by her in the opening of Broad street was passed.

Colonel Page offered a resolution instructing the City Commissioner to report by what authority certain parties are allowed to drive heavy carts into Fairmount Park to draw ice out from the Schuylkill. Adopted.

The bill making appropriation to the Department of Highways for 1887, was not taken up.

The proviso of Common Council requiring that contracts be given to the lowest bidder, was stricken out.

On motion of Mr. Barlow, item 7, for repairs to roads and lined streets, which was \$30,000, was increased to \$50,000. Agreed to.

The bill, as amended, passed.

The ordinance making appropriation to clean the streets was concurred in.

The bill from Common Council to lease Dock street wharf was postponed for the present.

An ordinance authorizing George W. Hammersley, postmaster at Germantown, to erect a wooden post-office building near the depot, for the accommodation of the people, was adopted.

Also, an ordinance permitting the erection of a wooden building at Ninth street and Columbia street, for the use of a warehouse, was concurred in.

Also, the ordinance making the annual appropriation to the City Ice Boat.

The ordinance making appropriation to the Department of the City Controller was concurred in, but so amended as to increase the salaries of the assistant clerks \$1,200 instead of \$1,000. The salaries of the Controller and chief clerk were raised from \$5,000 to \$6,000 (for both).

The ordinances making appropriation to the Department of Wharves and Landings and to the Department of Law, were concurred in.

The amendment of Common Council to the ordinance regulating passenger railroads, was not concurred in.

The bill to make an appropriation to the Water Department, as it passed Common Council, was so amended as to increase the salaries of those employees receiving \$500 to \$600.

On the question of concurring in the bill the yeas were 8 and nays 3. So the bill fell.

An oil painted portrait of James Lynd, late President of Select Council, was formally presented to the Chamber by Mr. Charles Thompson Jones.

The portrait is suspended from the wall beside that of the former Mayor, Theodore Cuyler, Esq. A series of resolutions expressing the high regard of the Chamber for Mr. Lynd, accepting the picture, and assigning it a prominent position in the hall—after very handsome remarks by Messrs. King and Freeman—were adopted.

An ordinance making appropriations to the City Controller was concurred in.

Mr. Marcus moved to amend by adding among the municipal contributions to the various churches, to the Jewish Foster Home, \$200. Adopted.

The bill making appropriation to the Commissioner of City Property was then taken up.

Mr. Kemerly moved that the item of \$6,000, to improve and repair Fairmount Park, be made \$15,000. He claimed that \$6,000 would be entirely inadequate to do the most necessary work, and would be better spent \$15,000 at once than spread twice that sum in petty instalments.

Colonel Page thought that just as much improvement would be done with \$6,000 as with \$15,000, under the management of the park is placed under the charge of a commission, the smaller sum appropriated to it the better.

The amendments passed.

The Chamber insisted upon its amendments to the Highway bill, and a committee of conference was appointed.

From their amendments to the bill making appropriation to the Department of City Controller this Chamber now receded.

The School bill, as passed by Common Council, was concurred in, with some small amendments.

The Chamber adjourned at a very late hour.

Common Branch.—Mr. Marcor presented a communication from the Finance Committee of the Trustees of the Philadelphia Gas Works, protesting against a less appropriation than \$20 per lamp for the public lighting. Referred to the Committee on Gas.

A communication was received from the Board of Directors of the Fire Department, asking Councils to stay proceedings on the Fire bill until the Board could prepare an address to the members of Council.

The matter was referred to the Committee on Fire.

A communication received from Chief Engineer Lyle of the Fire Department, announced the suspension of the Niagara and Franklin Fire Companies for being referred to the same committee.

The Chamber then passed the ordinance appropriating the annual expenditure to the Water Department, with an amendment to make the Chief Engineer's salary \$8,000 instead of \$2,500.

Mr. Miller, of the Committee on Highways, reported resolutions to pave Live, Warrack and Alter streets. Agreed to.

Mr. Stanton, of the Committee on Port Wharves, presented a report relating to the lease of the important property on Dock street wharf. The report states that the present proprietor of the wharf, when it was rented by the Pennsylvania Railroad Company, purchased the five years lease owned by that company, purchasing also the sheds

and improvements erected by that company. When that lease expired the present renters released the wharf, at public outcry, for three years. This latter lease is now about to expire, and the committee reported the following ordinance:

SECTION 1. The Select and Common Councils of the city of Philadelphia do ordain, That the Commissioners of Markets, Wharves and Landings, be and he is hereby authorized to enter into a lease of Dock street wharf, on the river Delaware, with the Delaware and Maryland Company, for the term of ten years from the time of the expiration of the present lease, at the rent of four thousand dollars per annum, payable quarterly.

SEC. 2. That the said lessee shall bind themselves, with sufficient security, to extend the pier of said wharf, at their own expense to the Port Warden's line, to extend also through the pier the sewer as of its present size and direction. The work on said extension of pier and sewer to be done within one year from the commencement of the lease, in the most substantial and workmanlike manner, under the supervision of and in accordance with the plan and specifications of the Chief Engineer and Surveyor. Provided, That said lessee shall, at all times during said term, keep the docks of said wharf clean, and the pier, wharf, and all improvements in good order and repair, without any charge to the city, until the expiration of said term, deliver possession of the property so leased to the lessors, including all improvements (except the pier and dock) in good order and condition.

Mr. Stokley stated that he had propositions from other parties offering \$7,500 per year for the same wharf.

Mr. Stanton explained the action of the committee. The lessee of the wharf are the Delaware Avenue Market Company. They own the extensive market property and sheds at the terminus of Dock street, and their property is ornamental to the city. It is also the only wholesale market open to our citizens. It supplies a want widely experienced prior to its erection, and will be more grievously imposed if the market be removed. The rent asked is \$4,000, but it will not be all that the company will expend. It will agree, and by the acceptance of the lease does agree, to extend the wharf to the warden's line. This great improvement will cost \$40,000, or a little more, and the ten years of proposed lease, will make the actual rent of the wharf to the market company \$8,000 per annum.

Mr. Hezel moved as an amendment that the wharf be disposed of by public outcry, by Moses Thomas & Sons, at 12 o'clock on January 2d, at the Exchange, no bid being left, to the highest bidder, who shall be bound to pay the amount of the bid. The amendment failed. The ordinance was agreed to.

Select Council bills were called up.

The resolution not to meet on Thursday next was concurred in.

The bill to pay R. Alexander West \$500 for photographing the meetings of the Select Council Committee of Inquiry into the Gas Trust was concurred in.

The lease to the Butler and Mahanoy Coal and Mining Company was concurred in.

Mr. Palmer presented a resolution, of thanks to William S. Stokley, Mayor, and President. The Chamber adopted the resolution, and directed a copy to be engrossed and forwarded to that gentleman.

Mr. Eardley, from the special committee to investigate the charge made by Mr. Billington, that \$200 was paid for carriage hire by the Common Council committee of inquiry into the management of the Gas Trust, reported that the amount expended was much less.

Mr. Hancock, from the special committee of inquiry into the circumstances attending the building of the extra chimney on the new court house, reported that the chimney for which Mr. Colladay retained \$500 cost the sum of \$500. The committee, therefore, introduced a resolution instructing the City Controller and City Treasurer to retain \$500 from the appropriation to the new court house, and the resolution was adopted.

The School bill was then passed without amendment for the proposed increase of salaries, which it came up on an ordinance to appropriate \$140,000 for the increase, offered by Mr. Stanton. Adjourned.

THE GERMAN SOCIETY.—The German Society Contributing for the Relief of Distressed Germans in the State of Pennsylvania, held its one hundred and second annual meeting at their Hall, in Seventh street, above Chestnut, on Wednesday afternoon. The report of the Board of Managers exhibited the organization to be in a very prosperous condition. During the year 1886, fifty-five new members were elected, making the present number 603. The aggregate receipts for the past twelve months amounted to \$4,655.52 while the expenditures during the same period were \$10,215.22. Of the sum expended \$1,455.85 was paid for the immediate relief and necessities of 565 applicants; 191 persons were provided with employment, and 30 persons who were unable to work, and some sick, were cared for in charitable institutions, while others were placed in hospitals. The Medical Board of the Society, Drs. Winkler, Domme, Peibel and Traut, treated 31 patients gratuitously, the medicine being likewise furnished free of expense. Connected with the society is a well equipped library of selected works, consisting of 60 German and 14 English books, which are extensively read by the contributors. Thirty new members were elected. The assets of the society are estimated to be between sixty and seventy thousand dollars, the principal of which consist of the new hall, recently erected in Seventh street, forming quite an attraction, and an ornamental addition to the neighborhood, books, investments, &c. The interior of the hall is at present being improved and beautified by the addition of new book cases, black walnut, which will occupy the three sides of the large hall, the upper portion of which will be reached by a neat and capacious gallery.

The election for officers resulted in the selection of Wm. J. Horstmann, President; L. Herbert, Vice President; Alfred Knensen and Julius Hein, Secretaries; Louis Grosholz, Treasurer; Frederick Hayer, Solicitor, and as Managers, George Doll, J. Kinike, J. Schandelin, E. Schaefer, J. C. Steiner, J. Zann.

THE ALLEGED BOARDING HOUSE THEFT.—Lewis N. Dardin, who is charged with committing numerous boarding-house robberies under the names of Charles Davis, John Green, William Wilson and others, had a final hearing yesterday afternoon before Alderman Bettler. The Mayor's office was crowded with persons whose personal clothing, jewelry, &c.—had been carried off by him. He had gone from one boarding-house to another, remaining but a single night at most of them. His operations had extended as far as Frankford, where he had stolen money as late as Christmas morning. Officers Levy and Tyson recovered considerable of the stolen property through information received through the defendant. In a memorandum found on his person were the locations of about forty boarding-houses, which he had either robbed or carried off an eye upon. He was committed for trial.

CHARGED WITH ROBBERY.—James L. Watson, a young man who represents himself to be from Williamsport, was charged before Alderman Bettler yesterday with stealing a gold watch and chain and with the location of a stolen property through information received through the defendant. In a memorandum found on his person were the locations of about forty boarding-houses, which he had either robbed or carried off an eye upon. He was committed for trial.

THE WEEK OF PRAYER.—Yesterday afternoon, a meeting of the Young Men's Christian Association was held at their rooms, Chestnut street, above Twelfth, to make preparations for the observance of the first week of the new year as one of prayer. A motion that the week of prayer commence on the 6th of January next, and that the Central Presbyterian Church be the place for holding the first meeting, was agreed to. It was further moved and agreed to that the succeeding meetings be held in the following churches:

On Tuesday, Spring Garden Methodist Church; on Wednesday, Clinton Street Presbyterian Church; on Thursday, Spruce Street Baptist Church; on Friday, Rev. Dr. Wiley's; and on Saturday, Rev. Dr. Newton's. It was likewise voted that the Devotional Committee of the Young Men's Christian Association be requested to call upon the pastors of the respective churches, and make such arrangements as may be thought necessary. The following are the subjects for consideration:

Monday, January 7.—Thanksgiving and Confession of Sin.

Tuesday, January 8.—Prayer for Nations; for "kings and all in authority"; for the increase of righteousness, the prevalence of peace and the holy observance of the Sabbath.

Wednesday, January 9.—Prayer for the success of missions among Jews and Gentiles, and for the increase of holiness, fidelity and Christian charity among the members.

Sunday, January 10.—Prayer for all who have suffered from the recent wars; for our brethren emancipated from slavery; and for our fellow Christians persecuted for the gospel's sake.

Friday, January 11.—Prayer for Christian families, for schools, colleges and universities.

Saturday, January 12.—Prayer for the Catholic Church for all ministers of the gospel, and for the increase of holiness, fidelity and Christian charity among the members.

Sunday, January 13.—Sermons on the unity of the Church and the duty of believers to maintain it by mutual recognition and active co-operation.

HEAVY ROBBERY.—Yesterday afternoon, between two and three o'clock, Mr. R. C. Gallagher, of the States Union Hotel, on Market street, went into the banking-house of Messrs. Drexel & Co., on Third street, above Chestnut, and purchased \$8,000 worth of United States seven-thirty bonds, which he carried in his coat pocket. Directly after leaving the banking-house he found the bonds missing, having been either abstracted from his pocket or dropped upon the sidewalk.
