AYEB'S PILIS.—Are you ostick, feeble and complaining? Are you ont of order with your system deranged and your feelings nucomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is recepting upon you, and should be averted by a timely use of the right remedy. Take Ayer's Filis, and cleanse out the disordered humors—purity the shift again. They stimulate the functions of the body into vigorous activity, purity the system from the obstructions which make disease. A cold settles somewhere in the body, and deranges its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and derangement. While in his condition, take Ayer's Pilis, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint is also true in many of the deep-seated and dangerous discaperant in the trivial and common complaint is also true in many of the deep-seated and dangerous discapers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural actions of the body, they are rapidly and many of them surely cured by the same means. None who know the virtue of these Pilis will neglect to employ them when suffering from the disorders they cure, such as Headache. Foul Stomach, Dysentery, Billous Complaints, Indigestion, Derangement of the Liver, Oostiveness, Constipation, Heartburn, Rheumstiam, Dropsy, worms and Suppressions, when taken in large doese.

This remedy has rarely failed to cure the severest cases of Chills and Fever, Remittent Fever, Chill Fever, Dumb Ague, Periodical Heada

CASTOR WHEELS.

COASTOR WHEELS.

TOR HEALTH AND STRENGTH USE CAPE
I WELLI. & CO.'S PATENT GLASS CASTOR
WHEKELS.

These wheels are designed for Pianos, Bedsteads, &c.
We claim that they give to Planos a greatly increased
force of sound, without detracting from the harmony
and melody of the instrument, rendering every note
more distinct to the ear. This is so apparent that they
are now being applied by many to these valuable musical instruments. Dr. Valentine Mott, previous to his
death, pronounced the Glass Castor Wheels, an invaluable invention for bedfast invalids, who are
guarded against the damp floors after undergoing the
process of cleaning, or where dampness is produced
from any other cause. Aside from this, Housekeepers
are relieved from the dread of having their carpets cui
or torh, as frequently happens from those now in use,
often caused by a rust, which adheres with gine-like
tenacity. No such annoyance can possibly proceed
from the Glass Castor Wheels, as we all know that
glass is non-corrosive. There are no rough or unfinished will soon rust, from the dampness of the atmosphere, if nothing else, producing roughness on the surface, or edge, while the former will always maintain
the smoothness of glass, just as they are finished.

By sleeping upon glass wheels you retain all the eleotricity you had in your body on retiring, and you get
up in the morning feeling as fresh and active as a
young mas. Glass being a non-conductor, the eleotricity gained while in bed cannot pass off. Ask your
doctor what he thinks of the Glass Castor Wheels,
ask him if all diseases, with the exception of chronic
diseases, are not caused from the want of electricity,
we have a man in our place whom the doctors promounced past curing, with the infiammatory rheamatism. The wheels cured him in less than four
weeks. He is to-day a stout healthy man. These are
facts which can be proven on application at our office.
