HERMAN HOUSE-CAPE ISLAND, NOW OPEN for reception of guests. Board from 814 to 318 per veck, according to roome. No extras. joil-transmission THOS. CLIFFORD, Proprietor. TAPE MAY.

CAPE ISLAND, N. J. Bince the close of 1500 much enterprise has been dis-played at this celebrated seashore recort. New and magnificant cottages have been erected; the Hotels have been remodeled; a fibe park, with a well made one-mile drive, has been insuvarted; and in all the essentials of a IVY SIDE, GERMANTOWN.-FOR SALE, THE handsome pointed Stone Cottage Residence, with pointed stone stable and carriage house, cow house, and Green street, extending through to Harvey street, having three fronts. Has parlor, dining-room, library and two kitchens, eight chambers, sitting and dressing room, bath-room and every city convenience. The stable has popular summer resort, a spirit of impro manifested. ement is largely The geographical position of Cape Island is in itself popular feature, when properly understood: Situated a popular feature, when properly understood: Situated at the extreme southern portion of the State and occu-pying a neck of land at the confinence of the Delaware Hay with the Atlantic Occan, it becomes entirely sur-rounded by sait water, hence favored by continual broader from the sec by the the Atlantic Occan, it becomes entirely sur-rounded by salt water, hence favored by continual broczer from the sea. The bluff turnishes a beautiful view of the Ocean, Dala ware Bay, and picturesque back country, taking in Cape Hentopen distinctly at a distance of sixteen miles. The beach is acknowledged to surrass any other point upon the Atlantic coset, bring of a smooth, compact sand which de-clines so gently to the surf that even a child can bathe with security. Addet to these attractions is the fact that the effect of the Guiff Stream upon this point renders the water com-paratively warm-a point not to be overlooked by persona excling health from ocean bathing. The distance from thindelphits to Cape Island is 81 miles by rail, and about the same distance by steamer down the law, and by either must the fact its for the same distance by steamer down the law, and by either must the fact its for the same distance by steamer down the law, and by either must the fact its for the same distance by steamer down the law, and by either must the fact its for the same distance by steamer down the law, and by either must the fact its for the same distance by steamer down the law, and by either must the fact its for the same distance by steamer down the law, and by either must the fact its for the same distance by steamer down the law, and by either must the fact its for the same distance by steamer down the law, and by either must the fact its for the same distance by steamer down the law and by either must the fact that the same distance the steamer down the law and by either must the fact that the fact for the law and by either must the fact that the fact that the same distance by steamer down the law and by either must the fact that the same distance the steamer down the law and by either must the same distance the steamer down the law and by either must the fact that the same distance the steamer down the law and by either must the same distance the steamer down the law and by either must the fact that the
