FROM NEW YORK.

NEW YORK, June 27.—Mr. Albert Pearce was arrested by the Sheriff of this county on the 22d inst., by virtue of a requisition from Governor Brownlow, of Tennessee, upon Governor Fenton, charged with a fraudulent breach of trust in Shelby county, in that State. Subsequently Governor Fenton revoked the order that he had made, on the ground that it was manifest that Pearce had been arrested for private purposes. Pearce was taken before Judge Ingraham, of the Supreme Court, on a writ of *habeas corpus*, and discharged.

A meeting of the New York and Long Island Bridge Company was held yesterday noon at No. 14 Park Place, at which the report of the Committee on Organization was presented, proposing names for permanent officers of the association and setting forth the reasons which call for the construction of a bridge across the East river.

The regular exercises incidental to the celebration of the one hundred and twentieth Commencement of Princeton College took place yesterday. Sixty students graduated, and a number of degrees, honorary and in course, were conferred. Gov. Ward, of New Jersey, was present during the exercises.

The semi-centennial anniversary of the New York Institution for the instruction of the Deaf and Dumb, was celebrated yesterday in the chapel of the institution, Washington Heights. The attendance was large; addresses were delivered by the President, Benjamin R. Winthrop; the Principal, Harvey P. Peet, and others, and the exercises of the pupils were most interesting in character.

The Committee of the Common Council appointed to make arrangements for celebrating the Fourth of July met yesterday. Fireworks and music are to form the principal entertainment, on which about $20,000 are to be expended.

THE RECEPTION OF ANDREW JOHNSON.—A meeting of citizens took place at noon to-day, at the Merchants' Exchange, to make arrangements for a suitable reception of the Chief Magistrate of the United States, Andrew Johnson, on his return from the East.

The call was signed by A. J. Drexel, Thomas M. Scott, John O. James, Robert Patterson, W. H. Gatzmer, E. J. Lewis, M. D., G. W. Camblos, Theo. Cuyler, W. C. Patterson, J. Edgar Thompson, W. C. Swann, James Page, D. M. Fox, and others.

The meeting was called to order, and Lemuel Coffin, Esq., was nominated as Chairman. L. P. Ashmead was appointed Secretary.

The following resolutions were then offered by Dr. Swann, and unanimously adopted:

Whereas, The citizens of Philadelphia, assembled without distinction of party, feeling the deepest regret and mortification that the Common Council should have so lost sight of the duty which they and their constituents owe to the person and high office of the Chief Magistrate of the United States, as to refuse to concur with the Select Council in tendering to his Excellency, Andrew Johnson, the hospitalities of the city, and providing for his suitable reception, therefore be it

Resolved, In vindication of the honor and self-respect of the citizens of this great city, that a Committee of twenty-five gentlemen be appointed by the Chairman to make the necessary arrangements to meet his Excellency, the President of the United States, at some convenient point, on his returning to Washington, and invite him and the gentlemen who accompany him, on behalf of the people of Philadelphia, to visit their city and partake of their hospitalities; and be it further

Resolved, That the said Committee be requested to extend to his Excellency, the President, all the respect and courtesy due to himself personally, and to the exalted position which he occupies.

It was moved that the Chair appoint a committee on reception.

The chair appointed the following committee: A. J. Drexel, Maj. Gen. R. Patterson, W. G. Ashmead, W. G. Moorhead, J. Edgar Thomson, H. M. Watts, John O. James, Dr. Wm. Swann, Jos. F. Tobias, John Welsh, Charles Camblos, L. P. Ashmead, Dr. E. J. Lewis, Jno. Hulme, Jas. Page, R. N. Rathbun, Jas. G. Hood, W. A. Rhoades, Jas. Patterson, Jacob Raguel.

The balance of the committee will be announced in the morning papers.

The meeting then adjourned.

A CUTTING AFFAIR.—Pat Ward was before Recorder Enen this morning, upon the charge of assault and battery, with intent to kill. He is a sailor, and got into a quarrel with his brother, on South Front street, on Tuesday night. Another sailor, named Florence McCarty, interfered and separated the two men. Patrick became incensed at this, and attacked McCarty with a knife. He first cut a six inch hole in his coat, and then went at him again. McCarty threw up his arm to ward off the blow, and received three cuts. Inflammation has since set in, and the arm is much swollen. Ward was committed in default of $2,500 bail for trial.

RECEIVING STOLEN GOODS.—Henry Barnes was arrested, yesterday, at Beach and York streets, and was taken before Alderman McDonald, upon the charge of receiving stolen goods. It is alleged that he bought a set of sails which had been stolen from a vessel lying in the Delaware. He was held in $800 bail to answer at court.

THE NEWSBOYS' AND BOOT-POLISHERS' meetings are continued every Sunday afternoon at the Old Court-house, corner of Sixth and Chestnut streets. Considerable interest is manifested by the boys in the exercises of these meetings.

SLIGHT FIRE.—Yesterday afternoon a fire occurred at the box factory of Jethro B. Brook, No. 3202 Darby road. The damage done was about $50, which is covered by insurance.

AMUSEMENTS.

THE WALNUT was crowded last evening to see Mr. Jefferson in his great part of "Dr. Pangloss," in the good old comedy of *The Heir at Law*. There is no comic part in which this great actor appears to more advantage, and in every scene he amused and delighted his auditors. Mr. Charles Vandenhoff appeared as "Dick Dowlas," acting with a great deal of intelligence and vivacity. He is very young; but youth, good looks and an earnest ambition to excel are sure to make him a first rate actor. The other parts were well filled and the play was thoroughly enjoyed. This evening *Our American Cousin* is to be produced, with Mr. Jefferson in his great part of "Asa Trenchard," and Mr. Charles Vandenhoff as "Lord Dundreary."

THE ARCH.—The pantomime of *Jack and Gill* will be repeated this evening, with Mr. G. L. Fox and troupe in the leading characters. On Saturday afternoon Mrs. Drew will give a grand complimentary benefit, the gross receipts of which will be given to the Association for the Relief of Disabled Firemen. Mr. G. L. Fox will have a benefit to-morrow night.

THE CHESTNUT.—A fine performance will be given this evening at this theatre for the benefit of the Chestnut Street Theatre Base Ball Club. To-morrow evening a benefit will be given at this theatre in behalf of the sufferers by the late calamity in Walnut street. A number of popular artists have been engaged, and a fine bill prepared. A most attractive performance may be expected, and it is to be hoped the public will most generously respond to the call upon their benevolence.

CONCERT HALL.—This evening Mr. Ira D. Cliff will be the recipient of a testimonial in the shape of a complimentary concert at Concert Hall. He will be assisted by a number of well-known artists, and as an attractive programme has been prepared, a large attendance may be expected.

PERSONS of large or small capital, desiring to make an investment, are respectfully recommended to purchase some of the shares of stock in the celebrated Holcomb Silver Mining Company. This organization is firmly founded on the merit of silver, of which call and see specimens of the precious metal, at the office, 430 and 432 Walnut street. The company is young, having been incorporated in 1866 by the Legislature of Pennsylvania, and all that is required is to secure some of the stock, and thus help to vigorously develop the rich mineral productions of the celebrated Holcomb Ledge, located in the Reese-river region, Nevada.

THE ingenuity manifest in the construction of the very popular American Combination Buttonhole Sewing Machine is really worth contemplation. It must have sprung from something like inspiration. Call at the reception rooms, Eleventh and Chestnut streets, and witness the working of the Philadelphia-manufactured machine.

HOT! BUT NOT DRY.—The weather presents this anomaly, but other anomalies also exist; for instance, the Ready-made Clothing sold at Charles Stokes & Co.'s, under the Continental, is of the highest quality, but, at the same time, of the lowest price.

BALTIMORE
IMPROVED BASE BURNING
FIRE-PLACE HEATER
WITH
MAGAZINE & ILLUMINATING DOORS.
The most Cheerful and Perfect Heater in Use.

FIRE-PLACE or BASEMENT HEATERS are comparatively little known in this country, excepting in a few cities, having been first introduced into BALTIMORE, some twelve years since, and, in their use, for some years confined mostly to that city and WASHINGTON.
Within the last six years, these BALTIMORE BASE BURNING FIRE-PLACE HEATERS have been extensively used in PHILADELPHIA and vicinity, for heating moderate size houses, and they have proved to be the BEST HEATER ever introduced in this market, for heating TWO, THREE or FOUR Rooms, connected with one chimney.
They have a large ILLUMINATING SURFACE, which adds much to their beauty, giving them the advantages of an OPEN GRATE FIRE.
These HEATERS have a MAGAZINE or SUPPLY CHAMBER for coals, which insures a constant fire and even temperature, and saves much trouble.
They are also a perfect BASE BURNING HEATER. Are much more desirable than GRATES or STOVES, requiring less coal and attention.
They are equally as well suited to the COUNTRY as CITY, placing them in the SITTING or DINING ROOMS, and heating one or more rooms above.
These miniature FURNACES are set in the FIRE-PLACE, and the heat is conveyed through the chimney flues to the PARLOR and CHAMBERS above, thus heating TWO or THREE ROOMS with one fire.
By adding coal every TWELVE HOURS the fire may be kept for months; affording a pleasant and agreeable heat at a very low price.
We manufacture them with SQUARE and CIRCULAR TOP Frames, and RIGHT and LEFT hand Smoke Pipes.
