visited Boston, and the charmed entered in a self-admiring egotists patronized, even praised her, and sought by severely logical arguments to convince her she had made a great mis-to convince her s take in not being born in Massachusetts. genial friend, the kind neighbor, and the aut day," and so on.

As everybody knows, ther houses in which is ar Landwall bits ar David bits are David bits ar David bits are detained and are david bits are detained and are david bits are detained and are david bits are detained are are david are david bits are detained are are david side as you go in; on the other side is the re-ception room, and back of that the poet's study. If a gentleman friend, Lowell will ushered into a wide, open hall, by a prim whose thanders pursued her even to the dressing-room, where Helene's daughter lay down the royal mantle. She then closed her study. If a genucinal mend, lowen with the remark, 'I can give you a grown who seems a strange compound of steel springs, Oswego starch, and his meers haum 'colors' For himself, Lowell generally prefers a pipe. He is a great smoker, and his meers haum 'colors' a dingy paper on the walls, an is and notice a dingy paper on the walls, an is the came to herself she caught a with a service with the near to herself she caught a with a service with the near to herself she caught a with a service with the near to herself she caught a with a service with the near to herself she caught a with a service with the near to herself she caught a service with the near to herself she caught a service with the near to herself she caught a service with the near to herself she caught a service with the near to herself she caught a service with the near to herself she caught a service with the near to herself she caught a service with the near to herself she caught a service with the other with a service with the near to herself she caught a service with the service with the near to herself she caught a service with a service with a service with the service with the

"went dead" with the third number. It was too good for the market. Putman's Monthly, while alive, had frequent contributions from Lowell. He now confines himself to the pages of the Atlantic and North American Review. Ostensibly he is an editor of the Review but really he is not; he American Review. Ostensibly he is an editor of the Review, but really he is not, he answers, "stay now; a little talk will brush ne up; my ideas flow glowly writes articles for it, but not editorials. He is one of the slowest of our literary workers. It usually takes him three months to get an article of the stocks. He is wonderfully set in his opinions, on almost every topic, and if the rest of the workl is wrong. Not that he is illiberal; of the workl is wrong. Not that he is illiberal; of the workl is wrong. Not that he is illiberal; of the workl is wrong. Not that he is illiberal; of the workl is wrong. Not that he is illiberal; to the corners; and on two of the sides are of the sides are work is wrong. Not that he is illiberal; to the corners; and on two of the sides are work is wrong. Not that he is illiberal; to the corners; and on two of the sides are work is wrong. Not that he is illiberal; to the corners; and on two of the sides are work is wrong. Not that he is illiberal; to the corners; and on two of the sides are work is wrong. Not that he is illiberal; to conclusions. (I have smiled at the stage are the sides are work is wrong. Not that he is illiberal; to conclusions. (I have smiled at the stage are the stage. She said to the stage. She said to the stage. She said to the stage. They are yours, and is the flowers and merrily bore are yours, and if the rest of the stage are the stage. They are yours, and the stage are the stage aread to the stage are the stage a almost every topic, and if the rest of the world is wrong, and if the rest of the world is wrong. Not that he is allivers in documents wrong. Not that he is allivers in document were the philosopher's stores, in an there is allower in the present of the world is wrong. Not that he is allivers in document were the philosopher's stores, in an the the unitige manner of smallage and larger with a spray of linden. When at the world is wrong, is worth the present of the world is wrong. It is most a precision books in blanck letter, holding writing and where the philosopher's stores, to with a spray of linden. When at the caller of the world is wrong, and then stitus philosopher's stores, to with the sprased.

Rebecca Harding, now a resident of Phila-delphia, came from Wheeling, Va., and was born, we believe, in that vicinity. She was cotirely unknown to the literary world until she wrote for the Atlantic, seven or eight years ago, "Life in the Iron Mills," which at-tracted a great deal of attention from its correcast, and the prince of hosts, ever attractive, tracted a great deal of attention from its correcast, and seeming to understand the fate of the fate of

power and vividness. She had had ample | the particular tastes and prejudices of every | Wignell uttered the first two lines amid a | seen will be clear !- Fai opportunity in Western Virginia for observa-tion of her theme, and wrote with an evident His studies occupy the early part of the day, was one of those imperturbable actors who, if tion of her theme, and wrote with an evident fullness and a thorough acquamtance with the life she described. For some time its authors ship was a matter of conjecture, though other contributions were ascribed and evidently traceable to the same pen. Soon after the commencement of her literary career she with the latter portion he spends with nature, ship was a matter of conjecture, though other contributions were ascribed. Soon after the the same pen. Soon after the left of the hall is lighted up, and those fortu-wite enough to have the *every* may there with the same pen. Soon after the left of the hall is lighted up, and those fortu-wite enough to have the *every* may there and measure—

G. W. Carleton & Co., New York, has recently quiet of a rural life, and, without presenting any very original or startling theories or opinions, there is much that is thoughtful, sensible and scholarly in the treatment of the subject. The great idea of the book is man's absolute subjec-tion, in common with all created things, to the modeviating laws and controlling agencies of God.

NEW PUBLICATIONS.

places of resort.

Places of resort. "Beauseincourt," by the author of "The House-hold of Bouverie," is even more, interesting and more eleverly written than that widely known and universally popular novel. The scene is laid in the South, but describes events which happened in the South but describes events which happened in the South but describes events which happened in the South but describes events which happened been guilty of a gross violation of the duties of Been guilty of a gross violation of the duties of Boors open at 7. Commence at 8%. ie 27-8t* Indice devery withen than that whethy known and universally opular novel. The seche is laboration of the seche is laboration.
 In the South, but describes events which happened in the old Calhoun days; and gives pleasant pictures of quiet home life on a plantation, which are, however, sometimes darkly overshadowed by the softical conduct on the occasion of these, leaving the reader to enjoy the "first shock" of them, as we did. Published by "Carleton & Co. For sale by Peterson & Brothers.
 Hurd and Houghton, New York, have issued two more of their "Globe Edition" of ime state exercise is furtices of impeachment to this Chamber. The section is for the very low price of the state exercise is shock." This is certainly one of the cheap-est editions of the great novellist, yet published and didered before Coroner the section is solved and didered before Coroner of \$1.50 each. They are handsomely printed and the committee adjourned to meet of the great novellist, yet published, and the committee adjourned to meet of \$1.50 each. They are handsomely printed and didered before Coroner of \$1.50 each. They are handsomely printed and the committee adjourned to meet this afternoon.

philosophic friend, whose characteristic philan-thropy indulges in such superb disdain of all "blockheads" who presume to hesitate in recog-nizing its infallibility, is made to do with his own hands the cruel work of knocking out the brains of his own pet bandling; and this, too, in a style which proves him a most thorough "expert" at the business, and, therefore, warrants the infer-ence that he is no novice at the practice.inhuman though it he.

thority attaching to Mr. Greeley's name, strikes and go indugine the failed of thing at measure as an extremely dangerous thing; and so ings. Never, since the day Don Quixote correct to, in the pains of getting the litted at a wind-mill, has there beenso played-bove referred to, in the hope of its finding a place in your columns. Did it depend upon me, the solution out columns. Did it depend upon me, the solution of the article in the solution of the article in the solution. The bove of its finding a place in your columns. Did it depend upon me, the solution of the solution of the article in the solution. ti should have one in every paper in our country, so that its force should be universally feit and recognised as a conclusive exposure, at once of the utter nonsensicality of that doctrine, and of the utter nonsensicality of that doctrine, and of nen of the South were those who slipped the immeasurable mischief which lies hid under men of the South were those who slipped

, that the very existence of African slavery noon the American continent—upon the Spanish judgment on political matters.—Last vearportion of it at least—isdue to philanthropy," to tournaments were as common as days of the philanthropy of the purest kind; and this week. Now we hear of but two—one in initial interverses The introduction of suble-characteristic production of suble-characteristic production of suble-Chappel Hill. The days of knight-errantry bodied men, of the robust black races, saving, and ferocious in their savingeness to the point of ating each other," was the benevilent device of Las Casas for saving from externination by the litical significance these tournaments ever had Bring Mountain, Lehigh and Locust Mountain Coal

man of the utmost purity of intention-one quite can be, and with a mind far more exclusively deted to this work than, from the difference of down into their own old ways." circumstances, that of "H. G been, however naturally gitted in this respect. VISION AND VAPORS.

inst. is an editorial ere

to build negro school-nouses, insuit the female trachers therein, and assault negro camp-meet-inge as they ever were. They are the instigators of New Orleans massacres and Mobile riots. The rountry can have no solid peace till they are supcountry can have no solid peace till they are sup-pressed or driven out. They cannot be won over to complish these tolerably radical preliminaries to "solid peace"---or any one of them."

placate the implacable?

drive out, isolate or expose to discipline the afore-said body of malignants? And how does Mr. Greeley manage to hold in one brain, albeit a large one, such comical diversities of sentiment, such an incongruous jumble of opposites, and yet preserve that "innocent expression of face that some writers talk about? The Late Justice Wayne. [From the Washington Star, of July 5th.]. Hon. James M. Wayne, Associate Justice of he Supreme Court of the United States, died at

son-in-law, and two grandsons were present at AMUSEDIENTS. the time of his death. The Judge was in the DISLEY'S CONTINENTAL NEWS EXCHANGE.

CITY BULLETIN.

Inese volumes being sold for the very low-price of \$1 50 each. They are handsomely printed and illustrated with numerobs engravings. For sale by J. B. Lippincott & Co.
 J. B. Lippincott & Co.
 J. B. Lippincott & Co. have issued the second volume of their very neat "Globe edition" of Bulwer, containing his famous novel of "Pel-ham" complete. This edition is printed on fine; tinted paper in a very legible type and possesses the advantages of being very cheap and conveniently portable.
 Hornce's Universal Amnesty. To the Editor of the Philuda. Economy Blefering - Of Sheridan's reply to the President's conditional order, it has been happily said by a New Orleans of the conditional order, it has been happily said by a New Orleans of the conditional order, it has been happily said by a New Orleans of the the conditional order, it has been happily said by a New Orleans of the the conditional order, it has been happily said by a New Orleans of the the conditional order, it has been happily said by a New Orleans of the the conditional order, it has been happily said by a New Orleans of the the conditional order, it has been happily said by a New Orleans of the the conditional order, it has been happily said by a New Orleans of the the conditional order, it has been happily said by a New Orleans of the the conditional order is the subscient the the opposite the conditional order, it has been happily said by a New Orleans of the the conditional order is the subscient the conditional order, it has been happily said by a New Orleans of the the conditional order is the subscient the table the subscient the conditional order is the subscient the table to the president's conditional order is the subscient the conditional order is the subscient the conditional order is the subscient the conduction the condet the conduction the conduction the conduction the conducti

and struck Lewis in the side. He fell to the side-walk, and was soon after taken into a private re-Of Sheridan's reply to the President's conditional order, it has been happily said by a Now Orleans chitor (one opposed, too, to the General), that in five lines Sheridan refutes the live columns of solid legal lore whereby Andrew Johnson's carned counsel or "legal advisor," Mr. Attorney-General Stanberry, attempts to reduce the work of Congress to nothingness. In a recentrumber of The Nation I have just laconic as, "little Phil's" telegram, is yet quite condensed, and disposes no less effectually of "Phillosophicr Greedey's "Universal Atmesty" ratiocination. The beauty of it is, that our philosophic friend, whose characteristic philan-thropy induges in such superb disdan of all "blockheads" who presume to hesitate in recog-throw in the side. He fell to the side-sidence near by. A physician was called in and the ball extracted. At the hearing the parties fully identified Speed as the one who shot Lewis. The parties are all colored. UP-River Excussions.—The following steam-ers leave Philadelphia every Sunday for Beverly, laconic as, "little Phil's" telegram, is yet quite condensed, and disposes no less effectually of "Philosopher" Greedey's "Universal Atmesty" ratiocination. The beauty of it is, that our philosophic friend, whose characteristic philan-thropy induges in such superb disdan of all "blockheads" who presume to hesitate in recog-

the business, and, therefore, warrants the infer-ence that he is no novice at the practice.Inhuman though it be. Metaphor aside, this 'universal amnesty' doc-trine, coupled, as it is, with the weight of 'au-thority attaching to Mr. Greeky's name, strikes the united strate in the last of the conscription. The matter-of-I will close by bointing out that, had not "H. G. a "philanthropy—in its Bourton-like self-suffi-ciency and untcachableness—blinded itself to the teachings of history, it might have been rendered vastly less inscible than it now proves to be, by a way to settle questions of political gravity in the presence of lovely women, is not the way to settle questions of political gravity in the best order and at the shortest notice. mhs in the out of the conscription. The matter-of- **COAL AND WOOD. COAL AND WOOD. COAL AND WOOD. J.** M. ROMMEL, COAL DEALER, HAS REMOVER **J.** Matter of the the shortest notice and will be shortest notice. The best qualities of Lebich and Schuyltill coal deduced way to settle questions of political gravity in the presence of lovely women, is not interview way to settle questions of political gravity. y Queens of Love and Beauty have very little sh judgment on political matters. Last vear to tournaments were as common as days of the this week. Now we hear of but two-one in this week. Now we hear of but two-one in this week. Now we hear of but two-one in this week. Now we hear of but two-one in this week. Now we hear of but two-one in this week. Now we hear of but two-one in this week. Now we hear of but two-one in this week. Now we hear of but two-one in this week. Now we hear of but two-one in this week. Now we hear of but two-one in this at the best qualities of LEHIGH. EAGLE VEIN. GREENWOOD, &c., COAL. interview strended to. gle one of those teachings, namely: the simple way to settle questions of political gravity.

as earnessly intent upon doing good as "H. G." posed to regard the contempt of the tournament as an indication that people are settling desibly can have A MECHANICAL CURIOSITY.—The Mecha-

nics' Magazine says: "A mechanical curiosity has recently been constructed in London. To the Editor of the Nation :---When good for-tune vouchsafes to the veteran editor of the Tri-bune a clear glimpse of men and things as they are, through some rift in the vaporous whims that encompass him, his vision seems to be exhat encompass him, his vision seems to be ex-ellent. For example, in his issue of the 28th chronometer has a silver dial, on which are inst. is an editorial classification of the several since hands, indicating respectively the hours, grades of loyalty and disloyalty in the South, minutes and seconds, the days of the week, which is certainly discriminating as a qualitative, if necessarily imperfect as a quanitative, analysis. The editor distributes the population of the late rebel States into five classes, thus: 41. White that is to say, changes when they have thirty rebel States into five classes, thus: "1. White Unionists who never faltered. 2. Black ditto. 3. Original Unionists who became rebels. 4. Original secessionists now loyal. 5. Implacable any slight agitation of the watch, such as the rebels." His estimate of the number of people represented by each class is appended to each. The figures 1 omit, as not possessing special value, although it can also be wound by a key in the structure in mind. The set of the number of people represented by each class is appended to each. The for years without requiring to be opened, although it can also be wound by a key in the structure in mind. and as irrelevant to the point 1 have in mind. That point is the singular relation subsisting be-tween the editor's comments on class No. 5, and his pet whim of "Universal ampesty and impartial suffrage." Of the "implacable rebels"—whereof he assumes the existence of 2,000,000—he talks after this vigorous fashion: "This body of malignants are as ready to-day to burn negro school-houses, insult the female teachers therein, and assault meero cumpunget.

logally, no matter by what means; but they may be isolated, and so exposed to discipline or re-duced in instantiants. An English pathe isolated and so exposed to discipline or re-duced to insignificance." To unanointed eyes, utilluminated by any other than the light of average common conse, it is dif-ticult to see how indirected unated in the framework in the treasurers to the Liverpool branch of the cotton-famine relief fund, it has been sug-gested that the best application of the many of the han the light of average common sense, it is dif-icult to see how *universal annesty* is going to ac-ounnish these tokership and lead previous to the would be to found a convalescent hospital, in connection with the three hospitals already in ex-istence, to which patients may be sent to gain strength for the operations, or to recover from them, or in which patients requiring purer air than they can get in the town can be accommodated. Subscribers representing an aggregate sum of £40,000 have consented to this appropriation, and as the Court of Chancery will have to sanction the scheme, it has been arranged to hold a publimeeting of the subscribers."

QLIVES FARCIES, CAPERS, &c. -OLIVES FARCIES (Stuffed Olives), Nonparell and Superfive Capers and Hon. James M. Wayne, Associate Justice of the Supreme Court of the United States, died at his residence on I street, botween Thirteenth and Fourteenth streets, in this city, this morning at ten minutes before twelve o'clock. He has been ill for two weeks past with typheid fever. His wife and daughter, Mrs. Cyler, Dr. Cyler, his
