Washington, July 12.—The Reconstruction

The Surratt Trial.

Committee, to which was referred the bill adopted

EVENING BULLETIN.

AMNESTY TO DESERTERS. the army and the country may be exposed by the desertion of its soldiers. Discipline and subordination are essential requisites in every army, and much of the delay and many of sympathy with treason and rebellion. the failures in our operations during the late war arose simply from the absence, without leave, of thousands of men who, without any | The Associated Press report of last evendesire to aid the enemy or to weaken their ing's session of the House gives a partial revefriends, were constantly absent from their lation of one of those exhibitions of bad taste

the war. Towards the close of the war, after more reputable than the ruffianism and vio-

precedent established by such a course is as bad as possible. It leaves the private soldier to judge of the necessities of the service, and to decide whether he will remain with his regiment or go home to his family. And yet there would be manifest inconsistency in a vigorous infliction of the penalty of desertion at a time when it is the fashion to make treatest to make treated at a time when it is the fashion to make treated at the this request will receive a prompt response from the European powers to whom it is addressed.

C. M. STOUT & CO. S. W. Corner Broad and Walnut. A NEW MATERIAL. 1106 Chestnut Street, HOT-CAST PORCELAIN.

AN ENTIRELY NEW ARTICLE OF MANUFACTURE. AN AMERICAN INVENTION Patented both in this Country and in Europe. LINENS, QUILTS AND HOUSE It contains all the constituent ingredients of porcelain: but, unlike ordinary porcelain, is worked like glass. In strength and durability it surpasses the stronger marbles; in hardness it equals flint, of which it is largely composed; in its applications, it ranges from the finest bugles for ladies' dress trimmings, to the colossal church column; rom the thinnert egg-shell china cup to the heavy glab of the side-board on which it is placed. It takes the most brilliant and enduring polish, and will not stain, and it will not absorb any liquia whatever. It is succeptible of being produced in any color. SHOWING FURNITURE TO BEST ADVANTAGE FOR

The American Hot-Cast Porcelain Co. Eighth precinct, and Orson, of the Fifteenth,
proceeded to ascertain its cause, and discovered

ALL CHOLERA SYMPTOMS. that an actress named Florence Temple had been shot by a man named Thomas J. Carr, a letter carrier of station C. It appeared that Carr had been paying attentions to Miss Temple of late, and had become jealous of some third person, and that while in conversation with last night he drew a pistol and aimed it at She seized hold of the waspon and succeeded in snatching it from him and throwing it on the floor. In striking the boards it exploded and one of the balls took effect in her leg, entering above the knee. Medical aid was summoned, and the-wound was pronounced not dangerous. Carr was arrested and locked up. Miss Temple had net returned from the West, where she had com

pleted a theatrical engagement.

At twenty minutes past one o'clock this (Friday) morning a fire broke out in the whisky distillery of Englehardt & Co., 395 Pearl street, extending through to 34 Vandewater street. The flames spread with wonderful rapidity throughout the premises. The two night watchmen, Peter and premises. The two night watchmen, Peter and Philip Brody, were the first seen issuing from the building. Peter, it seems, was on the third floor at the time, and as the fire commenced on the second story he found it impossible to escape down stairs; hence he took to the window on Pearl street, got outside, and | State, County and Municipal Taxation, clinging on the water leader, managed to deseend to nearly the second story, when his hold gave way and he fell to the sidewalk. He was ed up insensible and conveyed to the Fourth precinct police station. He soon became conscious, and complained of his back and right thigh; blood was flowing freely from a severe wound on the leg. The alarm was soon sounded and the firemen quickly respected to the roll of the ro responded to the call, but in spite of their efforts they were unable to save the building. Finding their force insufficient, a second alarm was rung,

which brought an extra force; but at the time the reporters left the scene, at half-past two o'clock, the adjoining buildings on Vandewater street had caught fire, and there was every indication that they would be destroyed. The value of the stock and building is estimated at from \$50,000 to \$60,000, upon which there is said to be no insurance.
In April last, one Aaron Meyers stole from Raphael Braun, a resident of Williamsburgh, \$1,300 in current funds, and 198 pairs of shoes. Having committed the larceny, the delinquent abducted from her home a young girl, aged fifteen years, Decla Miller by name, and fied with the
