Scaled Proposals will be received at the Office of the Chief Commissioner of Highways until 12 o'clock M., on MONDAY, 15th inst., for the construction of a sower on the line of Rittenhouse street, from the northeasterly side of Germantown avenue to Honey run, to be built of brick, circular in form, with a clear inside diameter of three feet, and with such inlets and manholes as may be directed by the Chief Engineer and Surveyor—to be paid for out of Item No. 29 of appropriation made to the Department of Highways, &c., for the year 1867, and the contractor will be required to keep the street and sewer in good order for three years after the sewer is finished.

When the street is occupied by a City Passenger Railroad track, the sewer shall be constructed algugate of said track in such manner as not to obstruct effinite free with the safe passage of the cars thereon; and no claim for renumeration shall be paid the Contractor, by the company using suid track, as specified in Act of Assembly approved May 8, 1895.

All bidders are havited to be present at the time and place of opening the said Proposals, Each proposal will be accompanied by a certificate that a Boad has been filed in the Law Department as directed by Ordinance of May 25th, 1890. If the Lowest Bilder shall not execute a contract within five days after the work is awarded, he will be deemed as declining, and will be held liable on his bond for the difference between his bid and the next highest bid. Specifications may be had at the Department of Surveys, which will be strictly adhered to French Doeskins, all grades.
