THE NEW SIX PER CENT

In 1864, as carly as April, Mrs. McClernand, standing on the avenue, heard three men talking together. She heard them speak of the telescopic rifie. She heard them speak of the telescopic rifie. She heard the allusion to the wife and child of the President, and she tells who those men were. Now who was 'Harold? Booth says he was a boy. Booth had a sort of romantic gallantry about him, and he wanted to shield all who were connected with him. He even wanted to come out and fight all

into the was out of employment, and the conspirators could not discharge him, for it will be remembered that he was discharged from the NATIONAL drug store in 1864, and he was kept in the co piracy until he was captured and discharged b the Military Commission.

At this point, 12 o'clock, the Court took recess
