GRIMAULT & CO. Chemists to H. I. H. Prince Napoleon, Paris. \_\_\_ These different medicines represent the most recent medical discoveries, founded on the trinciples of Chemistry and therapeuties. They must not be confounded with secret or banck medicines as their names sufficiently indicate their composition; a circumstance which have caused them to be appreciated and prescribed by the faculty in the whole world. They widely differ from those numerous medicines advertised in the public papers as able to cure every possible disease, as they are applicable only to but a very few complaints. The most stringent laws exist in France, with regard to the sale of medicar preparations, and only those which have undergone an examination by the Academy of Medicine, and have been proved efficacious, either in the Hospitals, or in the gractic of the first medical meny are authorized by the Government. This fact must be a guarantee for the excellency of Mess. GRIMAULTS ET CO. medicines.
