piece again he has got a good piece of timber rather not drink one. I said it would go right and. This system certainly enables the truer to get the most out of his land. In in a helpless tangle in ten minutes. I did not deed, he is obliged to do so, not only for his support, but for all his rents and tithes, which at so many itziboos (a Japanese coin worth about a third of a dollar), but at so many agine that my ideas were clouded. I waited piculs (133 pounds) of rice. Besides rice, in great anxiety for the conversation to open, with a sort of vague hope that my understandthere are considerable quantities of peas, beans and wheat grown, besides cotton and ling would prove clear after all, and my misbeans and wheat grown, besides cotton and tobacco. Large quantities of vegetables are givings groundless.

Artemus dropped an unimportant remark

Artemus dropped an unimportant remark

That no time may be unnecessarily lost, I slightest flavor to them, except the potato, which is tolerable, but this latter is only tounding speech. He said:
"Now, there is one thing I ought to ask grown in small quantities. Almost every kind of fruit is also grown in Japan, but I never could discover the slightest taste to any our about before I forget it. You have been of them, with the exception of a small here in Silverland—here in Nevada—two or You have been . orange, which is procurable only in winter. three years, and, of course, your position on Their apples are large, and the sight of the daily press has made it necessary for you

desire; but one might as well endeavor to eat carefully in detail, and therefore you know scaked nine shavings for they are hard. all about the silver-mining business. Now, soaked pine shavings, for they are hard, gritty and tasteless. The people also are great gardeners, and are extremely fond of the deposits of ore are made, you know. For instance: Now, as I understand it, the vein wers, of which almost every variety is grown in the country, but although fine to which contains the silver is sandwiched in between castings of granite, and runs along Some of the gardens in the vicinity skohama are very fine and tastefully "Well, take a vein 40 feet thick, for exam-Yokohama are very fine and tastefully out. The implements used by the ple, or 80, for that matter, or even a 100 anese, both in their agricultural and say you go down on it with a shaft—straight nechanical pursuits, are very similar to those down, you know, or with what you call 'inclines,' maybe you go down 500 feet, or In mechanical arts I do not think they are maybe you don't go down but 200, any way superior to the Chinese, except in their bronze you go down, and all the time this vein astings. In this latter and the manufacture grows narrower, when the castings come of lacquerware they are not to be excelled by any nation. In their minutest figures, espeicitly of birds or investment that is when they do approach, which of cially of birds or insects, they are exceedingly course they do not always do, particularly in true to nature, even to the smallest detail. hese manufactures are mostly carried on at | such that they stand apart wider than they otherwise would, and which geology has failed to account for, although everything in appearance as novel as it is interesting. The shops being all open, one can see right that science goes to prove that, all things being equal, it would, if it did not, or would not, certainly if it did, and then of course

hem would make one's mouth water with to go down in the mines and examine them

shops being all open, one can see right through. You generally find the shopkeepers position which seems perfectly comfortable to them, but one which I was gaid to quit stering right in the cussed whisky cocktail has mould you say that one ramporting through the profession of the facts, and still labors in the street laws not that crowded appearance which they have in the their sanc which they have in the chird like and the specified was porting merchandise. In China this is done by usupending the article to be carried either on the middle of the pole, when it is carried by two coolies, or dividing it and placing a portion on either end, when one man can carry it by balancing it on his shoulders. But in days not than an an an army it by balancing it on his shoulders. But in days not than an an an army it by balancing it on his shoulders. But in days not than an an an army it by balancing it on his shoulders. But in days not than a fall pay better attention this time."

Issue to the facts, and still labors the commerce of all nations in accordance with an agreement and with the foreign representation of the facts, and still labors and the result of coverable to the facts, and still labors and the result of coverable and the foreign representation of the facts, and still labors and the result of coverable and the foreign representation of the facts, and still labors and the commerce of all nations in accordance with an agreement and with the foreign representation of the facts, and still labors and the commerce of all nations in accordance with an agreement and with the foreign representation of the facts, and still labors and the commerce of all nations in accordance with an agreement and with the foreign representation of the facts, and still labors and the commerce of all nations in accordance with an agreement and with the foreign representation of the facts, and still labors an accordance with an agreement and with the foreign representation of the facts, and still labors an accordance with a considerable an by two coolies, or dividing it and placing a portion on either end, when one man can carry it by balancing it on his shoulders. But in Japan it is transported on handcarts. In Japan it is transported on handcarts. The score was a follows:

to keep time. Now and again you see an go down on that, say a thousand teet, or may interest hand, which he strikes at regular intervals, hand, which he strikes at regular intervals, in order to attract attention to his wares. But what is this that is being carried through the streets at rather a rapid rate, on the shoulders phurets—I believe they call them sulphurets, of four half-dressed coolies two in frost and though the strikes are regular intervals, beforesyou drift; and then you start your Thip d—Whereas, The committees appointed by this League and its Executive Board, have been eminently successful, both streets at rather a rapid rate, on the shoulders phurets—I believe they call them sulphurets, and through that of the mation, at Washing—Total of four half-dressed coolies, two in front and two in the rear? It looks like a small-sized dry goods box. But it isn't. It is a norinon—a Japanese carriage—and there is actually a human being cooped up therein.
Upon inspecting it I could scarcely imagine
that a man or woman could rest therein more
that a man or woman could rest therein more
than five minutes. They are about four feet
in length and three in height, and are more
fit for rages to transport wild an impossible,
so far as Leanse, the main dependence of a ton, in procuring the passage of laws highly ton, in procuring the passage of the same of the colored ton, in procuring the conductive to the best interests of the colored ton, whereas the most interest of the colored of the warren and Franklin Railroad Company with the Philadelphia and three in height, and are more
fit for rages to transport wild an impossible,
that a man or woman could rest therein more
in length and three in height, and are more
fit for rages to transport wild an impossible,
that a man or woman could rest therein more
in length and three in height, and are more
fit for rages to transport wild an impossible.

The Warren and three in the as transpired. There are swern and three in height and through that of the heation, at Washington, in procuring the passage of laws highly conductive to the best interests of the colored to the conductive to the best interests of the colored to the height and to the nation, at Washington, in procuring the passage of laws highly conductive to the best interests of the colored to the conductive to the best interests of the colored to the height and three in height and politicians in this city, in a five Warren and Franklin Railroad Company with the Philadelphia and politicians in this city, in a five Warren and Franklin Railroad Company with the Philadelphia and three on the merger
of the Warren and Franklin Railroad Company with the passage of laws highly conductive to the best interests of the colored to the hot of the Warren and Franklin Railroad Company with the Philadelphia and polit in length and three in height, and are more fit for eages to transport wild animals than fit for eages to transport wild animals than sire fit for eages to transport wild animals than sire for the means of human locomotion. When sire Rutherford Alcock, H. B. M. Minister, once went from Yeddo to Yokohama in one of these norimons, he says that when he got out it took him some time to find out that he had not been baked; and nothing could induce the members of the Pennsyl-work assembling at Washington, to urge upon it the necessity of guaranteeing a republican form of governit took him some time to find out that he had him ever to travel again in a similar vehicle.

To-day there is an unusual commotion in length and are more fit for eages to transport wild animals than were, or might overlook it if it did, or scorn the members of the Pennsyl-valia State Equal Rights League be chosen to visit Congress on its assembling at Washington, to urge upon it the necessity of guaranteeing a republican form of government in every State of the Union.

I said, sorrowfully, "I feel ashamed of myself, Mr. Ward. I know I ought to understand every to travel again in a similar vehicle.

To-day there is an unusual commotion in length and are more of the Pennsyl-valia State Equal Rights League be chosen to viable positions.

Negro Shrewdness—The Election in directors on their annual tour of inspection over their road as far as Irvington, where they will be met by the office, but will place their authors in most unentime of the emmbers of the Pennsyl-valia State Equal Rights League be chosen to viable positions.

Negro Shrewdness—The Election in the original will be met by the office, but will place their authors in directors on their road as far as Irvington, where they were and Frank.

Negro Shrewdness—The Election in the committee of the union of the valia start on Monday next in the committee of the union of the valia start on Monday next in the committee of the union of the very idea of the were of the union of the very idea of th

him ever to travel again in a similar vehicle.

To-day there is an unusual commotion in the streets from the fact that the Prince of Kinsu, one of the most powerful Daimios of the Empire, and one eminently favorable to foreigners, is expected at Yokohama to in
To baked; and nothing could induce infernal whisky cocktail has got into my lead, and now I cannot understand even the streets from the fact that the Prince of the most powerful Daimios of the most powerful Daimios of foreigners, is expected at Yokohama to in
To day there is an unusual commotion in the simplest proposition. I told you how it would be."

Resolved, That William D. Forten, David B. Bowser and Octavius V. Katto, the committee appointed by the Board of the Pennsylvania State Equal Rights League, to secure the passage of a bill through the Legislature forbidding the exclusion of persons from public conveyances in this Commonwealth public conveyances in the simplest proposition. I told you how it the passage of a bill through the English League, to secure of the most powerful Daimios of the simplest proposition. I told you how it the passage of a bill through the Legislature forbidding erected around the New Bethard a round the New B the Empire, and one eminently favorable to foreigners, is expected at Yokohama to inspect the foreign settlement. At about 11 of clock four men, with long poles, with beligned at the foreign settlement. At about 11 of clock four men, with long poles, with beligned at the foreign settlement. This is a signal that the cavalcade is at hand, and composed that the cavalcade is at hand, and composed that the cavalcade is at hand, and composed the foreign settlement. At about 11 of clear enough for—"

"On, don't mind it, don't mind it, don't mind it, the fault was my own, no doubt—though I did think public conveyances in this Commonwealth on account of race or color, deserve, for streets, was seriously cut about the face and becal. He was removed to the Pennsylvania, and the friends of impartial signal that the cavalcade is at hand, and composed the road. Then the cavalcade is at hand, and composed the road of the road. Then the conservatives felt sure of a considerable share of the colored vote; but when the day likely said on the colored vote; but when the day likely said on the colored vote; but when the day likely said on the colored vote; but when the day likely said on the colored vote; but when the day likely said on the colored vote; but when the day likely said on the colored vote; but when the day likely said on the clear of the colored vote; but when the day likely said on the clear of the colored vote; but when the day likely said on the clear of the colored vote; but when the day likely said on the colored vote; but when the day likely said on the clear of the colored vote; but when the day likely said on the clear of the colored vote; but when the day likely said on the clear of the colored vote; but when the day likely said the colored vote; but when the day likely said the colored vote; but when the day likely said the colored vote; but when the day likely said the colored vote; but when the day likely said the colored vote; but when the day likely said the colored vote; but when the day likely said th mon folk must get out of the road. Then that has played the mischief."

come a couple of officers, bearing a sort of "No, now don't say that—I'll begin it all Resolved, That we heartly endorse and A TRIUMPH FOR A PHILADELPHIA MADE FIRE- itself came, the agonizing anxiety of the and note that of officers, bearing a sort of banner, when all natives have to prostrate themselves, and remain in this position until the whole procession has passed. After the Prince on horseback; then the prince on

his wardrobe—and another crowd of soldiers brings up the rear. The Prince, who is a middle-aged man, visited most of the European stores, and expressed his pleasure with everything he/saw. He has just returned from attendance on the Tycoon attendance on the Tycoon and the Ministers of the Treaty Powers has just taken place. This visit is quite an event just taken place. This visit is quite an event just taken place. This visit is quite an event just taken place. This visit is quite an event most was to see that the foreigners neither most was t and the Ministers of the Tenty Power's has just taken place. This visit is quite an event among the Japanese; but what pozzeld them most way to see that the foreigners action of the foreigners act

GRIMAULT & CO. Chemists to H. I. H. Prince Napo -----These different medicines represent the most recent medical discoveries, founded on the principles of Chemistry and therapeutics. They must not be confounded with secret or quack medicines as their nances sufficiently indicate their composition; a circumstance which has caused them to be appreciated and prescribed by the faculty in the whole world. They widely differ from those numerous medicities advertised in the public papers as lable to cure every possible disease, as they are application of the public papers. The properties of the public papers as lable to cure every possible disease, as they are applications of the public papers.

DOCTOR LERAS' (Doctor of Medicine) LIQUID PHOSPHATE OF IRON.

The newest and most extensed modicine in cases of CHLOROSIS, PAINS IN THE STOMACH, DIFFICULT DIGESTIGN, DISMENORRHEA, ANIMEA, GENERAL DEBILITY AND POURNESS OF BLOOD. It is particularly recommended to regulate the functions of nature, and to all ladies of delicate constitution, as well as to persons suffering under every kind of debility whatsoever. It is the preservative of health par executions, in all warm and relaxing climates.

CONSUMPTION CURED! GRIMAULTS SYRUP OF HYPOPHOSPHITE OF LIME This new medicine is considered to be a sovereign remedy in cases of Consumption and other diseases of the Lungs. It promptly removes all the most serious symptoms. The cough is relieved, night perspirations cesse, and the patient is rapidly restored to health.

N. B.—Be sure to see the signature of GRIMAULT-& CO. is affixed to the bottle, as this syrup is liable to imitations.

No more difficult or painful digestion! DR. BURIN DU BUISSON'S (Laureate of the Paris Imperial Academy of Medicine) DIGESTIVE LOZENGES. This delicious preparation is always prescribed by the most reputed medical men in France, in cases of derangements of the digestive functions, such as GASTRITIS, GASTRALGIA, long and laborious digestion, wind in the stemach and bowels, emaciation, jaundice, and complaint of the liver and loins, NERVOUS HEAD ACHES, NEURALGIA, DIAR-RHICA, DYSENTRY, INSTANTANEOUSLY CURED BY GRIMAULT'S GUARANA.

This vegetable substance, which grows in the Brazila, has been employed since time immemorial to cure inflammation of the bowels. It has proved of late to be of the -GENERAL DEPOT:

IN PARIS, at GRIMAULT & CO.'S, 45 rue Richelieu \_\_\_ AGENTS IN PHILADELPHIA; FRENCH, RICHARDS & CO., 14, 16, 18 and 20 South Tenth St.

PURIFYING MEDICINE.

ments; all the various Diseases of the ekin, such as Tetter. Salt Rheum, Ringworms, Bolls, Pimples, Carbuncles, Sore Eyes, &c.; Epileptic Fits, St. Vitus Dance, and disease originating from an impure state of the blood or other duids of the body. E. LYE'S DYSENTERY SYRUP.

This celebrated Syrup is a certain specific for all stages of Dysentery, Chronic or Acute Diarrhose, and Summer Complaint. During thirty years' experience in this city, this medicine has never been known to fall, as some of the most respectable families can testify, at whose request and in complaince with the wishes of several medical and clerical gentlemen, they are presented to the public. This valuable medicine is a vegetable compound, and perfectly safe in all stages of life. Anti-Bilious and Anti-Dyspeptic Pille These Pills are exceedingly efficacious in curing Dysperds and Liver Complaint, Nervous Affections, and all diseases resulting from an unhealthy state of the Liver.
