We have facilities for the prompt and superior execution of all work that may be required, and at rates as lov as these of any other establishment in the city. We are Practical Printers, and the business is entirely under our own control and management; which, in view of the fact that our experience has an extent of more than wenty-five years, we can assure our patrens is in accordance with the demands of the greatest possible skill. ALEXANDER C. BRYSON, JOSEPH H. BRYSON.

## EVENING BULLETIN.

little of the usual Mexican bombast and self-Thursday, August 15, 1867. modest and sensible address to the people, WHOLESALE PERJURY. conceived in a spirit of true patriotism and Mr. Johnson possesses a faculty for bung exalted statesmanship. He reviews briefly ling which is truly remarkable. His whole Presidential career has been a series of the the events of the past four years, and most extraordinary miscalculations, and as he | eulogizes, perhaps not unjustly, the faithful advances toward the end, his policy is adherence of the Mexican people to the Maximilian, has met his death at the hands of marked with an increasing confusion of cause of the legitimate government in its ideas, weakness of design, and obscuration of conflict with the usurper. He gives sitting at his dinner table in a Mexican hotel. all the perceptive faculties. The stupid at | them credit for rather more forbearance and tempt to assail the Impeachment Committee by means of the elaborate "development" recently made by Mr. Brinckley, acting for the some sections of the country, but he wisely absent Attorney General, is before the councils entire forgiveness, and the utmost Mexican people. The Imperialists hated absent Attorney General, is before the country. So far as its design for mischief is concerned, it has totally failed of its purpose.

The torpedo was clumsily over-loaded, and prematurely fired by the inexperienced artillerist, and it simply knocked him over for the people lies in a strict adherence to and and covered him with dirt, without the support of the laws on the part of indislightest injury to the enemy. It not only | viduals. did no harm to Congress, but it made just But it is in the concluding portion of this noise enough to arouse the garrison and pro- document, that Juarez proves himself to be a voke a terrible volley in reply. It has led to | true and disinterested patriot. He declares the unearthing of a scheme of wholesale that he has held his office only because the perjury, so deliberate in its execution, and so | people could not, during the existence of hosdiabolic in its character, that it would be tilities, appoint his successor, but now that and bartered away his life for a paltry sum of difficult to believe it, did we not know the depths of demoralization to which Copper- his duty to call upon them to elect money. Betrayer and betrayed have met a like fate now, but Maximilian died like a depths of demoralization to which Copper- his duty to call upon them to elect whom they may to rule over headism and rebellion may sink men.

the American Government, are Benjamin cannot regard this action of his in any other Wood, of the New York Daily News; Roger A. Pryor, ex-rebel general, of Virginia; Dick Taylor, ex-rebel general, of Louisiana, and uncle of the first Mrs. Jeff. Davis; did to the Colonies at the conclusion of the same relation to Mexico that Washington of the conclusion of the concl and the now notorious Chas. A. Dunham, alias
Sanford Conover. This choice quartette of scoundrels entered into a plot to manufacture

Revolutionary war. With his personal popularity, his hold upon power, and the presscoundrels entered into a plot to manufacture tige of complete success, he could proclaim scoundrels entered into a plot to manufacture affidavits declaring that the affiants had been induced by Judge Holt to furnish false testimony connecting Jeff. Davis with the assasmony connecting Jeff. Davis with the assassination plot. For this purpose four different individuals were approached and liberally left motives. It is to be hoped that his selection in the estimation of his countrymen, if they are capable of appreciating pure and they are capable of appreciating pure and hat his left motives. It is to be hoped that his with promise of more, in case the perjurors had to repeat their testimony in court. The business of preparing the affidavits was intrusted to Pryor, while Conover was merely and see rise from the wreck of the dead Empire 600 used to hunt up the tools and bring them to the symmetrical and beautiful structure of a the other conspirators. Taylor was present · \_\_\_\_ at some of the interviews and con-Arrangements are being made to take forsenting to this vile plot. The first witness, John Martin, after receiving fifty mal possession of Walrussia at an early day dollars in advance, took alarm and backed in the name of the United States. General out. The next one, Francis McFall, was Rousseau is in Washington receiving his inof easier virtue, and, under the persuasive in- structions, and will soon leave for California, fluence of two hundred dollars, received from Ben Wood, swore to an affidavit prepared by der command of Admiral Thatcher, he will so the lend of the jeeberg and Esquisite of extra quality Money Drawer Lock for sale by TRUMAN & SILAW, No. 825 (Eight Thirt; Street, below Ninth. Pryor, every word of which he afterwards | set sail for the land of the iceberg and Esqui-

swore was false. The third man, Nathan Anser, was approached in the same way, but, when the plot was fully revealed to him by Pryor and Wood, he revolted from its iniquity and refused to have anything to do with it.

The remaining witness, James Matterson, willingly fell into the plot.

Set sail for the land of the iceberg and Esquimaux. Nobody knows exactly what to call the country to which he is going. Russian America is of course out of the question, but there seems to be a division of sentiment between Walrussia, Alaska and Sitka. Congression will settle the matter in November, but willingly fell into the plot.

Set sail for the land of the iceberg and Esquimaux. Nobody knows exactly what to call the country to which he is going. Russian America is of course out of the question, but there seems to be a division of sentiment between Walrussia, Alaska and Sitka. Congression with the country to which he is going. Russian America is of course out of the question, but there seems to be a division of sentiment between Walrussia, Alaska and Sitka. Congression with the country to which he is going. Russian America is of course out of the question, but there seems to be a division of sentiment between Walrussia, Alaska and Sitka. Congression with the country to which he is going. Russian America is of course out of the question, but there seems to be a division of sentiment between Walrussia, Alaska and Sitka. Congression with the plot of willingly fell into the plot. Pryor explained in the meantime it will be perplexing to peoto him that the perjury which he was to comple who desire to direct letters to that corner at once, and see and procure for your dear friend an exputive extension of the Northwest. This however is a superior of the Northwest. seworthy act. In destroy of the Northwest. This, however, is a minor ing Judge Holt, he was to win the applause of difficulty, and we could bear it philosophically all honorable men. Ben Wood paid him if we were certain that the natives of that disdown three hundred dollars, and the affidavit tant land would not need sound Republican was sworn to. Matterson, in his affidavit literature as an antidote to the poisonous opposing his there in the receditor. confessing his share in the rascality, says | Copperheadism that will certainly be instilled into their minds. For Rousseau is an ardent occase of "In making said affidavits for Pryor and others supporter of A. J., and will probably conceive Marking with indeliblibeting, Examples, &c.

Marking with indeliblibeting, Examples, &c. In making said altidavits for Pryor and others he did not feel that he was outraging the laws of either God or man; that he believed, from the property and others the new citizens as possible during his adrepresentations of Conover, Pryor, and others, and from articles which appeared in the newsand from articles which appeared in the newspapers, that an atroclous and murderous conspiler regret. It is desirable that we should impress CURES THE MONTH OF THE TETTER!

AND ALL SKIN DISEASES.

SWAYDES ON THE MEST OF TETTER. racy had been formed, with Judge Holt at its head, to convict and shed the blood of Mr. Davis on the gallows by means of bogus witnesses and false testimony, and that affiant believed that he will disgust them; if they are benighted head, to convict and shed the blood of Mr. Davis on the gallows by means of bogus witnesses and false testimony, and that affiant believed that he was performing a humane and Christian act in assisting in this way—the only way, as alleged, possible—to defeat the diabolical machinations of their feet, during their political infancy, to solve the same and considered way of the davious and crocked way of the convergence of the blood of Mr. Davis and they are enlightened human beings, Rousseau will disgust them; if they are benighted healthen, it will be positively criminal to train their feet, during their political infancy, to solve the property of the davious and crocked way of the property of the convergence of the blood of the supposed conspirators."

Mr. Matterson's moral sense appears to have been precisely of the kind suited to the work which Wood and Pryor had for him to do, and the depravity of the tempters was not deeper than that of the tempted.

The affidavits of these four men, revealing to the supposed conspirators."

Walk in the devious and crooked ways of Copperheadism. Fancy the condition of an untutored Esquimaux taught to regard Andrew Johnson as a representative American, or a greasy Russian quaffing his train oil to the health and success of the Democratic party! Something must be done and it were the presentation of the supposed conspirators."

BOME CERTIFICATE CIERK, S. W. corner Fifth and Chestnut streets, Philadelphia, says:

"I was troubled very much with an eruntion on my face; tried a great many remedies without finding reltef; finally procured SWAYNE'S ALL-HEALING OINT. After using it as hort time a perfect cure was the result. I cheerfully recommend it as a cure for Tetter and all Skin Diseases, as mine was an exceedingly obstinate case." Prepared by
