The Company has received from the State and chief citics of California, assistance in money, credit and ratuable property, worth over \$3,000,000 in gold, in ad-dition to the full benefit of the Government subsidy. The hardest and costilized part of its construction has been successfully overcome within the first 160 miles. In a flew weeks the track will be completed entirely neroes the Sierra Nevadae, after which progress to Salt Lake will be casey and rapid. The local business alone of this road establises its complete innancia fuccass, independently of the vast through traffic which must pass over it. The gross carnings for the months of June and July, upon the \$4 miles then open for business, were upwards of \$297,000 in gold; of which rour by the wave net earn-lage.
