General Thomas is well known to hold the same political views as General Sheridan's. He has no more fondness and no more fear of rebels than the bold soldier whom he is to succeed. Moreover, it may be confidently calculated upon, that General Grant will permit no such change of administration in the Fifth Military District as would reflect upon the policy of General Sheridan, and still less his fine record before the country by trucking for rebel-Johnsonism, either in Louisiana or Washington.

Philadelphia and New York. During one of these excursions he became acquainted with a Sioux chief who rejoices in the name of "Big Mouth." Big Mouth had a daughter who was passing fair, and he being an ambitious Sioux, and withal, a managing papa, considered that it would be a good thing to have the Honorable Cave marry into the family, and give the other Sioux a chance to see how weddings in high life are conducted. But the Honorable Cave was not smitten by the charms of the copper-colored damsel; and while he probably felt that in a decided case.

It is evident that for once the Decidence of the same political views as General Sheridan's. Hope in the political views as General Sheridan's. General Sheridan's. He political views as General Sheridan's. He political views as General Sheridan's. He political views as the public, that in consequence of a relight decline in Hoop Skirt and SELLING to CASHI, we are entire to the Ying and SELLING to CASHI, we are entire to the Ying and SELLING to Cashing an ambitious Sioux, and withal, a managing papa, considered that it would be a good thing to have the Honorable Cave marry into the family, and give the other Sioux a chance to she have the Honorable Cave marry into the family, and give the other Sioux a chance to still lines of low priced skirts at very low prices, and really at head of low priced skirts at very low prices, and the Eastern States full lines of low priced skirts at very low prices, and the Eastern States full lines of low priced skirts at very low prices, and rea It is evident that, for once, the President of John Smith and Pocahontas, romantic gratitude might induce him to lead her to the ware avenue.

THREE MEN SCALDED TO DEATH total deaths last week reached 187. The same ratio of mortality in New York would give nearly ONE BADLY INJURED. GREAT FIRE AT MONTREAL LOSS \$150,000.

> Faint Accident. [Special Despatch to the Evening Bulletin, by Hasson's Independent News Agency.] Independent News Agency.]
>
> NEW YORK, Aug. 19.—This morning a terrible accident occurred at the distillery of Metzlar & Co., at the foot of Twenty-ninth street, in this city, by which three Germans were scalded to death in a vat of boiling mash, and a fourth was so kerribly burned that slight hopes are entertained of his recovery.
>
> As soon as the vat was filled with the hot mash Fritz Young, who was attending to some work, about the vat, lost his footing and was head forement plunged into the boiling substance. Two young Germans, Wm. Enfield and Wm. Werner, attempted to rescue him, when, by some fatality, they too fell into the vat and were instantly boiled to death. A fourth workman who had torn away from under the rails behind the abuttment of the smaller bridge, leaving the sleep
> Indicated the Mesoakee Nuddee," which, and deep whother, except during the monsoon, when, fed by the streams of the Sautpoora Hills, it swells to a torrent some 230 feet in width, and, as it was on the night of the accident, 15 feet deep. A sharp bend in the river increases the pre-bability of the water over-flowing its banks in the event of a flood, and this it occasionally does, notwithstanding that a flood stream of sixty feet wide detaches a large body of water from the main channel, conveying it under the rails way by two arches of thirty feet span each. The principal channel is crossed by a bridge of seven arches, each of thirty feet span. Between the two bridges is a large embankment of loose shingle, and this the force of the torrent some 230 feet in width, and, as it was on the night of the water over-flowing the monsoon, when, fed by the streams of the Sautpoora Hills, it swells to a torrent some 230 feet in width, and, as it was on the night of the water over-flowing the monsoon, when he stardy. · From the best Manufactories; Internal Improvements.—During the past fer wears the improvements made in South Jersey, through the direct influences exerted on the people by railroads, have been very extensive, and of a highly advantageous character. A large portion of the country has been cleared of its tim-Nottingham Lace Curtains, ber and converted into rich agricultural districts; and in many other places thriving settlements VERY BEAUTIFUL PATTERNS. and villages have sprung up, and present all the life and elements of prosperous and rapid advance-ment. The West Jersey Railroad, with its branches,

MOSQUITO NETS. has demonstrated this fact to a marvellous extent, as is exemplified by the greatly increased value of the farm lands and building lots along them. The facilities given for reaching the markets have also stimulated the erection of various WHITE AND IN COLORS, WITH THE MOST AR manufacturing establishments, in which a large number of workmen are employed. And these facilities are to be extended by the construction WINDOW SHADES, of another road, or rather a continuation of the West Jersey road, from Bridgeton to Cape Island. This route will be more direct than the others, and will give advantages to many thriving places now desti-tute of railroad communication. Along the line of the Camden and Atlantic road an equal A Large Assortment.

LLIOFFERED AT VERY REASONABLE PRICES: degree of improvement is seen, and this is t be enhanced soon by the completion of a road, now being surveyed, from Atsion in Burlington county, to Vineland, and thence to the Delaware, and another from Jackson junction on the Atanthus of the Willemann Checkson of the Atanthus of the Willemann Checkson of the Atanthus of the Willemann Checkson of Atanthus of the Willemann Checkson of Atanthus of the Willemann of THE UNDERSIGNED tic road to Williamstown, Glassboro and Penns-HAVE PURCHASED THE Work on all these roads will be cor menced in a short time, and but little delay will be experienced in its progress. The road between Camden and Mt. Holly is about finished, giving NEW SIX PER CENT. advantages the citizens have never before experienced, and which will add materially to the value of their lands and other property. REGISTERED LOAN PREPARING CRANDERRY LANDS.—The culture

PREPARING CRANGERRY LANDS.—The culture of cranberries in South Jersey is rapidly extending, and thousands of bushels are already raised for the markets of Philadelphia and New York. The Hammonton Cranberry Company is now engaged in preparing about one hundred acres of land, which, it is thought, will be ready for use by the time the season for planting arrives. The cultivation of these herries is a very profitchle Lehigh Coal and Navigation Company DUE IN 1897. INTEREST PAYABLE QUARTERLY, cultivation of these berries is a very profitab FREE OF UNITED STATES AND STATE TAXES. SAD CONDITION.—The crew of the schooner Maria Jane, which was wrecked on Brigantine AND OFFER IT FOR SALE AT THE LOW PRICE OF Maria Jane, which was wrecked on Brigantine Beach on Friday morning, were placed in a pitiable condition, having lost every article of clothing and everything else, except what they had on their persons. The citizens of Atlantic City generously contributed to aid them on their way home to New Brunswick, British Provinces. The captain and his men gratefully appreciated their kindness, and started for their homes with lighter hearts. AND ACCRUED INTEREST FROM AUGUST

This LOAN is secured by a first mortgage on the Company's Railroad, constructed and to be constructed, extending from the southern boundary of the berough of Mauch Chunk to the Delaware River at Eastou, including their bridge across the said river now in process of construction, together with all the Company's rights, liberties and franchises appertaining to the said Railroad and Paridge. LARGE EXCURSION .- The largest excursion of the season will go down to Atlantic City on Thursday next. It is gotten up by the Order of United American Mechanics, of Camden, and it Bridge.
Copies of the mortgage may be had on application at the office of the Company, or to either of the undersigned. is said over four thousand tickets have been sold Last year this association had two days for their excursion, and about five thousand people at DREXEL & CO.
